PEOPLE

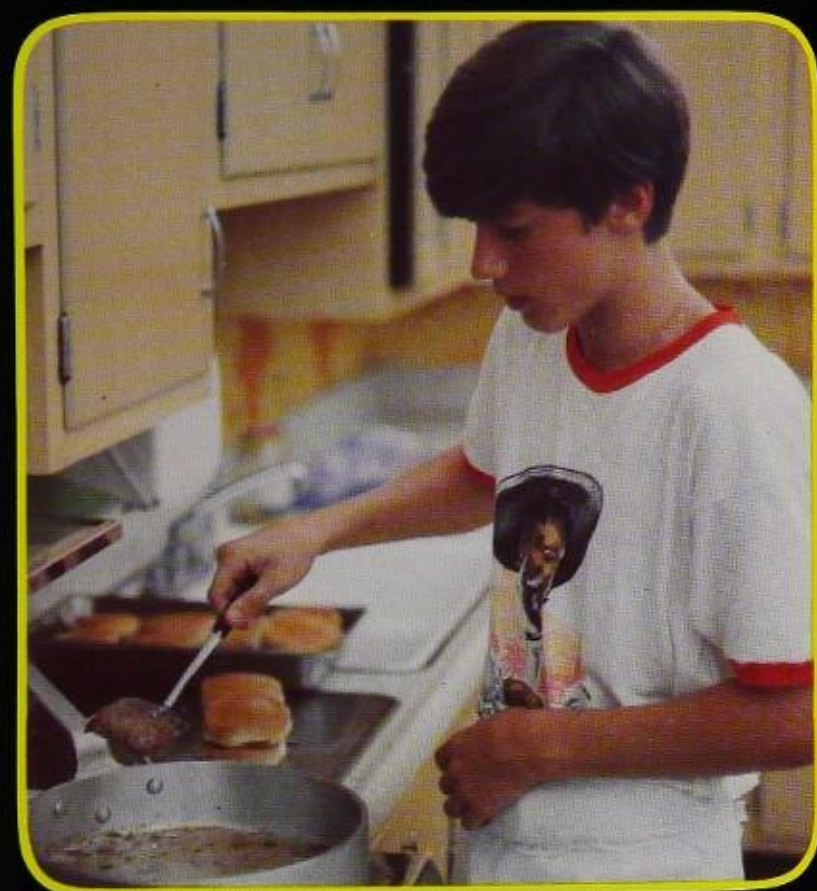

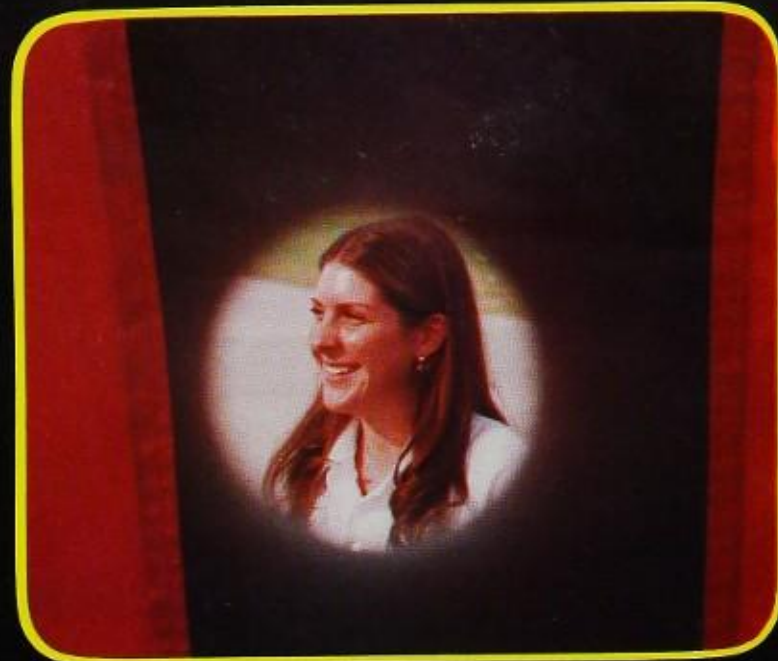

Focusing on **PEOPLE** in all aspects of campus life who contribute to the school in their own way, seems most appropriate this year to reflect upon a new superintendent, principal, faculty, and the new class of 1979. We, the **Bellendaine** staff, hope Tartans will see, as they look through this book, that it takes many types of **PEOPLE** to run Glendora High School.

DIFFERENT STROKES

FOR DIFFERENT FOLKS

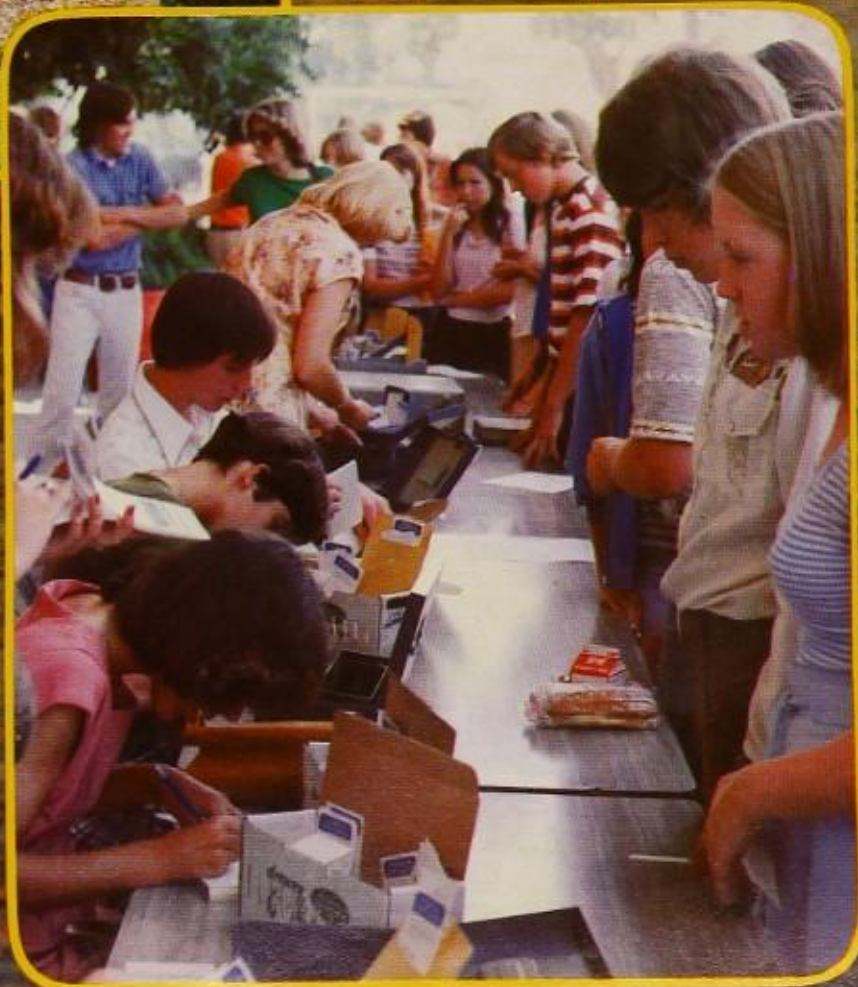

Rachel,

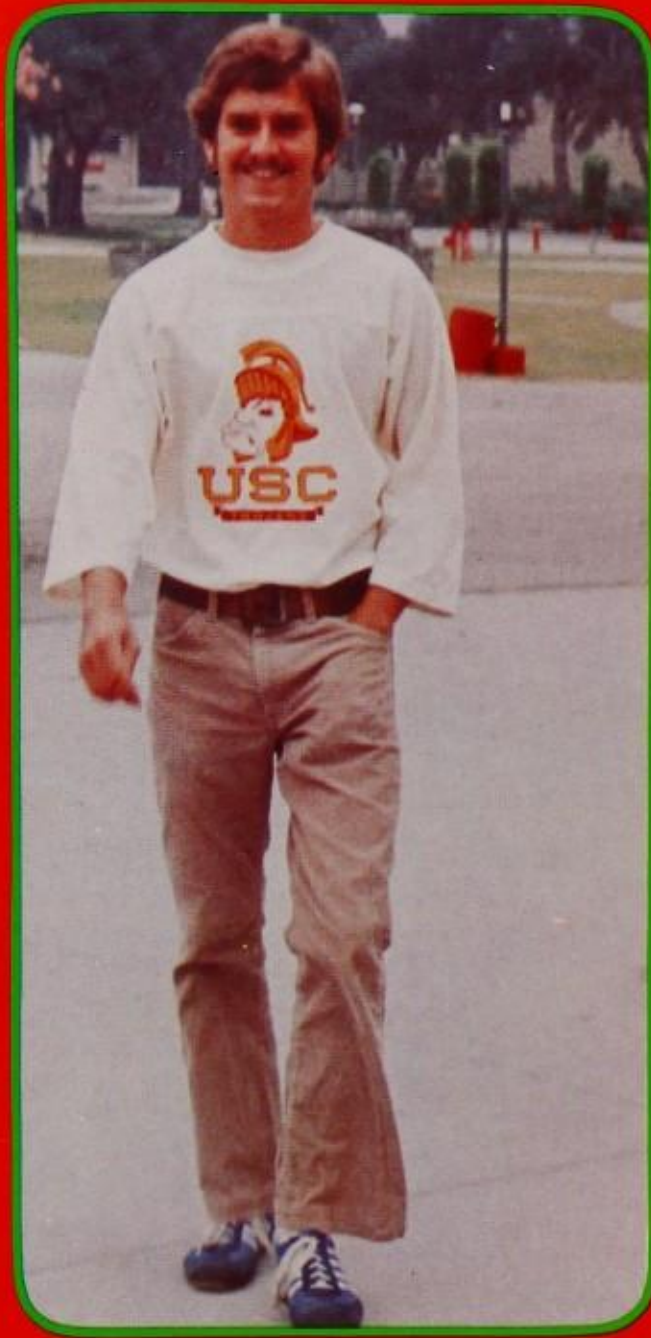

You are one of the sweetest people in the world. You always have that friendly smile on your face, and your always laughing and making me in a good mood.

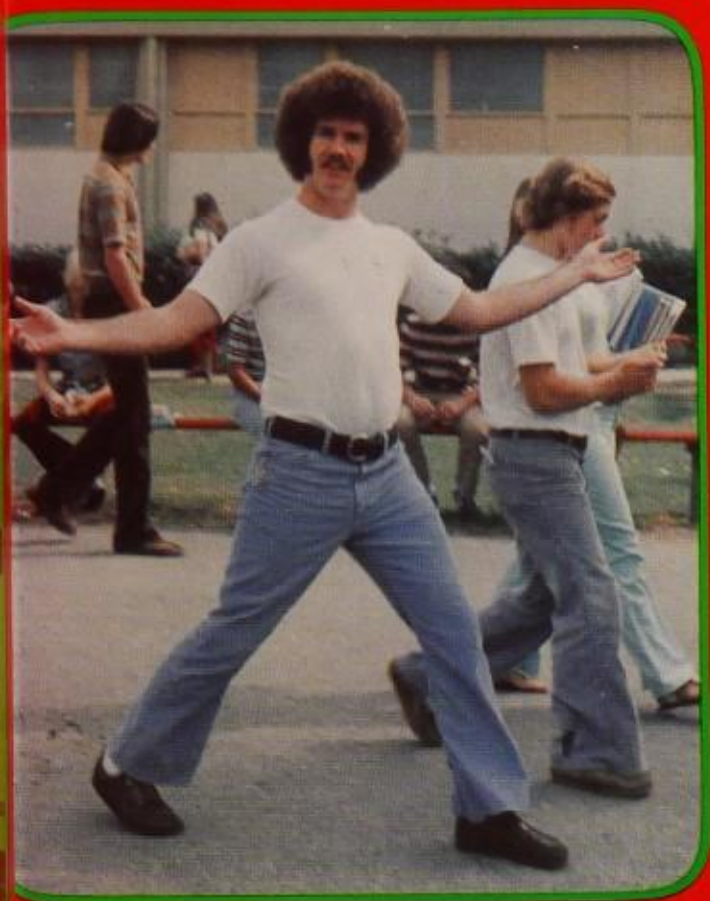

Thanks for all the talks that we had during history. I hope you have a great summer and all your dreams come true.

Love & Luck,

ACTIVITIES

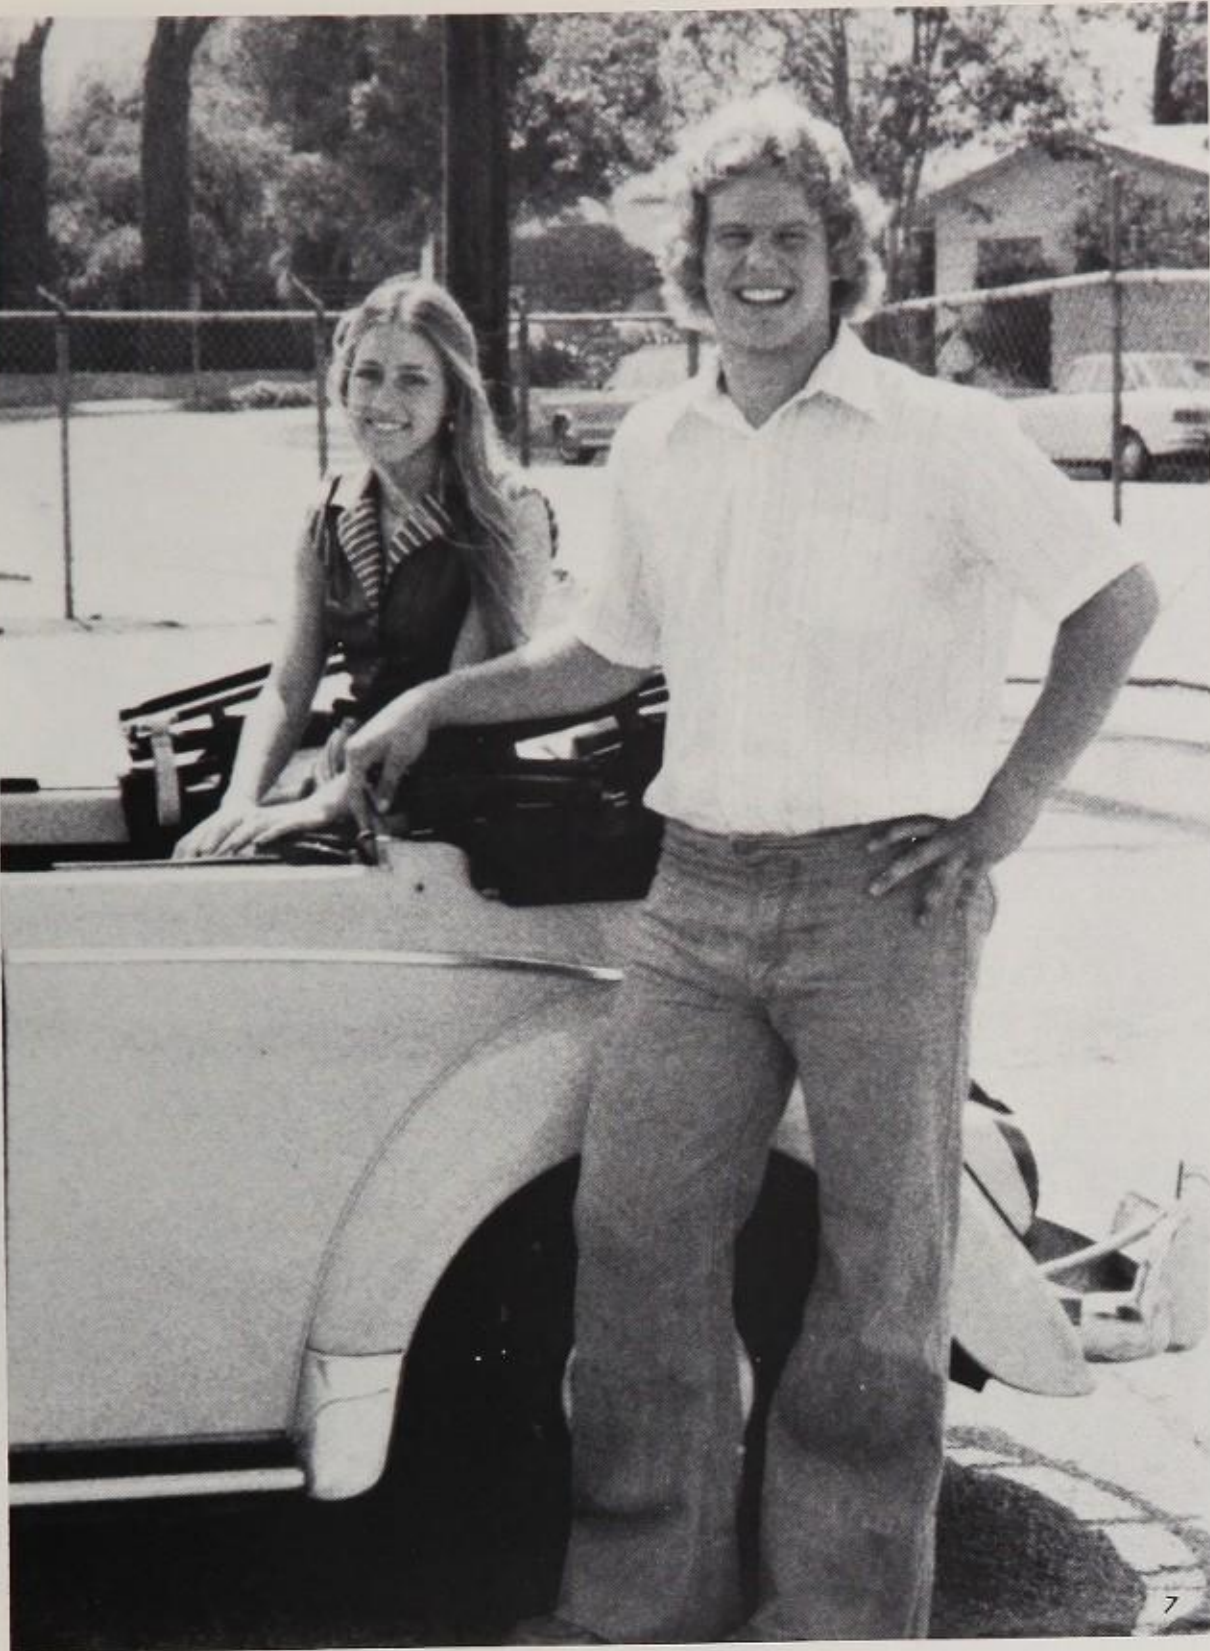

Howdy Week Welcomes Back Tartan Clan

Howdy Week welcomed back students with new and old activities. The activities were held during lunch and were participated in by all grades. The week started with the tug-o-war and was won by the sophomores (1) (2). The banana split eating contest involved both girls and guys from every class (6). The girls from each class prepared the banana splits and the guys raced to finish eating the gooey mess. The fastest banana split makers and eaters were from the senior class. The junior girls were awarded the most creative banana split makers award. The rainy weather canceled the Volkswagen pushing race and due to the lack of participation, the pass the chick activity was canceled also.

The week ended with the Howdy Assembly (4) and the announcement of the varsity football players. New American Field Service students, **Mikko Talsi** (5) from Finland and **Suzanna Georgiou** (3) from Cyprus, were also introduced. Pep club, band and drill team added spirit to the assembly.

Friday night, at the Howdy Hop, **Linda Kemby** and **Steve Hunt** (7) were crowned King and Queen of Howdy Week. **Seniors Kathy Kemby, Janet Favero, John Adams;** **juniors Kendra Mastain** (Rob Hilliard and Jeff Mowdy not pictured) and **sophomores Mike Sapp, Carolyn Beck, Alane Daugherty** (Pat Patterson not pictured) (8) were also nominated to the court for their friendliness and outgoing personalities.

Whizz Kids Highlight Homecoming

The **Whizz Kids** (4) highlighted the 1976 "Space Odyssey" Homecoming Week lunch activities by their special performance on Tuesday, October 12. Enthusiastic students packed the gym to hear the band scheduled to play for the Homecoming Dance. "The Whizz Kids' rowdy music really got people excited about going to the dance," commented **Gina Matlock**, senior.

Brent Duncan, **Jim DeViney**, and **Mark Haynes** led the seniors to victory in the beer drinking contest on Monday. Each class competed by guzzling root beer in an effort to be the first ones finished. Two juniors, **George Francescon** and **Art Pasimio** (3) won the Comet Catch, a one-handed egg toss, on Wednesday.

Grand Marshalls **Cal Bates** and **Webb Detwiler**, honored for their services to the community, led the Homecoming Parade down Glendora Avenue on Thursday. Key Club designed the winning float with the Junior Class (6) taking second and Choir, third.

Kathy Smith announced the winning floats and presented the Homecoming Court at Friday's assembly. The band accompanied the Pep Club (1) as they did special routines and The Drill Team leaders performed the sword dance to "Scotland the Brave." For the first time in several years, the banner carriers marched into the dark gym with lighted banners as the Tartans cheered them on.

Friday night's pregame included a parade of the floats (5) and Homecoming princesses around the Citrus Stadium track. Festivities for the week concluded Saturday evening with the Homecoming Dance (2) held in the gym.

Kathy Reigns as 1976 Homecoming Queen

A windy breeze prevailed throughout the crowd as it anxiously awaited the crowning of the 1976 Homecoming Queen October 15, at Citrus Stadium.

The five members of the Homecoming Court were escorted by their proud fathers down the red carpeted field, as the band played tunes from "My Fair Lady." Tears ran down the face of **Kathy Peters** (1) as she was announced and crowned the 1976 Homecoming Queen (2). The traditional sword dance was performed in honor of queen Kathy immediately followed by members of the plaid Piper Drill Team, who formed an archway with their swords. Queen Kathy, holding a bouquet of red roses, walked through the archway followed by her princesses (3).

"If Only you Believe," was the theme of the Homecoming Dance held in the GHS gym on Saturday night, October 16 and sponsored by the Girls Athletic League. The **Whizz Kiddy** set the dance in motion with their sounds to rock 'n roll. Later in the evening, **Queen Kathy Peters, princess Nancy Atherton, princess Janet Favero, princess Sandy Henry, and princess Kathy Kemby** were announced at the dance and given a charm.

"I have never been more honored and proud in my life," said **Queen Kathy**.

Fall Brings Busy Schedule

Unseasonal cloud covered skies began the 1976-1977 GHS school year. A schedule of various, planned and unplanned, activities provided a busy fall season. Last year, a new registration system was devised to supposedly eliminate the many schedule changes made by students. Due to some computer foul-ups however, the administration experienced a few setbacks, as the line in the Guidance Center (3) remained as long as previous years.

Pep assemblies had a new twist this year. Many groups performed, such as the pep squads, drill team (1) and band. Football players and club vice presidents led cheers to get more people involved. **Charlene Underhill**, AFS vice president, commented that, "it let students know the active clubs on campus."

Over the summer, several campus oak trees were cut down because of disease. Students and administrators alike wanted to replace the lost trees. During September, donations were taken for the purchase of new oaks. The trees cost \$445.20 for two, and were planted (7) at the beginning of October.

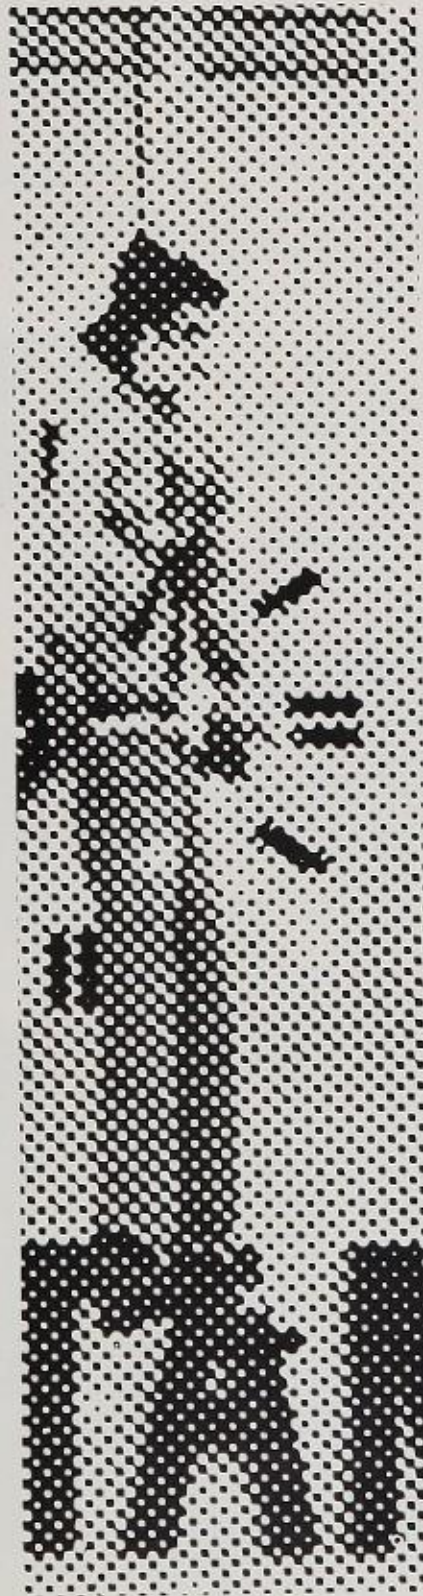

Yearbook orders were taken at a special assembly during October. **Terri Marceron** (4), yearbook staff member, helped take orders from eager seniors.

Halloween brought the annual dress-up day, librarian **Mrs. Pat Cartwright** won the contest (2), and typical Halloween pranks. Students arriving at school October 29, were shocked to see a "sophomore" (9) dangling from the gym roof. Seniors were responsible for the "dead" underclassman.

The first annual community talent show, sponsored by the Shalom Club and Choirs, sparked the gym with talent November 20. Various acts competed for the first prize of \$50 and second and third place prizes. First prize was taken by **Gina Matlock**, senior, for a disco dance she created. **John Fields**, 1975-1976 ASB President, was the master of ceremonies (5).

The Junior Class Pancake Breakfast was held November 21, in the Newberry's store parking lot (6). The breakfast was supposed to help raise funds for the prom.

Every year Girl's League awards the Girl-of-the-Month service award. Key Club started something new this year, the Boy-of-the-Month. September Girl-of-the-Month was **Cheryl Westlake**, and the Boy-of-the-Month was **Mikko Talsi**. October Boy-of-the-Month was **Stan Spooner**, while **Jana Ferrari** was chosen Girl-of-the-Month. **Lea Antonopolis** was selected November Girl-of-the-Month and **John Riccio** received the Boy-of-the-Month honor.

Winter Keeps Tartans Active

The winter season in town began with the annual Glendora Christmas Parade held on December 11. **Lea Antonopolis**, senior, served as Grand Marshall(1). **Chuck Henry**, ABC newscaster who served as announcer, spent a few moments with the banner carriers before the parade(9). Key Club also participated in the parade with their float 'A Living Christmas'(10).

"That Christmas Feeling" was the theme for the week of December 13-17. The annual Welfare Week, sponsored by Girl's League, was headed by chairperson **Janet Tolosa**. Activities for the week included: class locker area decorating, won by the sophomores(6), door decorating(12), and pictures with Santa. Stocking and singing grams were sold(7). The stuff the stocking race was won by the Seniors(11). **Carrie Copeland** helped with the Girl's League bake sale(4), a band at lunch(2), topped off by the Christmas assembly on Friday. All week long students dressed up and collected money for the City of Hope, like **Lisa Martin**, senior(3). The juniors won the donations race by a large margin(8) with the help of several inspired junior boys. Boys who helped out the most during the week were announced Mr. Mistletoe, sophomores **Ed Hupp** and **Dave Rowe**, juniors **Pete Watkins** and **Art Pasimio**, seniors **Stan Spooner** and **John Riccio** were chosen.

New Year's day brought the Tartan Band to Pasadena for the annual Tournament of Roses Parade. The back rows of band and flags were struck by a float. Two flag carriers were hospitalized.

The senior class sponsored a "Ski Hop" on January 29, in the gym. Tartans attending the dance were expected to dress up in some kind of winter outfit.

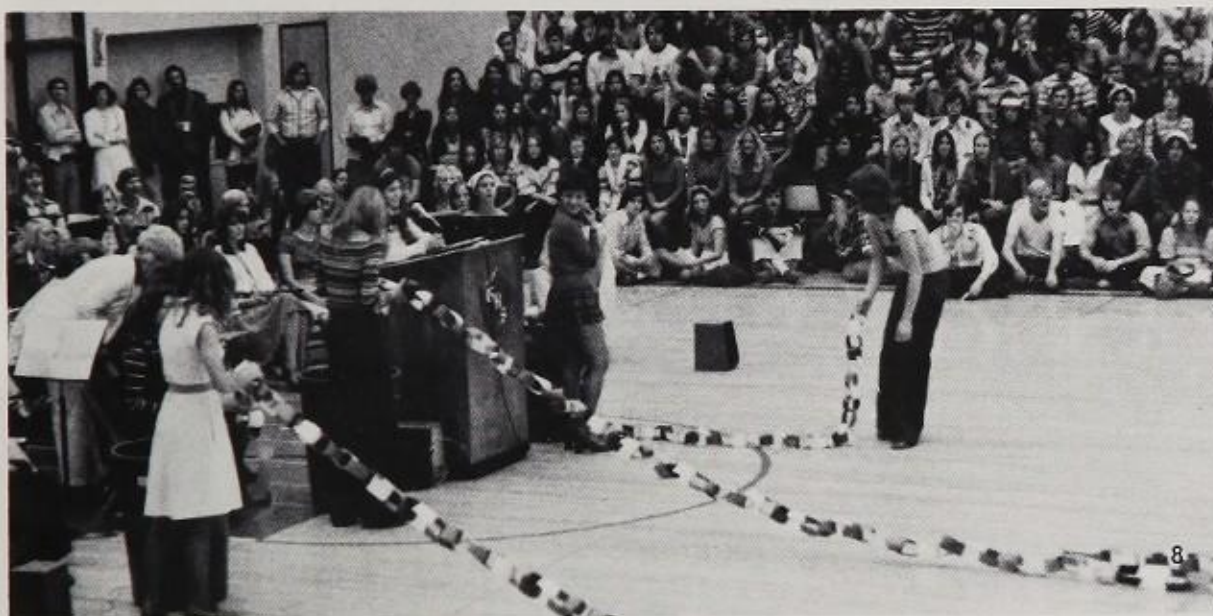

December Girl-of-the-Month, **Janet Tolosa**, was chosen for all the time she spent to make Welfare Week run smoothly. **Greg Johnson**, Boy-of-the-Month, was honored for his work as ASB President(5).

The crowning of Queen **Lisa Martin**, amidst a crowd of 224 Tartan couples, highlighted the Key Club's Annual semi-formal Christmas Dance on Monday, December 20, 1976. **Nina Dominey**, last year's queen, placed the crown on Lisa's head (1) and gave her a bouquet of red roses. Following the coronation, Lisa and her escort, **Phil McMillan**, danced the queen's dance (3).

"I was so happy and surprised! It was really a special moment," expressed Lisa. She was selected by Key Club from a court including **Mary Ann Grant**, **Sue Hite**, **Kathy Smith**, **Cheryl Westlake**, and honorary princess **Janet Favero**.

Griswold's Pavillion in Claremont provided a romantic setting for the winter event entitled "Only In Your Heart." During the evening, couples danced to and enjoyed (2) the sounds of **Becket** (4). Cake and soft drinks were served to students as refreshments (5).

"The dance was a real success!" commented **George Francescon**, Key Club Vice President. "We were happy to see so many students enjoy the dance."

Spirit Week Highlights Spring Term

As Tartans rolled into second semester, students registered and pulled cards during three different school days. Mass confusion prevailed (3) but somehow everyone was finally situated.

The senior class sponsored the ski hop (7), held on January 29 in the gym from 9 p.m. until midnight, started out with music from the band **Cecil**, which livened the atmosphere. Everyone dressed in snow wear to coordinate with the theme.

One unsuspected Wednesday, the Tartans participated in an earthquake-fire drill. A common sight witnessed was the mass of bodies huddled under school desks executing the duck-and-cover position for protection.

ASB sponsored a live band **Renegades**, (1) at lunch on Tuesday, February 15. Tartans were also entertained with the amazing **Sharp Show** held on February 17, both at lunch and in the evening. The highlight of the evening's performance came when senior **Scott Thurman** unveiled his gorgeous body to the crowd as Miss America. The Valentine's assembly was held on Thursday, February 10, to announce the four couples chosen for the dance (4). Pep groups performed and students were reminded of events for the coming week. The GHS soccer team entered CIF this season and an assembly was held on Friday, February 25, to honor them (5) and cheer them on to victory.

Senior class members were fitted in early March for their caps and gowns (6) for the graduation ceremony scheduled in June.

Activities for Spirit Week, March 7-13, included a Marshmallow Stuff, Balloon shave, Phone Booth Squeeze (8) Wheel Barrow Race, and Kiss a Pig contest. **Pegasus** provided the music for the Spirit Hop on Friday night in the gym.

Boy of the month for January was **Eric Mensing**, and for February, **Brent Cashion**. For March, **Nick Croce** was named Boy-of-the-month (2). Girls of the month were: **Kimm Nasser**, January and **Lisa Martin**, February.

Diamond Bar Country Club Sets Mood for February Dance

"More Than a Feeling," set the mood for the 1977 **Valentine's Dance**. The Girls' League sponsored dance was held at the Diamond Bar Country Club on Thursday evening, February 10 from 8 p.m. until midnight. The **Whizz Kids** provided four hours of good dancing music for the evening (3) (4).

Nervous and then surprised expressions appeared on the faces of **Bob Baldwin** and **Karen Brown** as they were announced the Valentine's King and Queen by **Karey Faith**, Valentine's Dance chairperson and **Diane Watt**, Girls' League president (2).

During an assembly on Thursday, the Valentine's Court was announced. The court consisted of: **Dean Rumin** and **Debbie Seaman**, **Harry Norton** and **Mary Delaney** and **Tony Ramirez** and **Lorraine Rodriguez**.

While the band took a short break during the evening, **Duane Nance** approached the microphone to deliver a joke which added humor to the dance.

SPORTS

Tartans Experience New Coach, New Plays End Season 3-4 in Sierra League Competition

This year, the Tartans experienced a new head coach, **Bryan Shaw**, who at one time played defensive back at Long Beach State University. With four years experience as the Tartans' defensive coach, Shaw came to the team prepared and used a variety in the style of play. The team used more than just one type of defense this year and included the "I" formation in their offensive patterns.

A new type of honor was added to this year's squad instituted by Coach Shaw, the **Tartan Clan**. The Clan exemplifies the dedication, leadership and spirit of the young men for the Big Red Machine. Qualifications for this honor were: senior status, dedication and discipline. This year's Clan included **John Adams, Jon Acosta, Dave Haney, Jim Marks** and **Brent Duncan**.

EDGEWOOD

In a 14-6 Tartan win over Edgewood, senior **Steve Hunt** led the team in rushing with 70 yards. Junior **Jeff Mowdy** rushed for 60 yards. Quarterback **Ken Ericksen** completed eight for 15 for 118 yards. **Dave Kirby** caught four of those passes for 80 yards.

LOS ALTOS

Glendora suffered their first league loss to Los Altos 24-14. "We played excellently," Shaw said. "They just got the breaks and we didn't," he added. Quarterback Ken Ericksen who was injured during the game, was replaced by **Kevin Sampson**. Steve Hunt also sustained injuries during that game. Long runs by both Ericksen and Jeff Mowdy were the only Tartan touchdowns.

LA PUENTE

The Tartans beat the La Puente Warriors 19-13. The defense held La Puente to 64 yards and only three first downs. Senior Marks ran back the opening kickoff 98 yards. Quarterback Ericksen rushed and passed for a total of 170 yards. He completed eight out of 12 passes for 129 yards. Kirby caught six for 84 yards, and Mowdy rushed for 109 yards.

WILSON

In the Wilson game, the Tartans started out slowly but came back with strength in the second half and beat the Wildcats 22-14. Rushing was led by Mowdy with a 109 yards. Kirby and **Kevin Prestesater** led the team in receptions with three a piece.

SOUTH HILLS

The 34-7 loss to South Hills, came as a disappointment to the Tartan machine.

"We didn't even play football," commented a disappointed Coach Shaw after the game.

WEST COVINA

Defense was the team's main downfall in the game against West Covina. Mowdy led the team in rushing with 31 yards. Kirby led the team in receptions with six catches.

COVINA

Kirby caught five passes for 86 yards in the 26-7 win over the Covina Colts. Hunt carried the ball 15 times for 82 yards. Ericksen was 7-14 for 106 yards. **Kevin Sampson**, junior, went two-for-two on defense.

Although the Tartans encountered many set backs and did not have the opportunity to go to CIF competition, the team experienced a good season under a new coach. One school record was broken this season by Dave Kirby who recorded 43 receptions, breaking the previous record by nine.

"The team did better than everybody expected. The players played extremely well," commented Coach Shaw.

JV's Gain Experience

Coached by **Rich Woods** and **Ed Shaw**, the Glendora junior varsity football team finished a 1-4 season in the Sierra League.

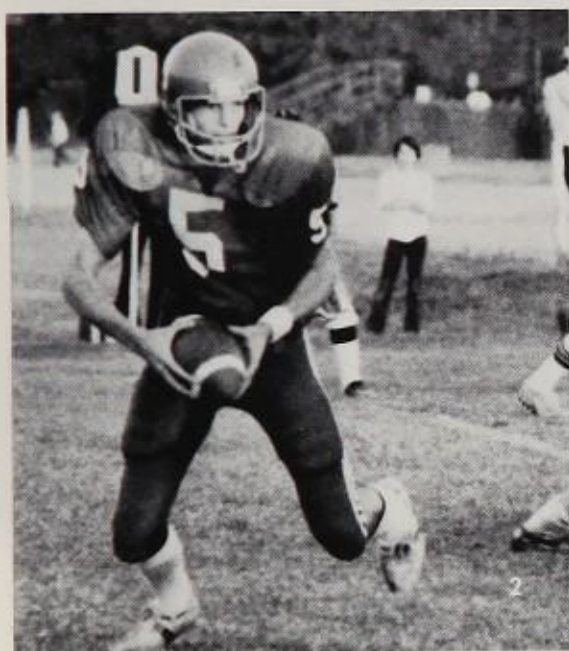

The team consisted of the varsity reserves and provided a good learning experience for next year's varsity players.

Although the team did poorly, Coach Shaw felt the team learned through its mistakes. "For very little experience the JV's had an excellent year," commented Coach Shaw.

The team's easiest victory was that against Wilson when the Tartans beat the Wildcats by a score of 32 to 18. "We played some tough teams and did surprisingly good," commented **Mike Bublin**, junior.

Quarterback **Kevin Sampson** added, "I think we did fine considering we never practiced together. We gave Los Altos and West Covina all they could handle."

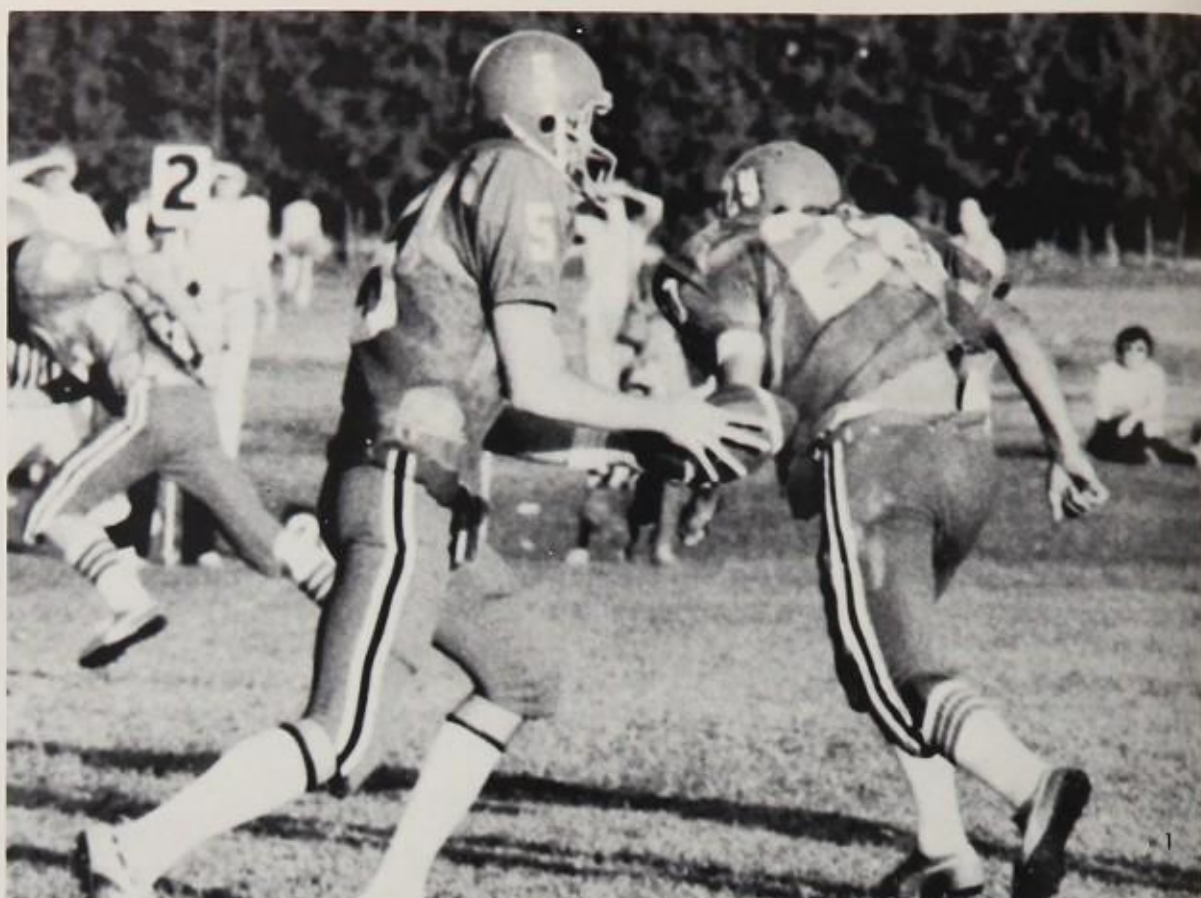

1. Eddie Salas moves in for block.
2. Kevin Sampson moves ball toward goal.
3. Eddie Salas and Dick Coleman give fine protection to Kevin Sampson.

Sophs End Season, 5-2

With a 5-2 record in league play, the sophomore football team finished second in the Sierra League. With outstanding assistance from **Mr. Bob Cates**, **Mr. Chuck Hyatt** and **Mr. Gary Riley**, plus team effort, the sophomores played well and beat their toughest opponent of the season, West Covina, by a score of 6-0.

"This year's sophomore football team has to be the best group to come through this school in many years," said **Mr. Bob Greene**, head coach, about the team.

This year, the team painted stars and skulls (2) on their football helmets to indicate the number of good plays made by each player. "Each member who continually accomplished his assignment was awarded accordingly," Coach Greene said. "Defense received stars and hatchets, the offense received footballs and skulls," he concluded.

1. Coach Hyatt and Coach Greene intently watch the play in motion.

Tennis Faces New Changes

Many changes took place this year on the girls' varsity tennis team. For the first time girls were not able to compete on the boys' tennis team due to a new CIF ruling. Because of this new rule, competition was much tougher with more powerful players than in previous years. Glendora was the only team in the league without any players from the boys' team.

Coached by **Mrs. Dorothy Hilliard** for the first time, the Tartans had an overall record of 3-4 and placed fourth in the Sierra League.

Lori Bevilacqua, number two singles player, was the team captain and was awarded the most outstanding player at the awards banquet held on December 9 (1).

Kathy Peters, the most valuable player, played number one singles and won fourteen out of her twenty one matches.

Janae Askew, the number three singles player had an excellent season winning many tough competitors (2).

The doubles teams **Terri Marceron** and **Lisa Martin** played doubles for the first time together this year and played number one throughout the season.

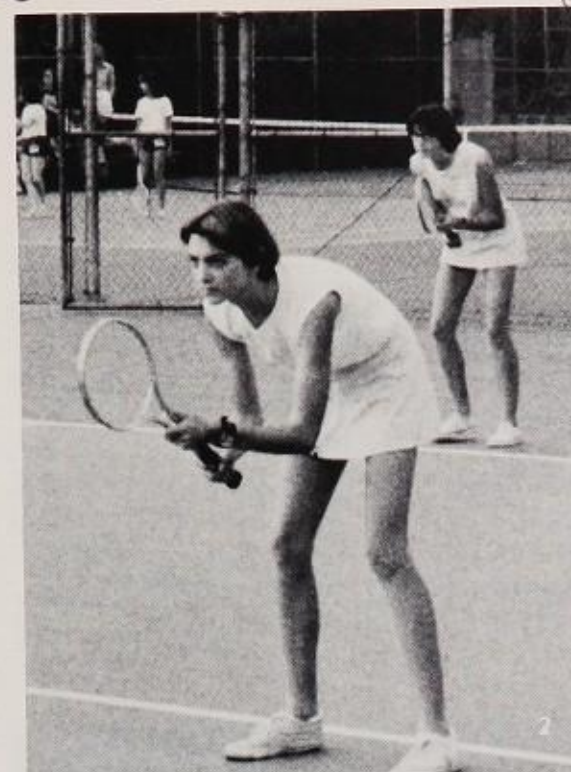

"I was very pleased and proud of our team's performance. All our girls were well respected and highly regarded both as ladies and tough competitors," stated Coach Hilliard.

JV's Finish Third Place

Under the direction of **Mrs. Marsha Bobich** the girls' junior varsity tennis team finished in third place with a 5-2 record.

The team was composed mainly of sophomore and junior players who gained much experience for future years.

Doubles players **Annette and Marie Wassel**, junior and sophomore, respectively, were awarded the most valuable players as they had an outstanding season winning sixteen out of their twenty league matches (2).

Lori Santoro and **Julie Sutter**, seniors, were the most improved players as they moved up to the varsity team toward the end of the season.

Number two singles player, **Cammie Wasson**, senior, dominated many of her opponents with her strong serve (1).

The JV team was led by their captains **Jana Gillespie**, sophomore and **Mary Ann Adams**, junior, through many tough matches during the season.

Young Volleyball Team

Experiences Tough Season

"We just had an unlucky season," commented **Coach Pat Hardin** about the girls' varsity volleyball team. The Tartans finished with a 1-7 record and placed seventh in the Sierra League standings.

"We changed our offense and looked good in practice, but we didn't put all the skills together in the game," Coach Hardin continued. Outstanding players were **Sue Teeple** and **Cheryl Stephen**, juniors, who received all-league recognition. Coach Hardin commended her two setters **Laurie Levin**, senior, and **Karin Hans**, sophomore, adding that with the new offense the setters had the toughest job.

"This was the youngest team at GHS and was not experienced at the beginning of the season, and yet the players improved. **Stacy Wilhite**, junior, **Jeanette Galceron**, senior, and **Cheryl Stephen** were our best servers. Sue Teeple and **Chris Gatherer**, senior, supplied the spiking power and **Kelly Byrne** and **Lindy Johnson**, seniors, were both good on defense," stated Coach Hardin.

Total Team Effort Helps JV's

"Every game was a total team effort and we improved a great deal," stated **Coach Doreen Ramsey** about the junior varsity volleyball team. The team was 5-3 and took fourth place in the Sierra League standings.

"It was a very young team," Coach Ramsey stated about the three seniors, five juniors and four sophomores who made up the team.

The team had much all-around talent with steady setters being **Antje Hans**, junior, and **Karen Jackson**, senior. The strong spikers consisted of **Lynn Weir** and **Kelly Walker**, juniors and **Cheryl Davis**, senior. **Lori Hunt**, sophomore supplied the best serve while **Denise Perry** was a strong defensive player.

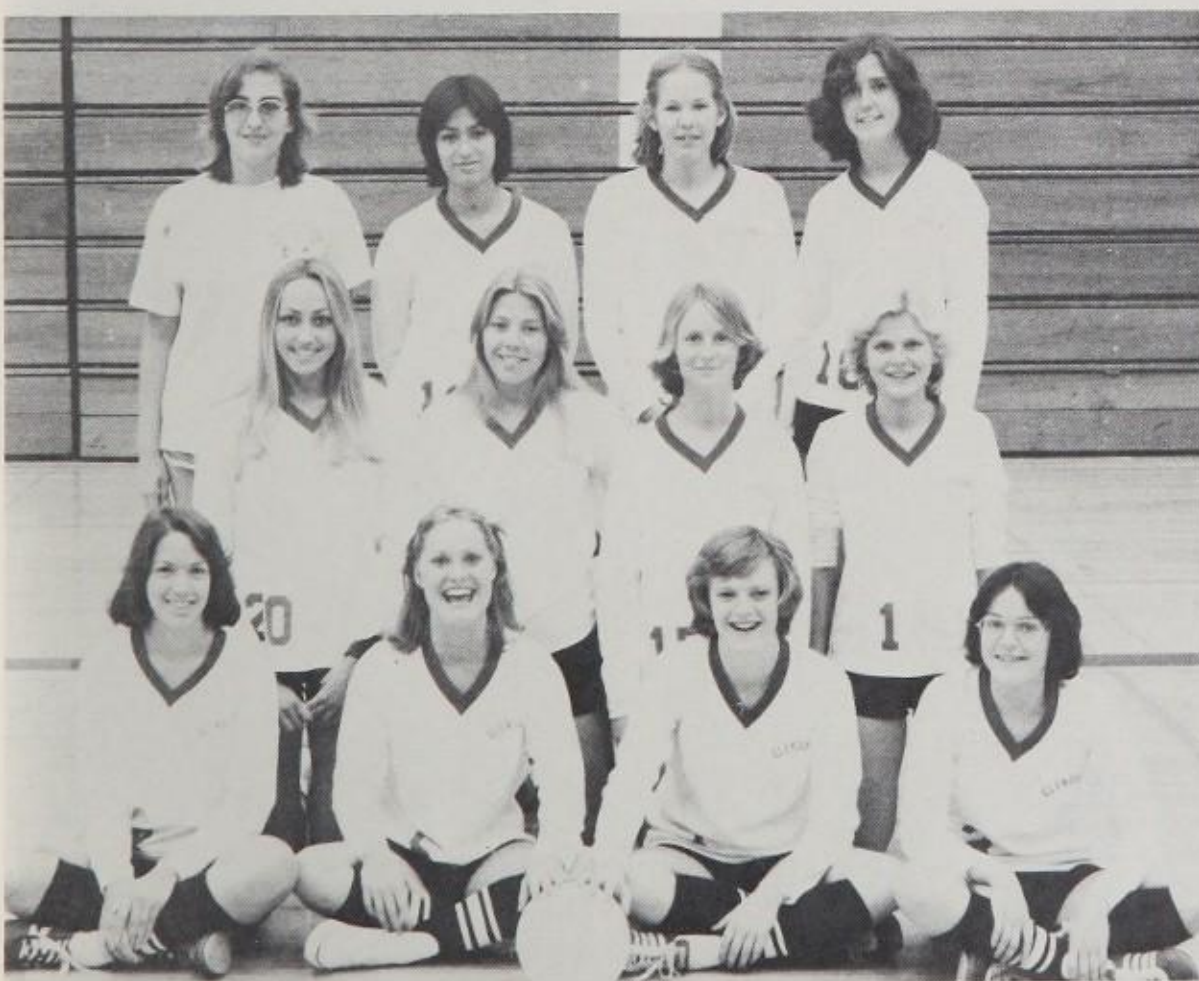

At the awards banquet two awards were given, one being the most improved player who was **Marisa Morel**, sophomore. The second award was the most inspirational player which went to **Cathy Riccio**, sophomore.

Changes Hinder Varsity Team

With the transfer of the sophomore runners to the sophomore team, the varsity cross country team lost the strength and ability to pull through a successful season.

"It was a very young team, the youngest team I've ever had," stated **Coach Dave Bedell**. The team had only one senior runner, **John Sullivan**, who had been running on the varsity team for three years. John was awarded the most valuable and inspirational runner on the team. John was also voted runner of the week two times during the season.

Running in the Sierra League, the team ended the season in fifth place with a 2-5 record.

1. Glenn Childers sprints to the end line of the Claremont meet.
2. Tony Fox paces his stamina in an Edgewood meet.
3. Dave Hogshead gives a final thrust to the finish line.

JV's Finish 5-2 in League

Members of the junior varsity cross country team felt this was an inspirational year. The team came in fifth place with a 2-5 standing.

The majority of the 11 meets were held at Mt. Sac. and many of the boys received medals.

Doug Smith was named Most Valuable player on the junior varsity cross country team.

Coach Bedell anticipates that next year's varsity team will achieve a high standing with the junior varsity team moving up in ranks.

1. Tom Brickle races for home, beating San Dimas.
2. Jim Johnson runs to complete course at Mt. Sac. meet.

Sophs Experience Great Year

Some outstanding runners emerged from the sophomore cross country team this year. **Glen Childers** and **Dave Hogshead** were the two best runners on the sophomore team. The team held the second best times in all of Southern California when the times were totaled.

The 15 runners competed in 11 meets this year and won the Azusa Invitational and were league champs at Mt. Sac. "This is the first year girls got to run separately from the boys," said **Coach Dave Bedell**.

Most of the meets were run on a 2 mile course up and down hills near Dalton Canyon.

Hogshead broke one school record this year by running the 2 mile run in 11:09. He was voted the Most Valuable player. **Bob Reagan** was named the Most Improved runner. At the cross country banquet, held at the Ponderosa restaurant, **Jim Johnson** and **Glen Childers** received varsity letters.

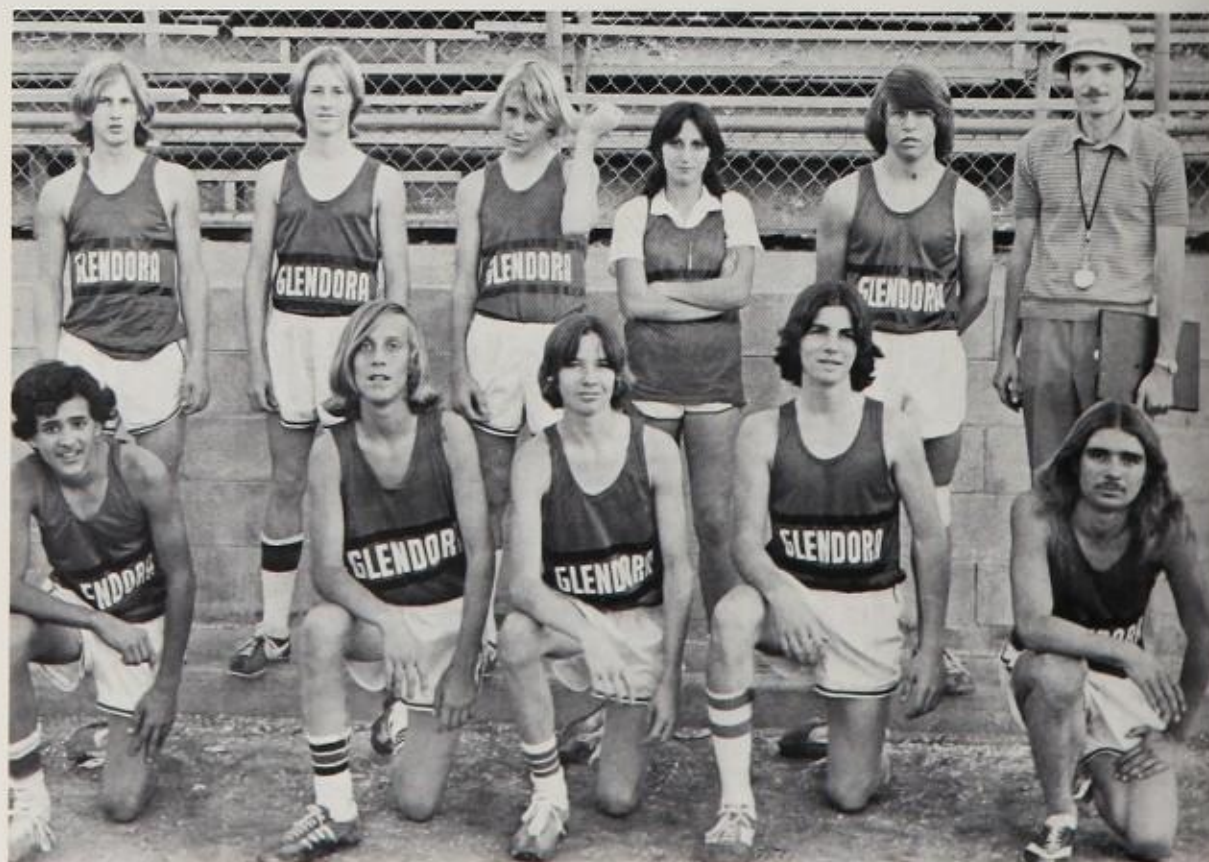

"Los Altos and La Puente were our toughest teams this year. Five sophomores entered all league finals," commented Coach Bedell.

Inexperience Handicaps Matmen

"Glendora wrestling will have a new look next year. This was a building year for us and next year Glendora Tartans should see a good wrestling team," commented **Coach Rich Woods** about the varsity team.

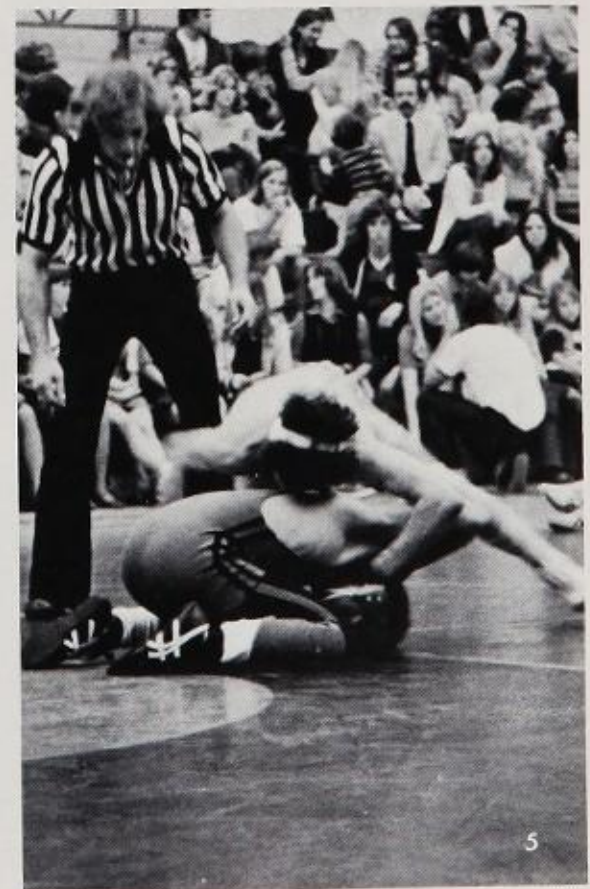

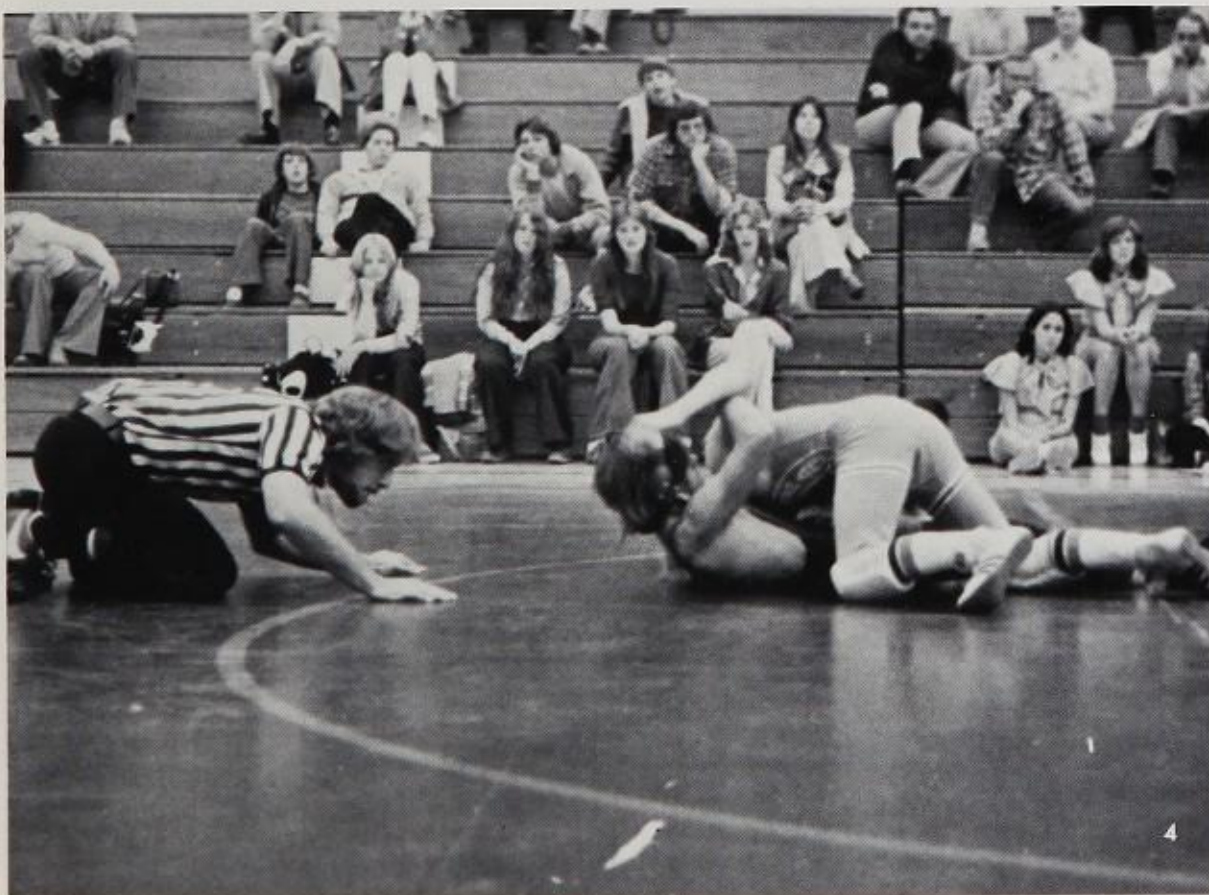

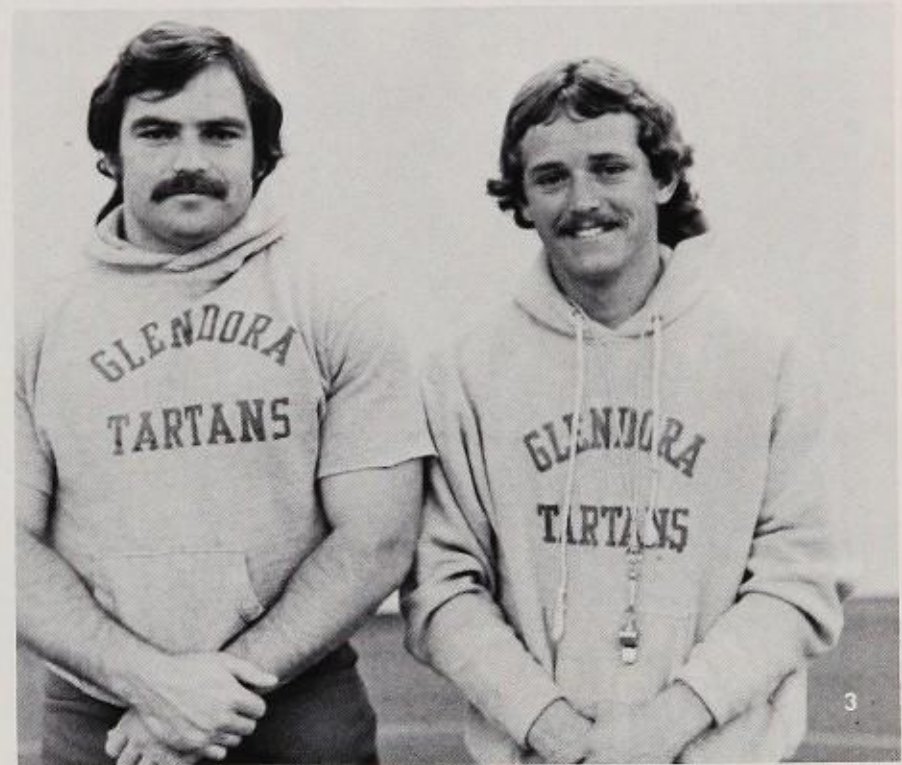

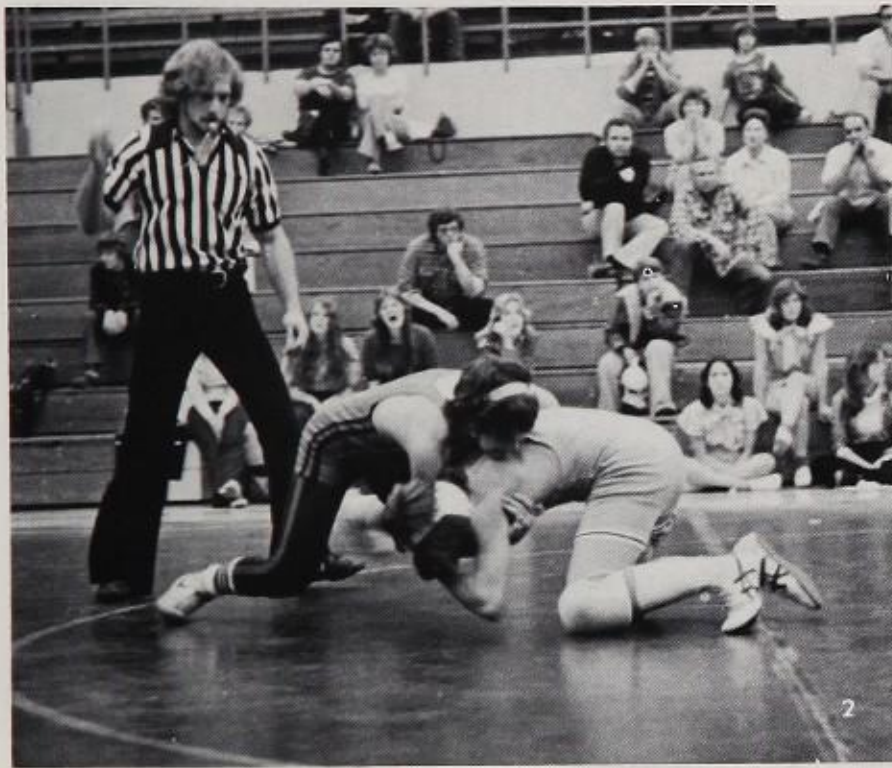

The wrestlers ended the season 2-11 in league play. The team's hardest loss came against La Puente when the Tartans were defeated 40-28. "It was a disappointing loss," commented Coach Woods.

A largely inexperienced team this year handicapped the varsity's efforts. Only two seniors and six juniors wrestled, while 26 sophomores made the team this year.

Some of the outstanding wrestlers were: **Jim Walker, Bruce Quarter, Dave Verrico, Mike Carpenter, Tadd Rickel and Kelley Algeo.**

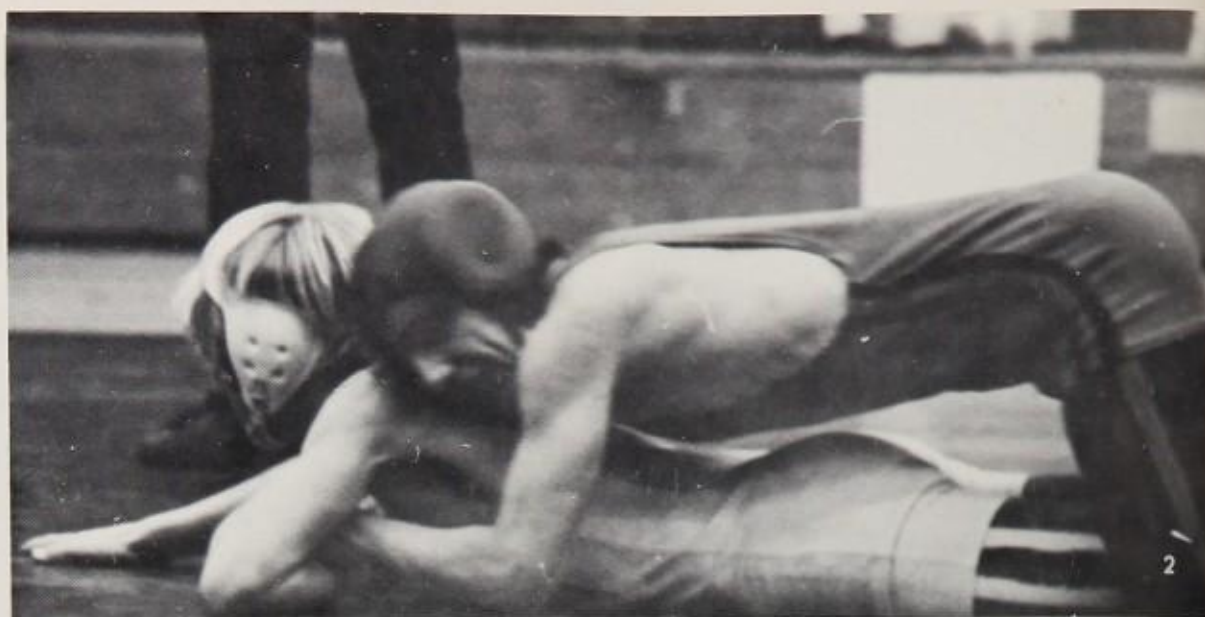

Coach Woods was assisted this year by **Mr. Scott Batie**. "He's really the guy that keeps things going. He teaches the finesse moves. I do the muscle ones," Coach Woods stated.

Hours of Practice Not Enough for JV's

Long hours of hard practice proved to be not enough to finish the season in top place for the Tartan jayvee wrestling team. The Tartans ended league play 4-1. Some 26 sophomores wrestled with the team this year and should provide experience for next year's varsity squad.

Soccer Team Enters CIF Competition

Coach **Bob Storey's** prediction for the varsity soccer team, "We're shooting for first," came true this year when the team finished in a three way tie for first place in the Sierra League along with La Puente and Wilson.

Ten varsity lettermen returned to play on the team: **Jim Marks, Jerry Haws, John Bonnet, Frank Israel, Rob Hilliard, Larry Doto, Dick Coleman, Ryan Yount, Eric Mensing and Chuck Hensel.**

"Jim Marks was probably the most outstanding player on the team," commented Storey who also stated that the rest of the team played well each game.

During preseason, Mensing, Hilliard, Doto and Marks were out, all at one time, with injuries. "It was hard to come back with all these injuries," Coach Storey said.

According to the coach, the two main men in the Tartan attack, juniors **Al MacLean** and **Dan Scarry**, enabled Glendora to score many goals.

The toughest team of the season was La Puente and Glendora's easiest victory came from Edgewood. "The Sierra League is one of the best leagues in soccer," Coach Storey stated. "We'll do well in the CIF playoffs, though," he concluded.

JV Soccer Ends Season No. 1

For the second consecutive year, the jayvee soccer team finished first in the league. Coached by **Mr. Larry Doto**, the team finished the season 5-0-3 in league play.

"They just put it together," commented Coach Doto who has been active in the Glendora Youth Soccer Program in the community. Coach Doto felt that **John Riccio**, senior, **Seth Pollman**, junior, and **Mark Scroggins**, sophomore, were outstanding players for the team, "because they were new to the program." However, he was quick to add the winning season was due to total team effort.

"We experienced a lot of things through the year but tried to keep the team together," Coach Doto said, commenting that during pre-season play, the team was without a coach. For a time the team was also without adequate equipment but through donations from Mr. Doto and the Glendora Soccer Youth Program, enough soccer equipment was found.

Illness Hampers Varsity Season

Illness played a very important factor in the outcome of the season for the varsity field hockey team, which completed a disappointing season, finishing 3-5-1 in league competition.

"Some players have missed two or more games because of illness. The absences of some players each day made it more difficult to develop a continuity," commented **Coach Pat Hardin**.

The varsity team started the season with a new offense, the 4-3-2-1-1 spread alignment. This defensive pattern proved unsuccessful because of the many illnesses and the team returned to the 5-3-2-1 standard offense and defense.

This year's team had many outstanding players according to Coach Hardin. These players included: seniors **Janae Askew** and **Jana Ferrari**, co-captains **Terri Marceron**, **Chris Gatherer**, and **Jeanette Galecron**, and juniors **Wendy Blackburn**, (1) and **Sherill Hoy**.

Coach Pat Hardin looks forward to next year's field hockey season, as there will be some promising material to be found in the juniors returning next year.

JV's Finish as League Champs

The junior varsity field hockey team, coached by **Miss Billie Oglesby**, experienced a very successful season and finished the league in first place, despite some very tough competition. Coach Oglesby commented, "There were many close scores, and many ties. The top three teams were only one point apart."

One reason for the team's successful season in the Montview League was due to a new offense, a 4-3-2-1-1 spread alignment. The four members functioned as the line and the rest had defensive responsibilities. According to Coach Oglesby, the team used a spread alignment, which is used when you have a very fast team.

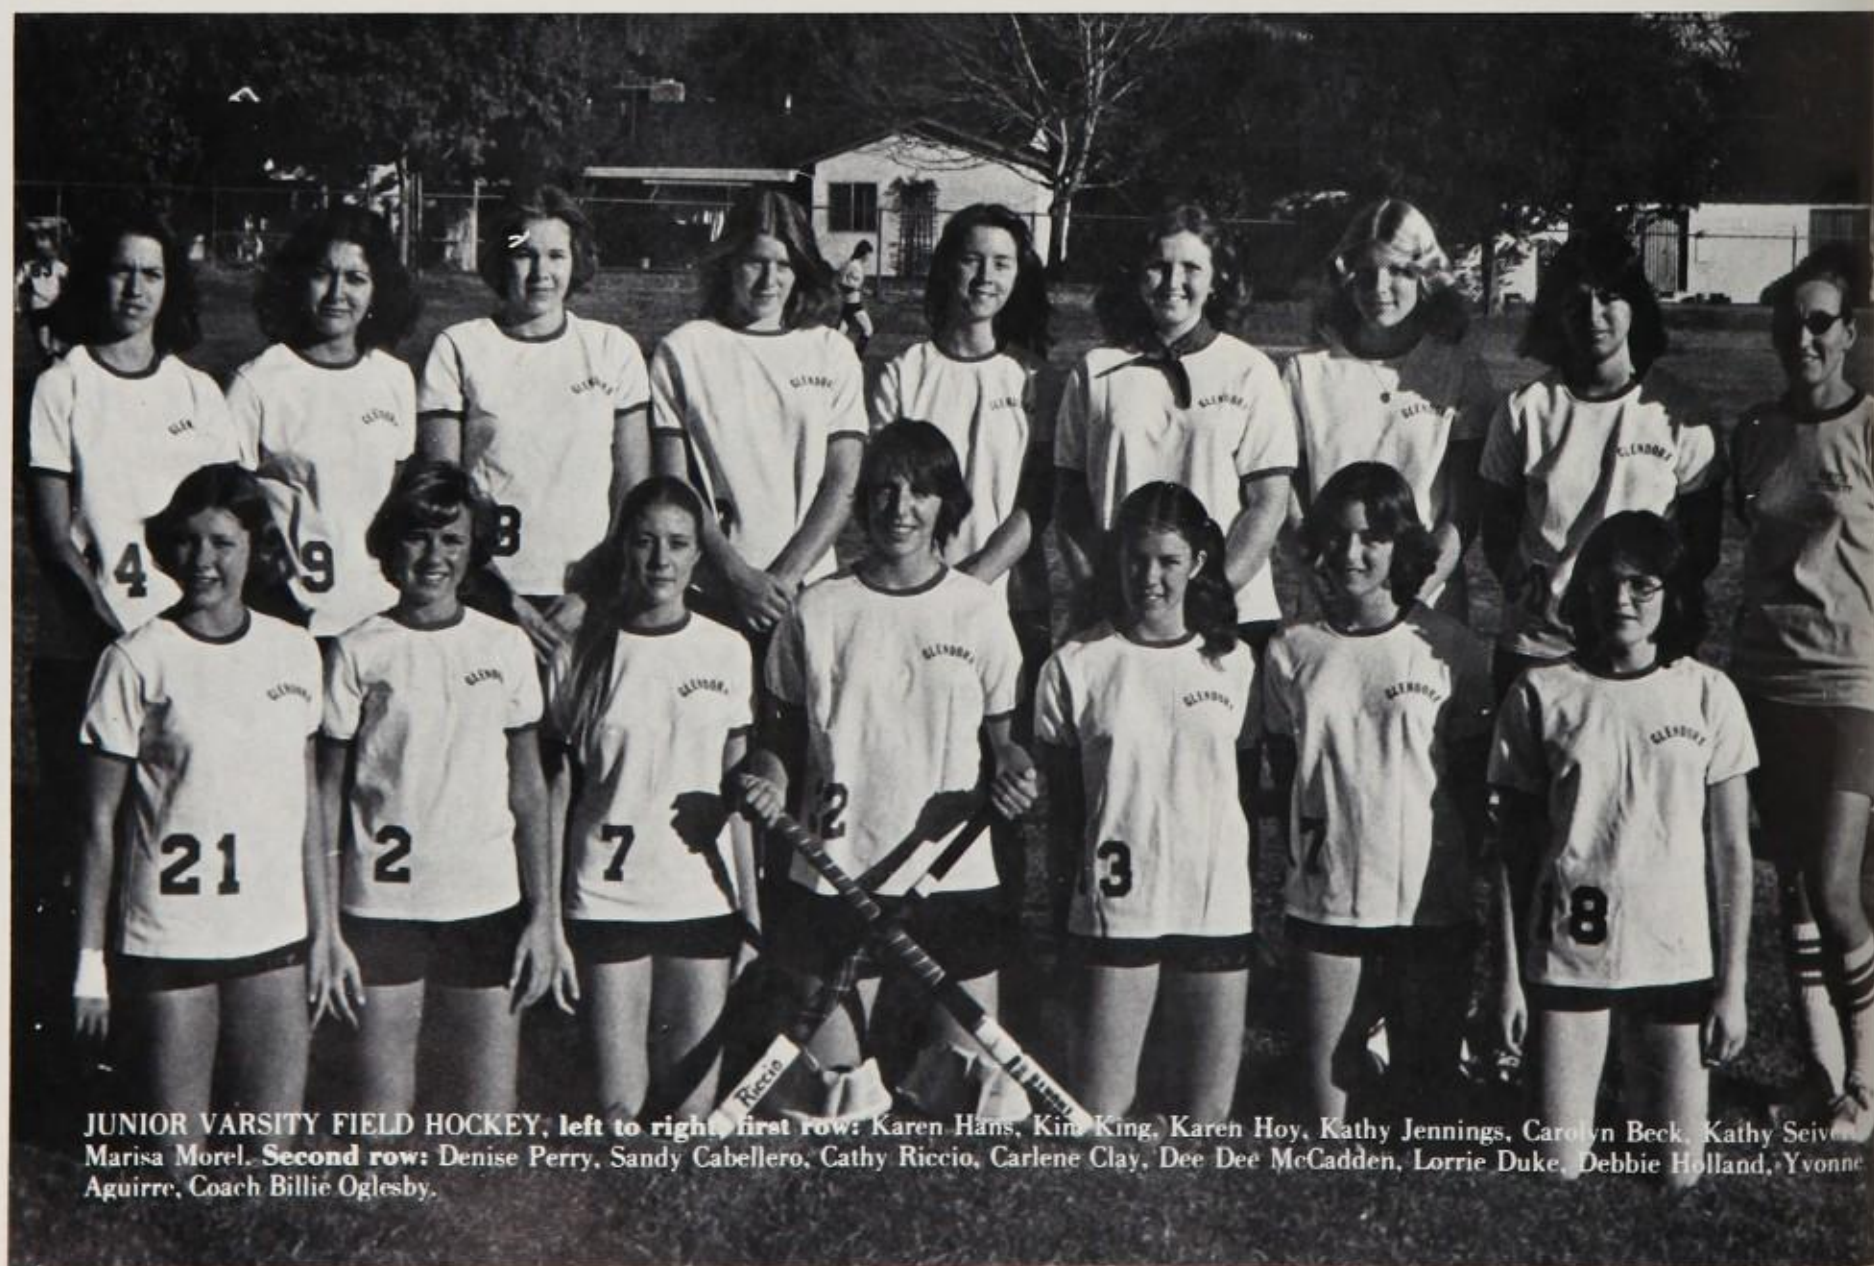

There were many outstanding players on the team this year according to Coach Oglesby: senior, **Lorrie Duke**, (1) junior, **Yvonne Aguirre** and sophomores **Kathy Seivert** and **Cathy Riccio**.

"The team improved a great deal in teamwork and communication. I'm very pleased with the improvement the girls have made. They have been fun to work with — a most enjoyable group," commented Coach Oglesby.

Varsity Endures Tough Season

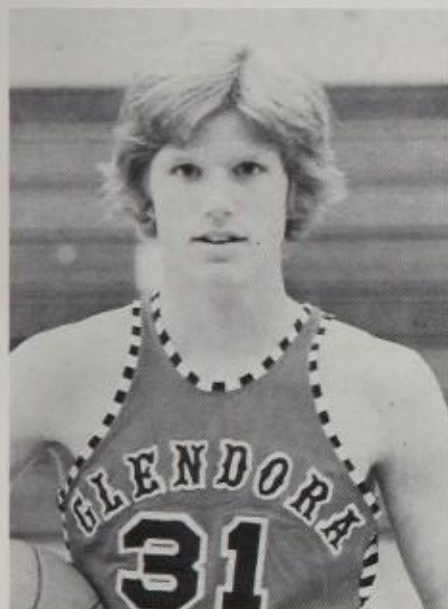

With high team morale and good attitudes, the varsity basketball team had a winning season even though the team finished league play with a losing record. The written record was not the best, but with 100 percent total team effort put into every game, the season was a success.

Under the direction of **Coach Ralph Chalifoux**, the team used two new strategies, the shuffle offense and the 1-2-2 zone defense.

Glendora's main disadvantage was height. The Tartans only had two returning lettermen. Many other teams in the league had returning lettermen as well as over-all height. Because of injuries, Glendora was unable to start the same five players every game.

Jim DeViney was the most valuable player as an outstanding shooter and rebounder. **Bob Bonds**, **Jeff Salter**, **Dave Miller**, **Kent Wollam** and **Kevin Sampson** were all outstanding offensive players as was **Darrel Hamlow** on defense.

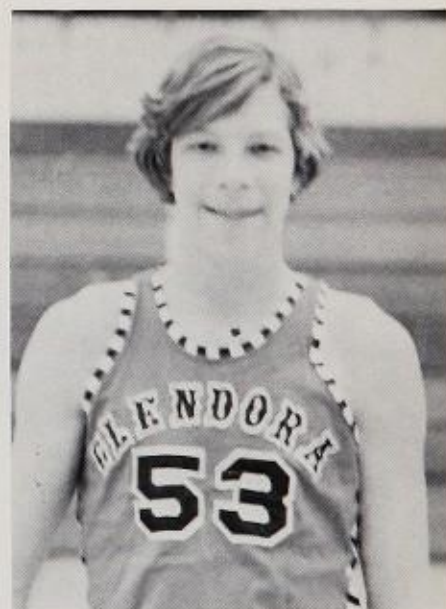

This year's basketball program had its biggest turnout as 33 players were on the sophomore team, 22 on the jayvee, and 16 on the varsity.

Six Points Hurt JV's

"We had a better record than indicated," commented **Mr. Robert Barnum**, junior varsity basketball coach. The jayvee basketball team, composed of eight juniors and seven sophomores, finished the season with a league record of 5-9. Four of the league games were lost with a total of six points. The Tartans lost to Covina by one and two points, West Covina by two points, and Edgewood by one.

The team was under the direction of Coach Barnum and assisted by **John Confair**, half of the season. The team followed the "shuffle offense" and the zone defense.

Adding a lot of strength to this year's team was **Kevin Ledbetter**, **Jim Spriggs**, and **Eddie Hupp** offensively while **Mike Daly**, **Richard Morrison**, and **John Tamburello** were strong defensively.

1. Kevin Ledbetter, junior was an outstanding player both offensively and defensively. He was the highest scorer for the Tartans averaging 12 points a game.
2. Sophomore Eddie Hupp, was a top offensive player, making an important layup in a close Los Altos game.
3. Sophomore John Vanover takes advantage of a fast break, as he makes a layup to tie the game.

Soph's End Season in Second Place

The sophomore basketball team, under the direction of **Mr. Joe Keenly**, finished the season with a 9-5 record and second place in the Sierra League.

Coach Keenly, a math teacher at Sandburg Junior High School, enjoyed his first year of coaching at GHS. "It was a new challenge and I enjoyed it a lot," commented the coach. Mr. Keenly hopes to continue to coach the sophomore team in future years.

The Tartans, with a large squad, used the strategy of wearing down their opponents by using the full court press. Offensively, the team was led by **Duke Smith** and **Bruce Birt** while defensively, **Jim Johnson**, **John McCadden** and **Russ Pollman** led the team.

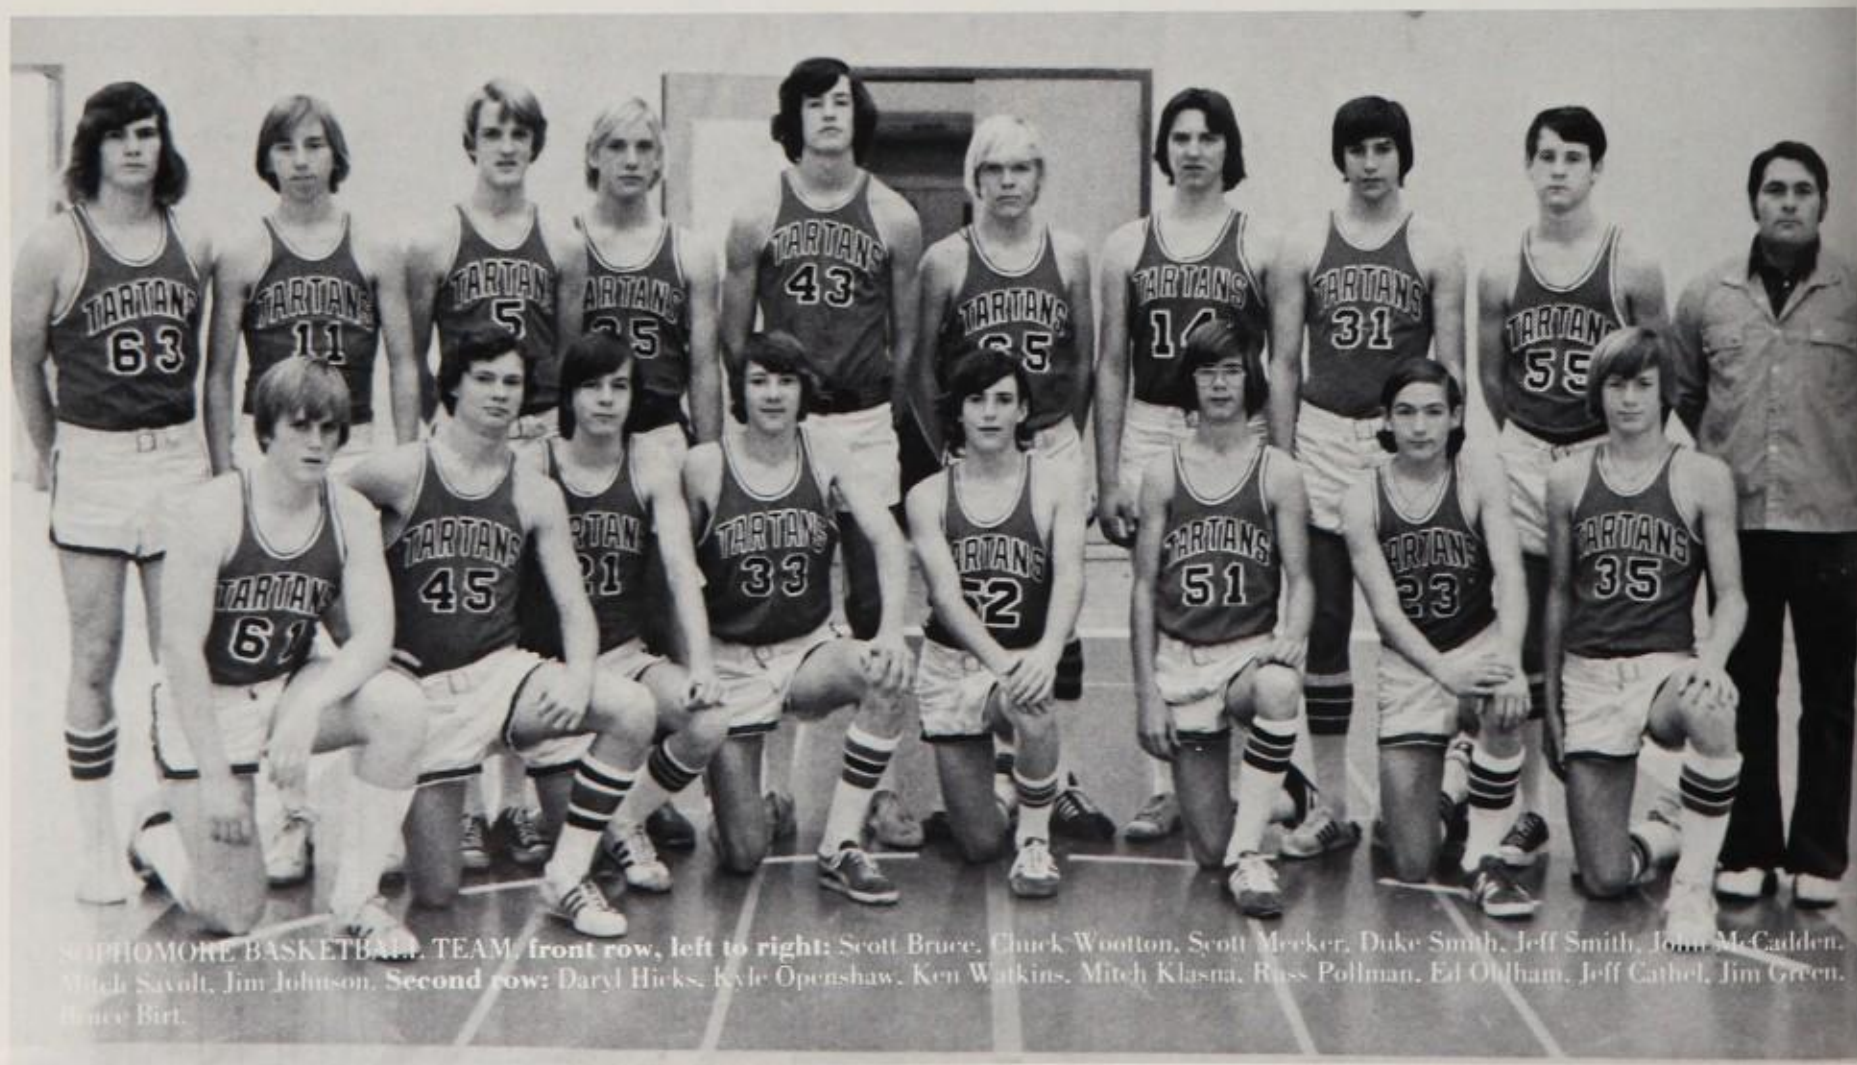

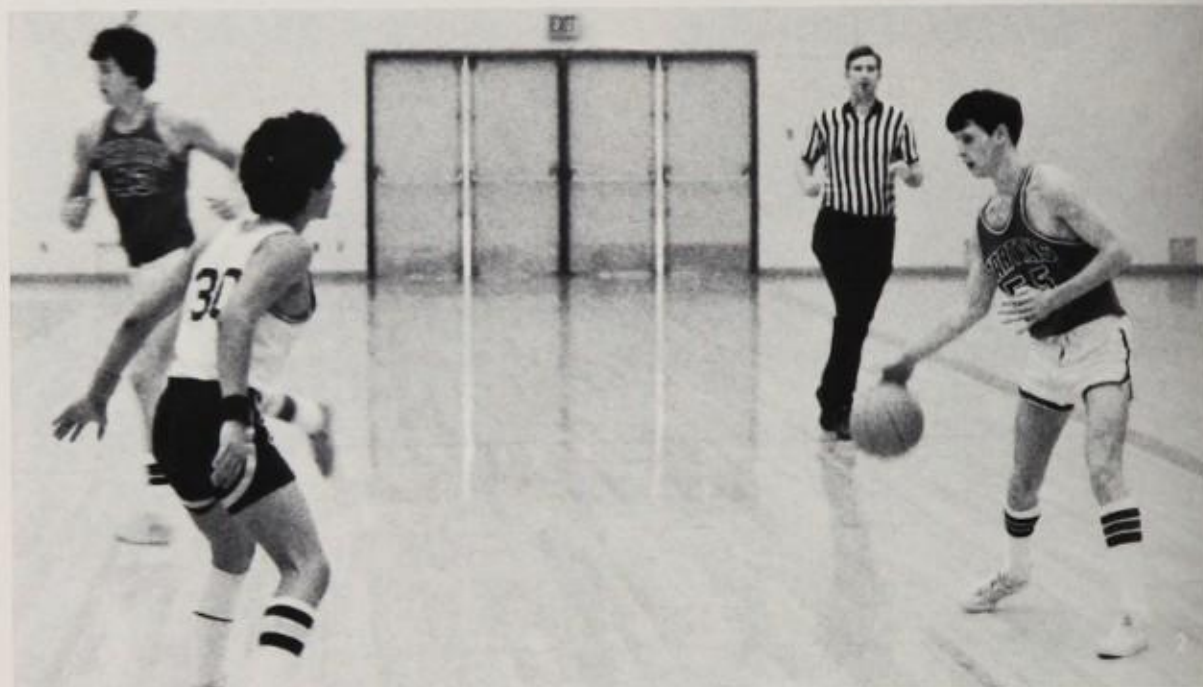

The Most Valuable Player was team captain Duke Smith who was an all-around player both offensively and defensively and was the team's leading scorer.

1. Glendora misses the jump ball, but goes on to defeat Wilson.
2. Bruce Birt, gets ready to set up the next play for the Tartans.

Close Games Hurt Varsity

"All of the losses we experienced, except Los Altos, we felt were really close games," stated **Miss Billie Oglesby**, girls' varsity basketball coach. The team finished fifth with a 3-5 league record and 9-7 overall during one season.

The team of juniors and seniors had five out of ten returning players. However, in the season two players, **Joni Lopez** and **Lorrie Duke** were hampered by injuries.

The Tartans maneuvered a 1-4 zone offense and a zone defense. A new play used was the 1-2-2 trapping press which helped Glendora gain more interceptions from opponents.

Sue Teeple averaged 12 points a game with 22 rebounds. Sue was most valuable player and named to the second All League team. (1)

Co-captains **Kelly Byrne** and **Chris Gatherer** both averaged 10 points a game and received Honorable Mentions.

This year everyone contributed their ability and had a high scoring season averaging 35 points a game.

JV's Win By Experience

"We had an excellent season, both in victories and experiences," stated **Miss Doreen Ramsey**, girls' junior varsity basketball coach. "The team had lots of fun."

Led by co-captains **Helen Raley** and **Cathy Riccio**, Glendora had a 14-3 overall season record and a 5-2 league record which placed the Tartans in second place.

Glendora, had a young team but many strong points. "We had excellent shooters, but rebounding was also a strength," commented Coach Ramsey. Using the 1-4 offense the Tartans were able to make use of outside shots. The zone and man to man took advantage of opponents by confusing them in defense.

Helen Raley, senior, was an outstanding offensive player scoring 126 points in the season. **Wendy Blackburn**, junior, took hold defensively with 133 rebounds. **Teri Jones**, sophomore, was an excellent defensive player who took advantage of teams with steals as in the Wilson game (1). **Cathy Riccio**, sophomore, was an asset to the team in rebounding and shooting (2).

Pool Problems Cause Swimmers to Lose Precious Practice Time

Glendora High School swimmers got off to a miserable start this year due to a break down in the pool filter system. The system, which was not fixed for almost two weeks, caused the Tartans to lose precious practice time since the pool had to be emptied and another pool was not available. Even so, the GHS swimming team managed to put in three and a half hours of daily swimming practice when the pool was in working order.

Playing against other Sierra League teams, the Tartans had the strongest win against Covina, a good team. Their toughest opponent was San Marino, the CIF champion last year in varsity and

frosh-soph. Before the swimming finals, Head Coach **Kane Waggoner** said of San Marino, "They should repeat their victory this year, too. They have a very fine team."

Outstanding varsity swimmers this year were **Bill O'Brien**, **Mike Lucero**, **John Donaldson**, seniors; **Rich Frank** and **Brian Merrigan**, Juniors. There were no girl swimmers this year, due to the CIF ruling that girls could not participate in guy's varsity teams if there is a varsity girls' team in the same sport.

Daily Practice Not Enough for Soph Team

As with the varsity swimming team, the Tartan sophomore team lost a great deal of precious practice time, due to the breakdown in the pool system. This accounted for the team not achieving as well as expected.

GHS sophomore swimmers managed to put in three and a half hours of intense practice daily. This helped them, as well as the varsity swimmers, to finish fourth in the Sierra League Championship. Outstanding sophomore swimmers were **Brian Hampton** and **Rob Morris**.

To sum up the swimming season at GHS, Head Coach **Kane Waggoner** stated, "We had excellent drops in times. All the boys gave tremendous swims. They all did excellently."

1. Sophomore swimmers dive for a first place start in a meet against Los Altos.
2. Swimmers pause between races for nutrition. The booster members provided refreshments for the team this year at home meets.

Varsity Tennis Team Grows in Strength

Lea Antonoplis is the only girl on this year's team.

This was a year for tennis at Glendora High, and the **varsity team** is good proof of it. Having smashed traditional heavyweight Sierra League's South Hills, Glendora went on to lose only one match to Los Altos. Very proud of this fact, Coach **John Saunders** boasts that this is the best team Glendora has had in the last three or four years.

"We have a great team this year," stated Mr. Saunders. "We're well balanced and we have good depth. Neither the singles or doubles carries the other. Each does a part to help make the winning team we have."

Aiding Mr. Saunders in coaching this year was **Jamie Barragan**, a former Davis Cup winner from Mexico, and **Scott Nagel**, the JV coach.

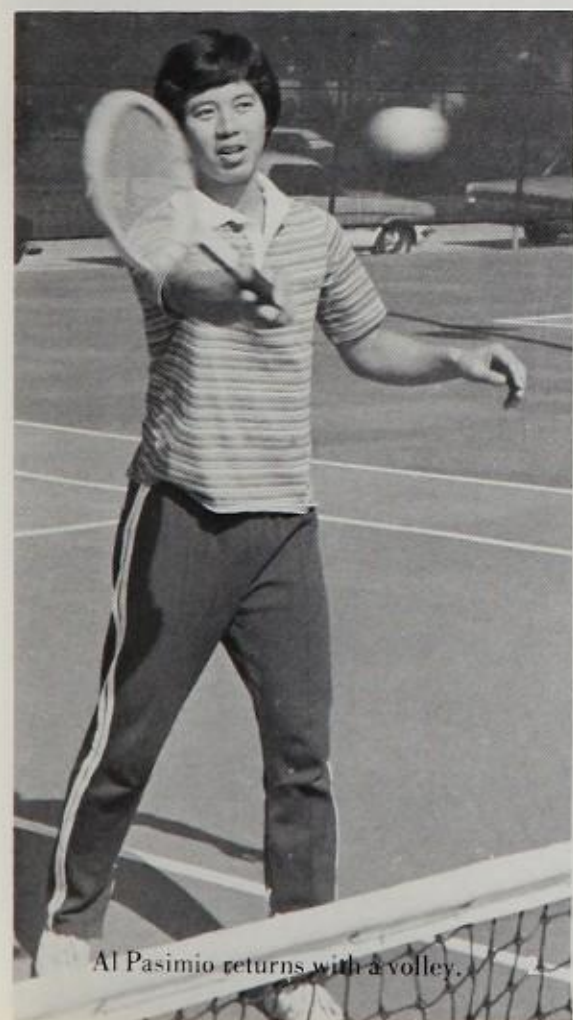

CIF rules this year stated that no girls could play on the varsity team providing that a separate team was offered to them. However, **Lea Antonoplis**, the only girl on this year's team was allowed to play because she started before the rule was adopted. This is Lea's third year in high school tennis.

Not many people understand how a tennis match is played. There are eight varsity players who play in a match. They make up two double teams and four singles. When the team has a match each of the four singles play the other team's singles. This makes a total of 16 games with one point for each win. The two doubles teams then play the opponent. There is a total of 12 points for those four games. You need at least 14½ points to win a match. This is called a round robin.

Because the team has consistently grown in strength in the last few years there's a high hope that next year's team can go all the way to the CIF play-offs.

JV Tennis Team Has "Will to Win"

With a will to win and a team that just wouldn't quit, this year's **junior varsity tennis team** smashed all opponents in league play and came out with a first place. Coached by **Mr. Scott Nagel** the JV's started this impressive season with nine returning players.

"We were lucky this year because all twelve players were able to play at one time or another," exclaimed Mr. Nagel. "They are all good players."

Like the varsity team, the JV's singles and doubles teams are equal in strength. Some of the players strong are **J. F. Bonavich** who plays singles and **Jim Wilson** and **Greg Vansil**, both of whom play doubles. All three are varsity subs.

The JV's got support this year from both parents and the varsity team. They would, however, like more support from the student body.

They practice every day after school from 2:30 to 5:30 p.m. during the season. "We hung together through a lot of close matches," said **Tim Brooks**. "The quality of our team really surprised a lot of people."

Golf Team Experiences 16-1 Season

The varsity golf team experienced an outstanding season and boasts of only one loss during the entire year, when they suffered a split victory against South Hills. The Tartans won the match against the Huskies at the Glendora Country Club, but lost the second match played at the South Hills Country Club.

The team, coached by **Mr. Al Thompson**, was led by **Don Du Bois**, a senior and defending CIF champion. Other outstanding players included **Randy Drake**, **Mark Pailthorpe**, and **Brent Cashion**, all seniors.

The team shot a 187 against Los Altos at the country club. This was the lowest score ever shot at the club by a high school team.

The jayvees also experienced a good season. Led by **Kyle Kohler**, **Jon Acosta**, both seniors and **Jeff Salter**, junior, the team only lost two matches.

Dedication Helps Varsity Baseball Team

The Edgewood Trojans stopped the Glendora baseball team's efforts for first place in the Sierra League. The 11-8 Trojan victory put the Tartans in second place with a commendable 7-2 league record.

Coach Clint Harwick felt that dedication and experience helped the team this year. "This was the best group of boys I've seen in the last ten years I've been coaching," commented Harwick. Seven returning lettermen included **John Adams**, **Ken Eriksen**, **Mark Herringshaw**, **Steve Hunt**, **Dave**

Kirby, **Ken Ouellette** and **Scott Pederson**.

Glendora's outstanding players this year included Pederson who provided consistent hitting and holds the highest batting average record with a .520 mark.

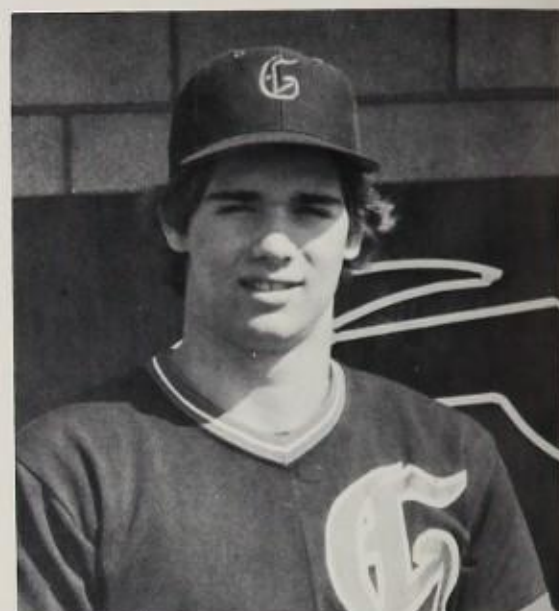

Eriksen entered second round play with a 7-1 record and averaged 7 strike outs per game. Junior **Dan Reedy** led the team with ten stolen bases and four league games still to be played.

JV's Enjoy Good Year

Coached by **Mr. Bob Greene**, the junior varsity baseball squad enjoyed a good year. The team held a first place position in late April with a league record of 6-2.

The toughest opponents the team faced were West Covina and Edgewood.

Excellent pitching was delivered by **Brad Sago** who struck

out 10 batters during the La Puente game.

According to Coach Green, **Jeff Janes** and **Phil Ouellette** were the team's best batters while **Dan Kennedy** and **Mike Toigo** were the best runners.

Soph's Hustle To Stay In 1st Place

"This was one of the most talented sophomore teams," stated **Mr. Bill Graves**, sophomore baseball coach.

The sophomore baseball team, as of late April, was in first place with a 9-2 league record. "We're keeping the winning tradition going," commented Coach Graves, Glendora still had to play, West Covina, one of their toughest opponents.

Glendora had outstanding players both offensively and defensively. Pitching was a strong unit of the team. **Curt Riggins, Duke Smith, Dave Rowe**, and **Chuck Wooton** were all valuable to the pitching staff. Riggins was 5-0 as of late April with a earned run average below 2. He also pitched a game in 58 minutes.

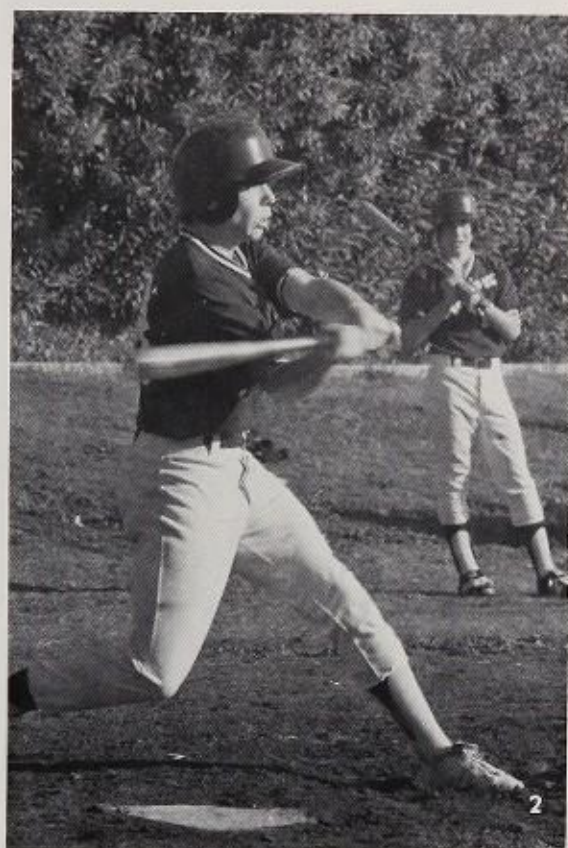

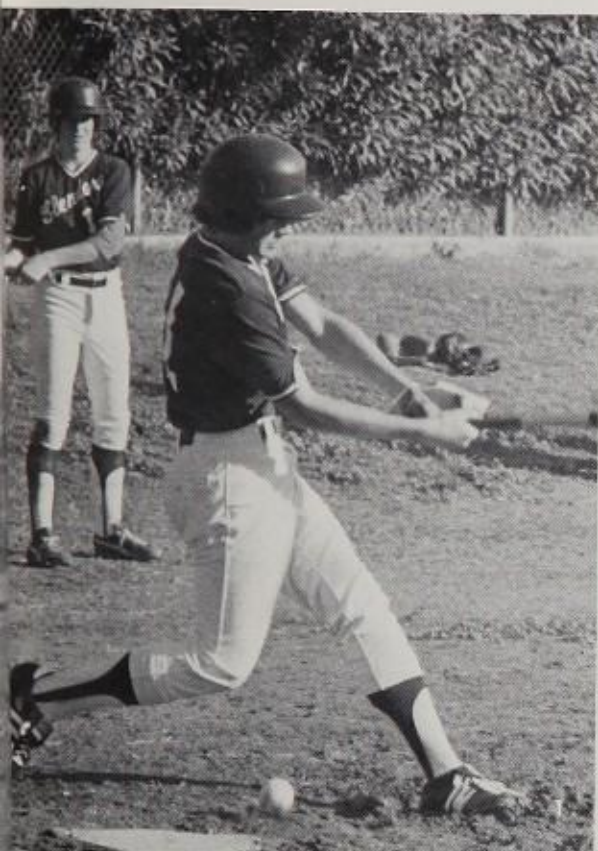

Defensively the team was led by outfielders **Ron Vieth**,

and **Mike Sapp** and infielders **Eric Baker** and **John Vanover**.

Strong batting was fulfilled by **Ron Vieth, Duke Smith, Chris Abrahamson** and **Eric Baker**. **Ron Vieth** was one of the more powerful batters on the team hitting two home runs in one game.

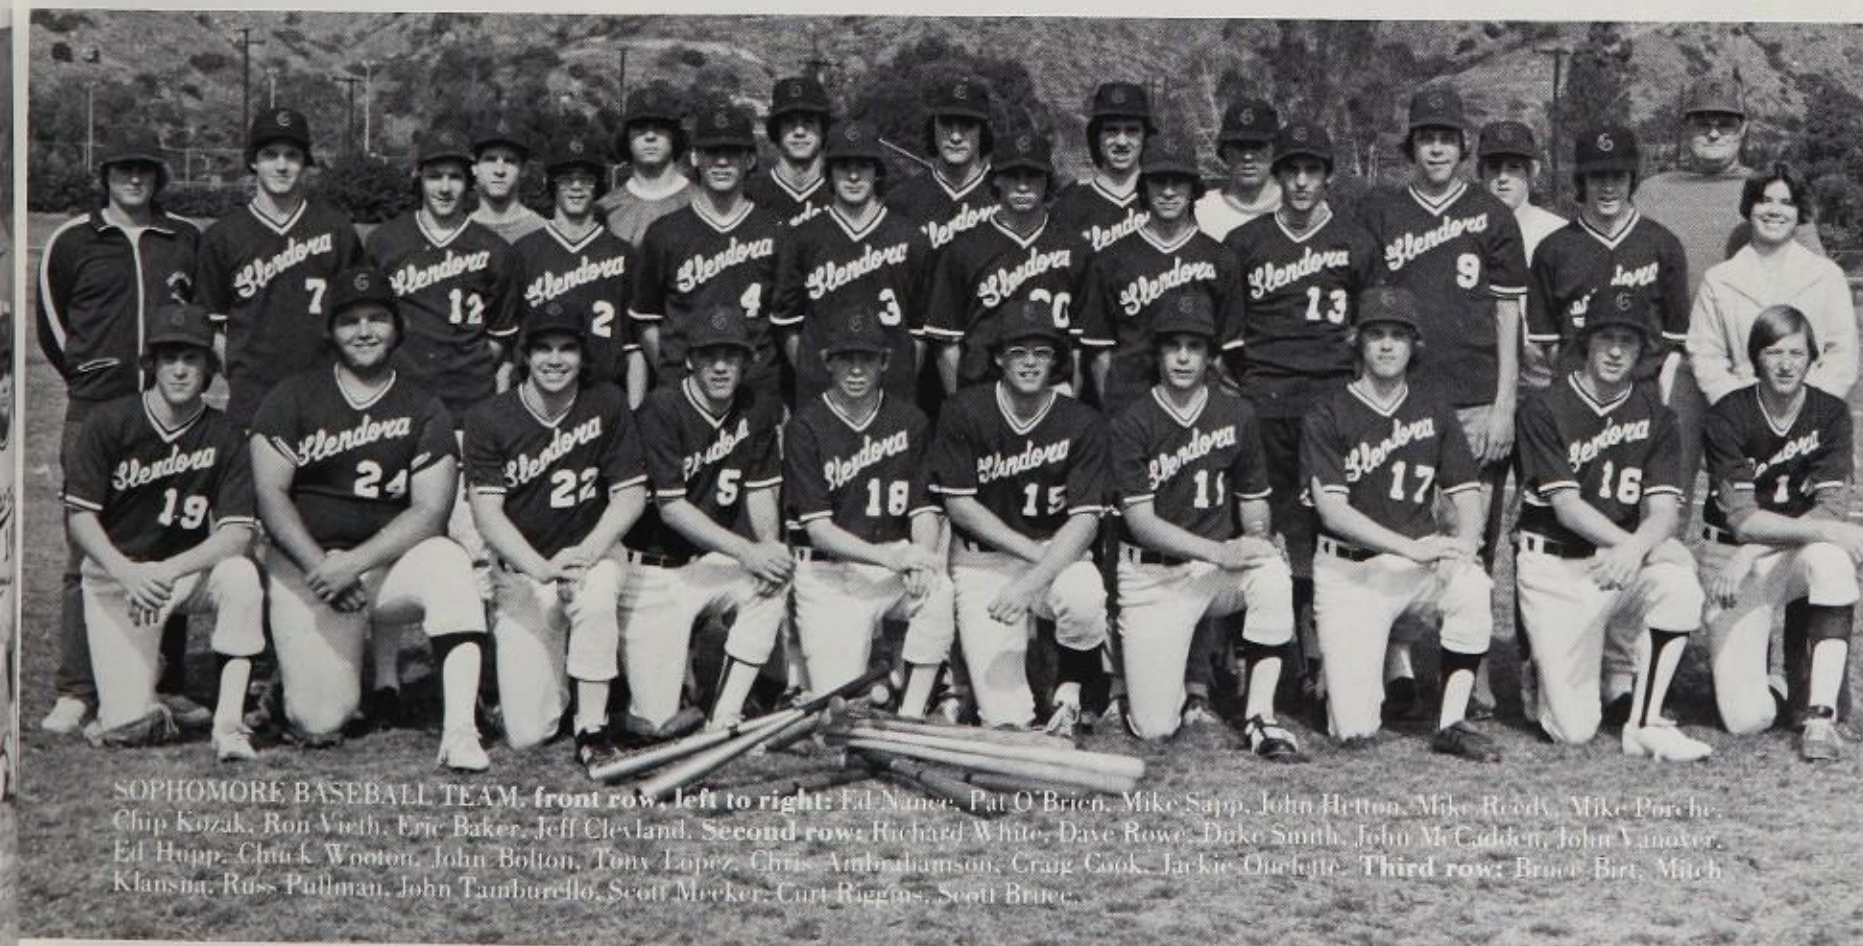

Besides having a well-balanced hitting squad, the Tartans, were also a team of speed. **Mike Reedy, Ron Vieth** and **Mike Sapp** led the ball club in steals.

1. Ed Nance gets ready to hit a curve ball to outfield.
2. Chip Kozak makes the first strike in a game against Royal Oak.

Tartan Athletes Honored In Hall Of Fame

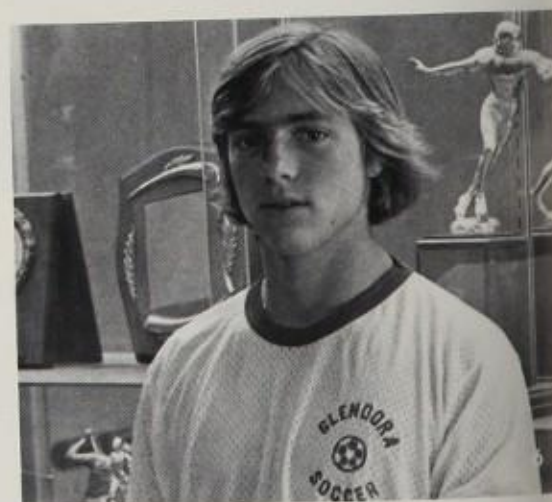

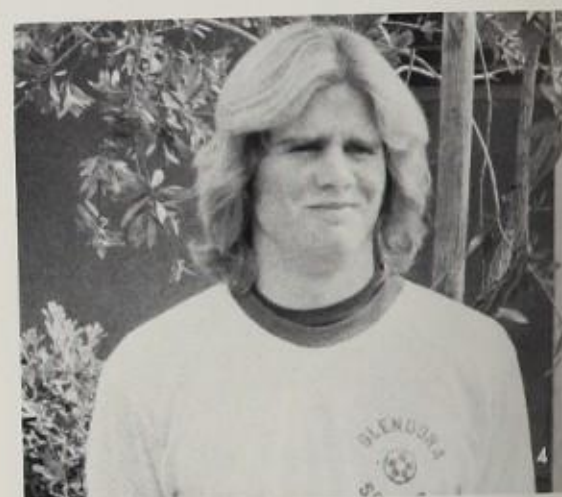

The **Bellendaine** dedicates this page to players who exhibited outstanding athletic ability this year.

Many players during 1976-77 were awarded ALL LEAGUE recognition. Three Glendora football players received outstanding recognition. They are: **John Adams**, (1) no. 55, ALL LEAGUE SIERRA CENTER FIRST TEAM; **Dave Kirby**, (2) no. 18, ALL-SAN GABRIEL VALLEY (**L.A. Times**) FIRST TEAM RECEIVER, ALL-SAN GABRIEL VALLEY (**Tribune**) FIRST TEAM RECEIVER, ALL SIERRA LEAGUE FIRST TEAM RECEIVER; **Scott Pederson**, (3), no. 16, ALL-SAN GABRIEL VALLEY (**Tribune**) FIRST TEAM DEFENSIVE BACK, ALL SIERRA LEAGUE FIRST TEAM DEFENSIVE BACK.

Glendora girls also showed talent in various sports. Seniors **Jana Ferrari**, (7), FULLBACK and **Janae Askew**, (8), FORWARD, were selected for the FIRST ALL LEAGUE FIELD HOCKEY TEAM in the MONTVIEW LEAGUE.

Outstanding ability was shown this year when the soccer team qualified for CIF competition. The Tartans won their first game against Culver City, 3-0. In the second match against Bell Gardens the Tartans went into two overtime periods but could not beat the Lancers. Tartan soccer team members to achieve ALL LEAGUE AWARDS are: seniors **Jim Marks**, (6) FULLBACK; **Jerry Haws**, (5), HALFBACK; and junior **Rob Hillard**, (4), LEFT WING.

The **Bellendaine** wishes to congratulate these athletes for their noteworthy achievements.

GAL Provides Activities for Fun, Growth

"This year has been filled with opportunities for growth, incorporating happiness, fun, enthusiasm and friendship which forms a meaningful comraderie," stated **Jana Ferrari**, president of **Girls Athletic League**.

GAL sponsored many activities throughout the year the first being the bake sale held in September to help raise money for the Homecoming dance.

"If Only You Believe," was the theme of the Homecoming Dance which was GAL's big activity of the year. The dance was a success and approximately \$350 was made. The well known Whizz Kids provided music for the evening.

GAL was involved in a new activity as members sold refreshments during all home wrestling meets and basketball games.

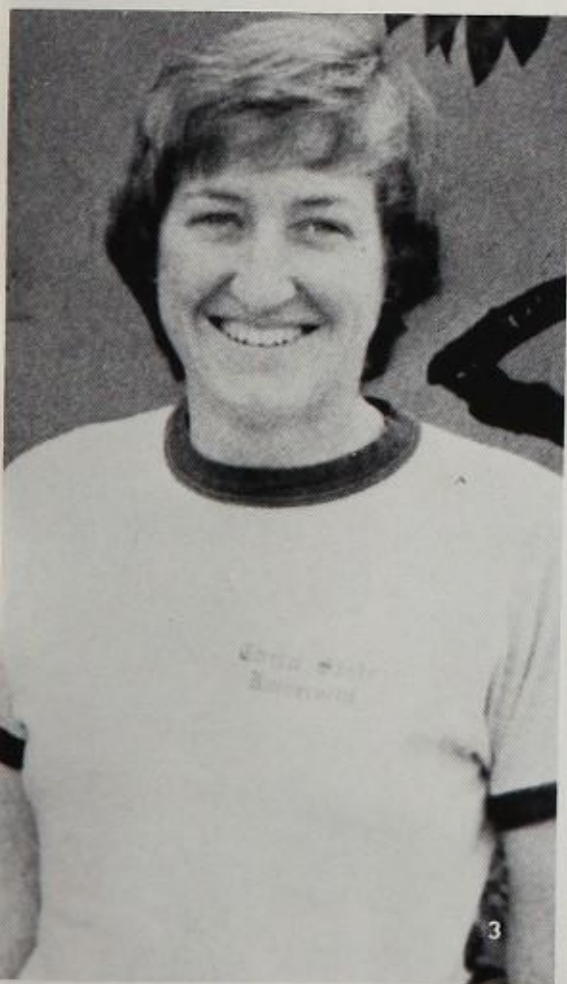

The club also planned to attend professional hockey, basketball and baseball games.

Secret Pals were a popular activity in many of the sports as each girl gave gifts to another teammate and divulged herself at the end of the sport.

The club also had four banquets during the year to honor girls for their athletic abilities in the seasonal sports.

The year's last activity was giving out dictionaries and awards to seniors at the senior awards breakfast in June.

1. GAL entered the robot float in the Homecoming Parade.
2. Yvonne Aquirre receives an award at the Field Hockey banquet.
3. Miss Billie Oglesby put in a lot of time as advisor of GAL.

P.S. I hope you have fun next year - whatever you do.

CLUBS & ORGANIZATIONS

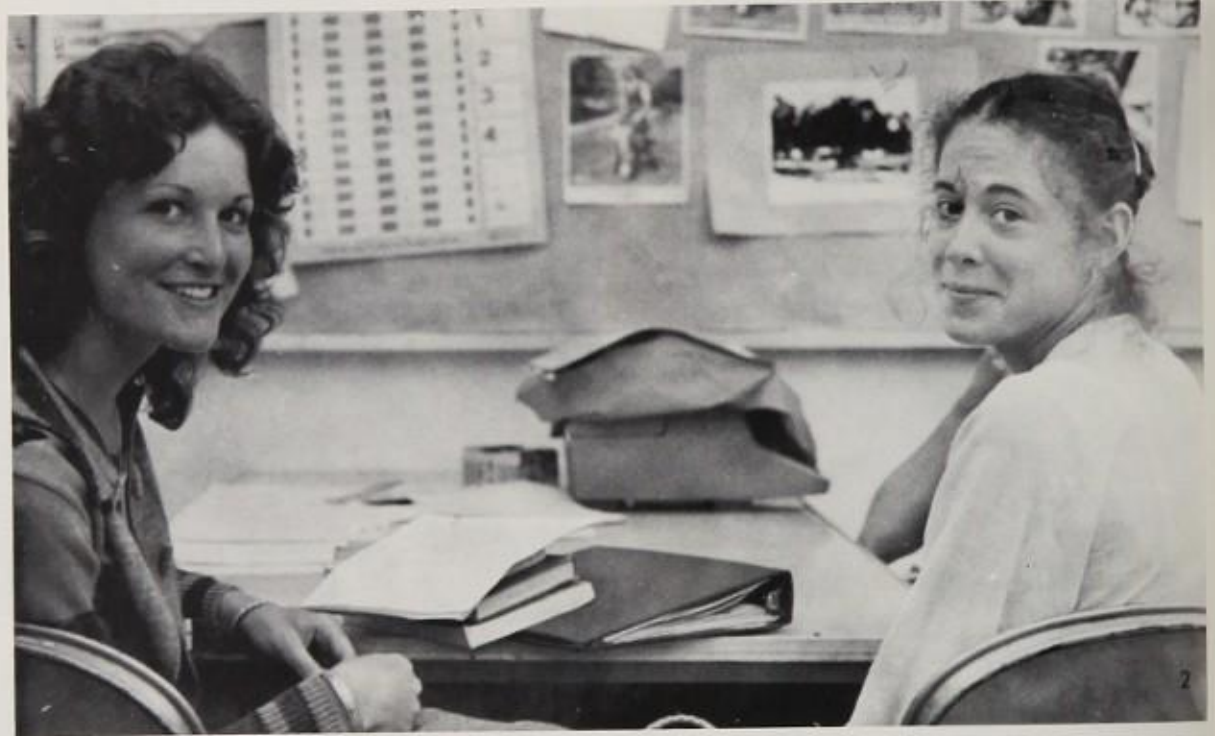

AFS Entertains Foreign Students

The **American Field Service** is a widespread organization and its purpose is to bring people of different backgrounds and cultures together to learn more about one another. The organization arranges for families to sponsor a foreign student in their home. The group also raises money for GHS students to travel to a foreign country. **Suzanna Georgiou**, from Cyprus, **Maria Placencia**, from Ecuador, and **Mikko Talsi** attended GHS this year as part of the foreign exchange student program. **Sue Stewart** and **Lisa Martin**, seniors, were chosen as Glendora's AFS students (2). They spent the summer

traveling in Switzerland and Australia.

Senior President **Kim Lawhon** commented, "It's very exciting getting to know students from a foreign country. It's amazing to find such a combination of similarities and differences between their life styles and our own."

Officers of the club were: Presidents, **Kim Lawhon** and **Gail Papish**, vice president was **Charlene Underhill**, **Terry Moore** was the secretary and **Lisa Martin** was the treasurer. The advisors were **Mrs. Jeannie Oakes** (1) and **Mrs. Mary Takach**.

House, IOC Coordinate Activities

The **Inter-Organizations Council (IOC)** is comprised of the vice presidents of all the clubs on campus who work together to organize the clubs so there are no conflicts.

They also help to coordinate the activities on campus such as Homecoming Week.

The **House of Representatives** met twice a month to discuss problems and complaints from Tartans concerning the campus.

Each member of the House of Representatives was assigned three classrooms to represent and to relay to each room information about what was on campus and to get any suggestions about the campus.

Marty Montgomery, senior, was elected by the House as president and **Eric Mensing**, also a senior, and the ASB vice

president, acted as vice president and presided over the meetings with the president. **Karen Peters**, junior was elected secretary of the house.

The house sponsored "Operation ID" and a Glendora Policeman who came on campus to identify any valuables students wanted to prevent from theft.

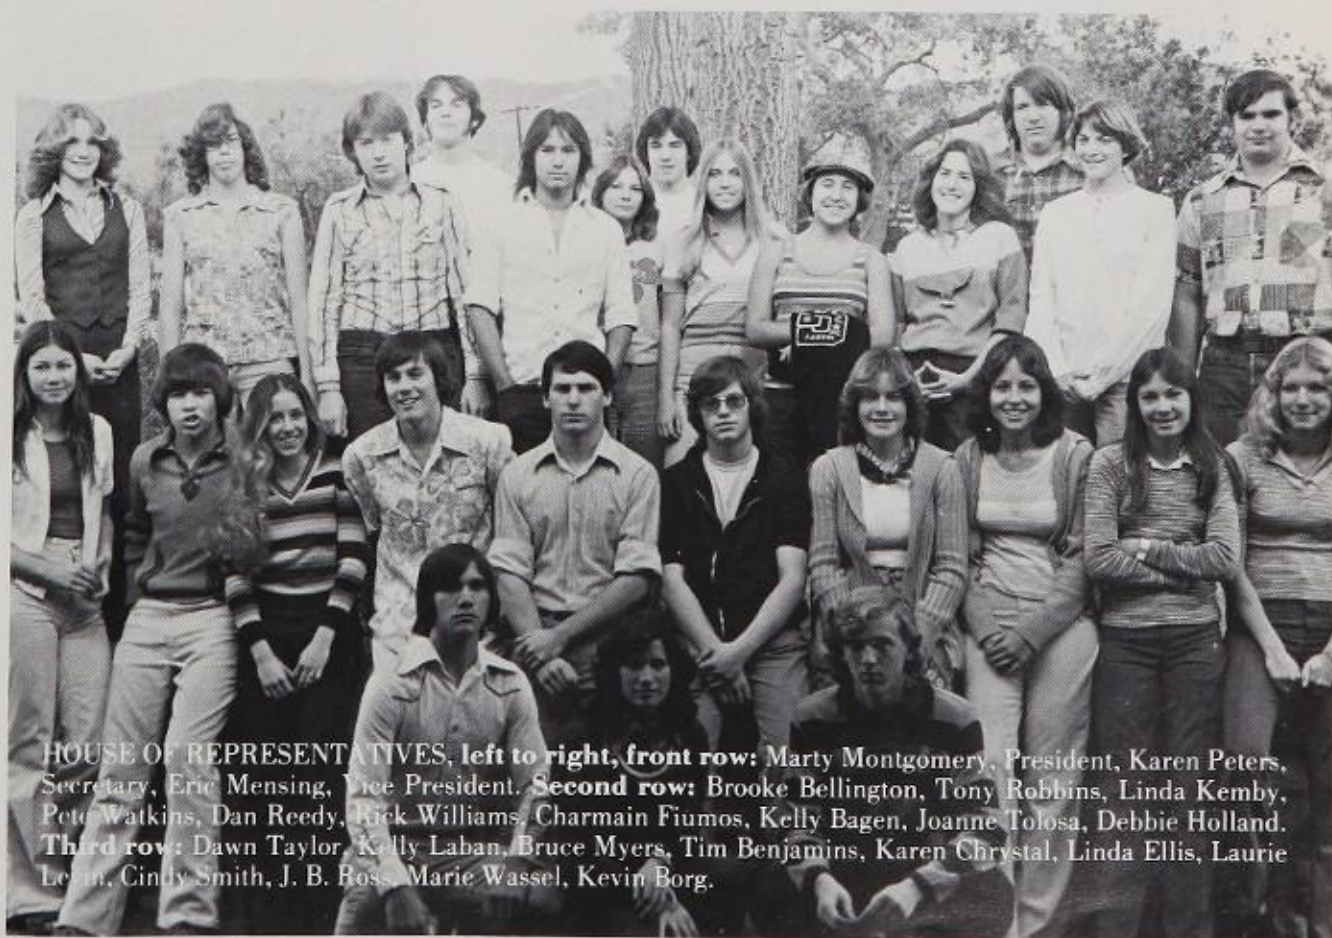

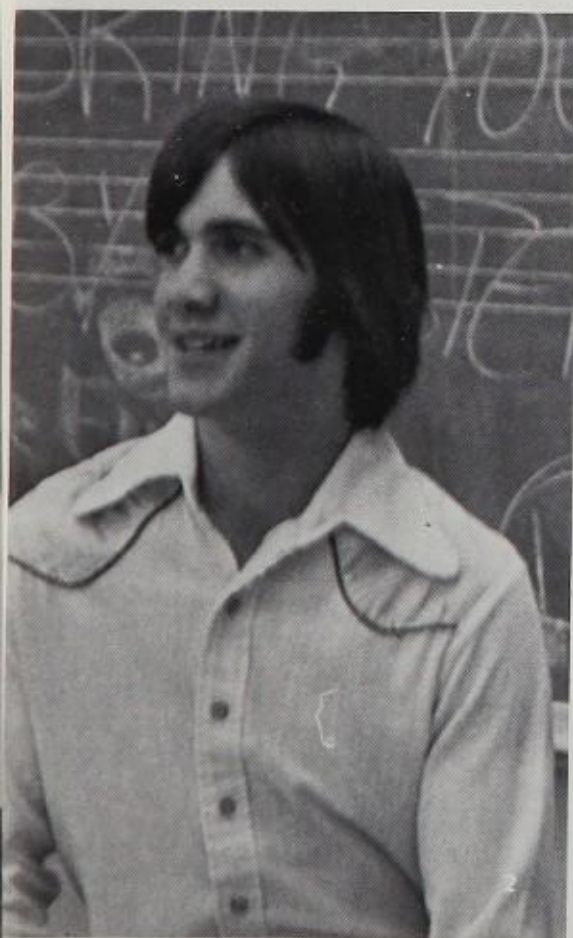

The House last year was called the Student Senate but this year, the group changed its name. **Mr. Richard Farland**, advisor, commented, "In the past, the student senate hasn't been active. This year we're trying to be more active and get the students better representation."

1. Kathy Smith, this year's Commissioner of Activities, was president of IOC.

2. Marty Montgomery was elected President of the House and conducted the meetings.

Tams Serve School, Community

Tams is an honorary girls' club on campus which serves the school and the community.

Belonging to the club depends on how active a girl has been in school activities.

At Thanksgiving members of Tams decorated placemats and took them to convalescent homes.

The annual fashion show was held on December 9, and the Senior Tams members modeled fashions from the Bridal Boutique and Windsor Fashions. Escorts were senior Key Club members who wore fashions from Mr. Tux, Karls Tux, Harris and Frank and Tuxedo King. The chairperson for the successful fashion show was **Kimm Nasser**.

Members also helped the varsity baseball team deliver phone books and flyers to raise money.

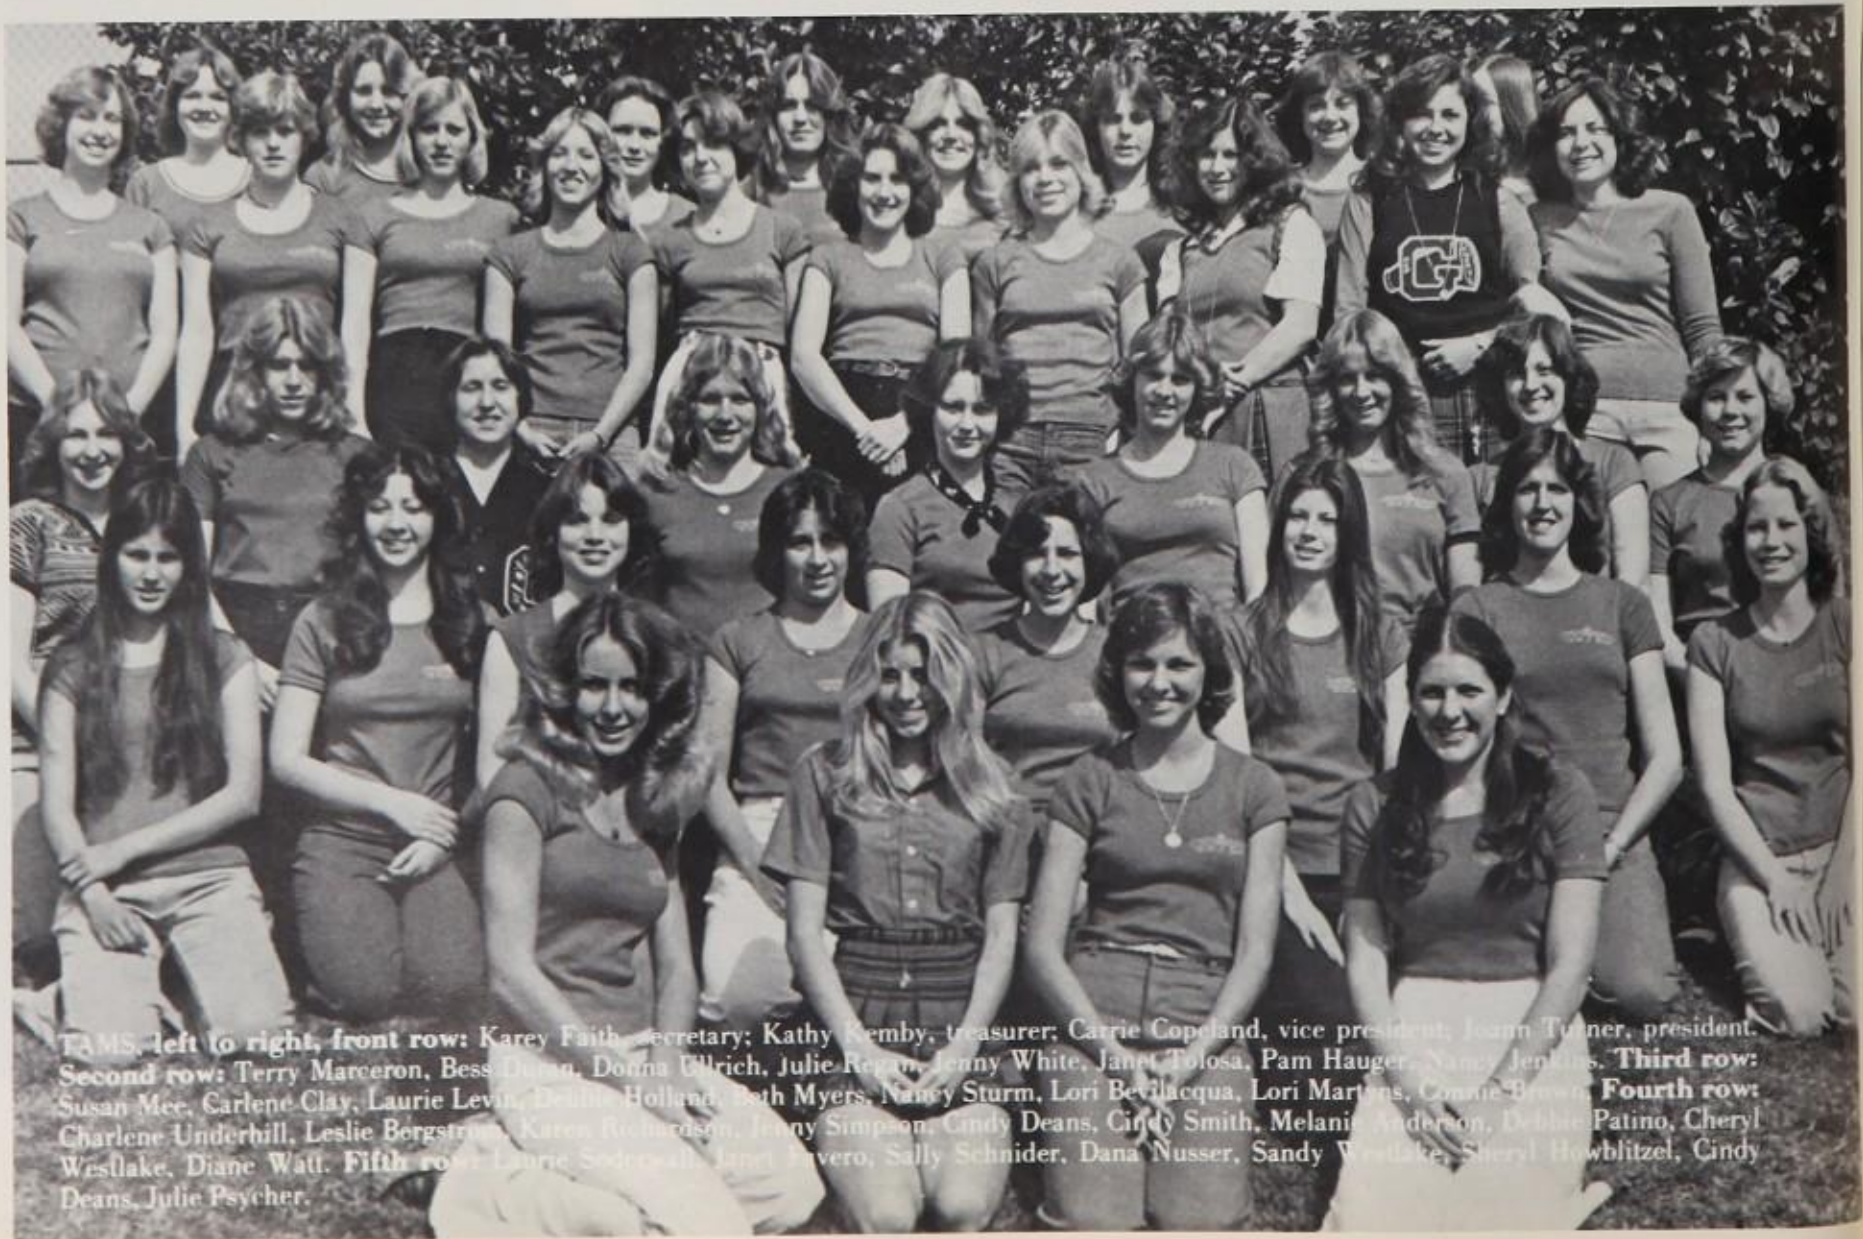

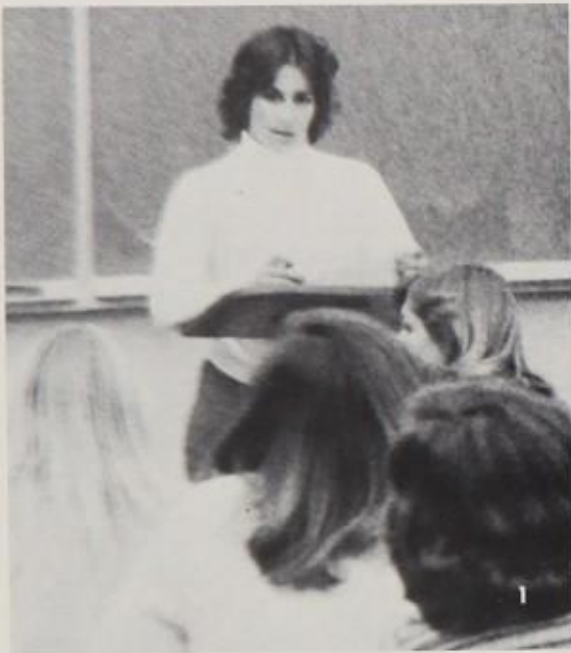

Every year the Luau is sponsored by Tams. The chairperson for this event was **Julie Regan** (1).

Joann Turner, president of Tams commented, "It's great to see that so many girls are actively involved in a service club and participating in worthwhile service projects as a club, is very satisfying."

The advisor for the club was **Mrs. Debbie Lelewer**.

2. Tams entered a float in the Homecoming parade.

3. Brent Duncan and Nancy Sturm modeled fashions in the Tams fashion show.

Girls' League Contributes to Organizations

Girls' League provides all girls with the opportunity to become involved in a club where they can help raise money for worthy organizations.

A warm welcome was given in early September for the incoming sophomore girls when Girls League sponsored a swim and BBQ party to allow the sophomore girls to become acquainted with the older girls.

"That Christmas Feeling," was the theme for the Girls League traditional Welfare Week, held during the week of December 13 through 17. The girls held a bake sale, a candy sale, and they delivered stocking grams and singing grams. Collections were taken and over \$850 was presented to the City of Hope.

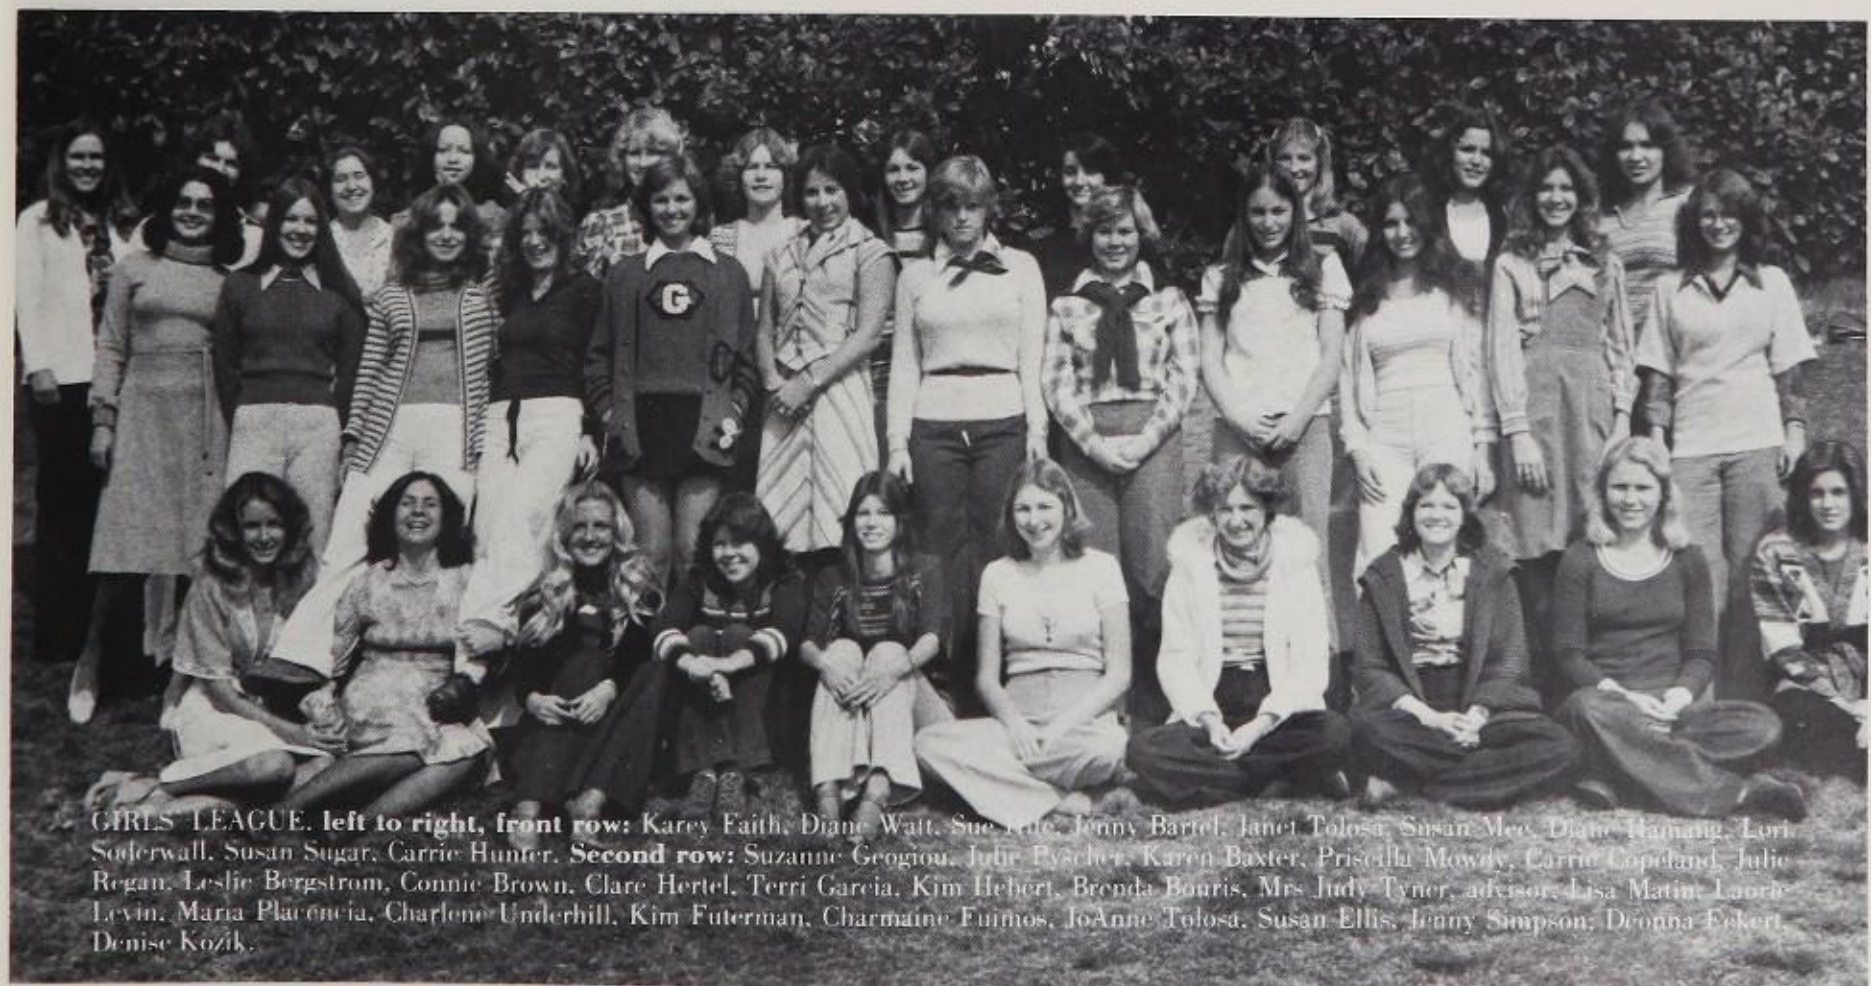

The "Girl of the Month" was a special award given to a girl who contributed the most each month to GHS. Girls League sponsored and presented the awards.

The Valentines Dance sponsored by the club was held on February 10, at the Diamond Bar Country Club and the Whizz Kidds provided the music.

"Girls League is a club where girls can participate and contribute something to the school," stated member **Carrie Copeland**, senior.

The officers of Girls' League included: **Diane Watt, president; Susan Mee, vice president; Jenny Bartel, secretary; and Julie Pyscher, treasurer.**

1. Girls League members, from left to right, Lisa Hagner, Debbie Patino, Dana Nusser, and kneeling, Janae Askew, collected welfare week donations.

Key Club Serves Community

"We want to develop initiative, leadership, ability, and good citizenship into each member. We also want to show to the community and school that we are here to serve you," commented **Nick Croce**, Key Club President when asked about the goals of the club.

With 34 members, this year's Key Club worked together to serve the community. In October a Haunted House was sponsored for children twelve years old and under. Members delivered Thanksgiving and Christmas food baskets to the needy. The YWCA Day Care center was painted by the Key Club. They also played big brother to boys at Leroy's Boys Home. They took first place in the Homecoming parade for their flying saucer float (3), and second place in the Christmas parade for their float "A Living Christmas." The highlight of the float was a human Jack-in-the-Box that popped out continuously

during the parade.

Every year the club raises money to sponsor a successful Christmas Dance. Selling fruit cakes was one of the fund raisers for this event. "Only in Your Heart" was selected as the dance theme. It was held at Griswold's Pavilion in Claremont. Becket provided the music for the evening.

Members of the club aided Tams, an honorary girls club on campus, with their annual Fashion Show, held December 8.

The Key Club was formed in 1925 by the Kiwanis club so that Kiwanis could extend its service to the community.

The advisor for the Key Club was **Mr. Dave Griffith (1)**.

2. Key Club Sweetheart Linda Kemby stands next to the President Nick Croce who presided over all club meetings.

Shalom Club Spreads Peace at GHS

Now in their second year of existence, the **Shalom club** became better acquainted with the rules for running and organizing a new club.

Trying to get every member to be friends with every other, and making everyone feel accepted, is the purpose of the Shalom club. "We don't want anyone left out. We try to be everybody's friend," commented Vice-President **Donna Morris**.

The club planned various activities throughout the year. A bake sale was held in October and "Armando" the pantomimist performed in the gym also in October (1). In November, the club assisted in sponsoring the talent show. They also plan-

ned a series of free concerts at lunch for GHS.

The club held their meetings on Mondays and Wednesdays during lunch (2). Raul Ries was the speaker on most Mondays.

Officers of the club included: **Scott Corbett, president; Donna Morris, vice president; Stana Jackson, secretary; Mary Hudson, treasurer; Debbie Parish and Dave Preston, social committee.** The advisors of the club were **Mr. Harry Smith, Mr. Arlan Dwyer, and Mr. Jim Clark.**

Spanish Club Arouses Student Interest

The **Spanish Club** began the year right by having a "Panchanga" (pot luck Halloween party) in October. Their guest speaker was **Maria Elena Placencia** from Ecuador. The students also observed a Spanish Parade in December and afterward they ate a mexican dinner at the "La Paloma" restaurant. At the end of the year the members went to Olvera Street for a day of fun and festivity.

The club was formed to have fun through a foreign language by learning and participating in Spanish cultures. The club brings the students with the same interests closer together through the club functions.

Bessie Duran, president of the Spanish club stated that, "This year the members involved in the club are willing to get involved. I feel the students are great! We've tried to make this

year a good one, since Mrs. Tilden, our advisor, is retiring this year."

Mrs. Lorraine Tilden has been the advisor of the Spanish club for the last two years. She has done a good job in bringing the students together to learn the Spanish culture.

1. Bessie Duran, president of the Spanish club, talks to the members during a club meeting concerning their future activities.
2. Members of the club, Mary Ellen Russel, secretary, Marshall Meyer and Glenn Blair, listen intently during a Spanish club meeting.
3. Mrs. Lorraine Tilden supervised the Spanish club. As a project she had her students make pinatas.

German Club Gains Mascot, T-Shirts

"I like being in a German atmosphere and participating in German activities," replied **Denise Commentz**, member of the **German Club**.

The purpose of the club is to provide opportunities to speak German and learn about the German culture outside the classroom. At every meeting nearly 15 interested students were present.

Throughout the year, club members participated in activities such as, a Christmas party in December, an Apfelstrudel social and a Faschingsball.

Compared to last year, the German Club has had a lot of improvements; they have a new mascot and their own t-shirts

The officers of the German Club are **Debbie Holland**, president; **Monica Wittenaver**, vice-president; **Jim Simmons**, treasurer; **Meredyth Munns**, secretary; **Paula Staschke**, publicity; **Tacy Winn**, historian. The club is advised by **Mrs. Juliane Hodjera**.

1. Carl Cardella, member of the German club, played Santa Claus for the night of their Christmas Party, while Peggy Brady told Santa what she wanted for Christmas.

2. Tacy Winn, historian, begins to load up the bus for a long day at the Los Angeles County Museum of Natural History.

Thespians Renovate Little Theater

The **Thespians Club** was formed to promote Theater arts at GHS to give more Tartans a chance to explore their talents in drama. Thespians also familiarized the student body with playwrights and their productions.

What do Thespians do? They perform dramatic productions, attend initiation and awards banquets and also attend theater productions. They have attended the Renaissance Faire and have sponsored fund raising projects such as drama-athons.

This year, the Thespians have performed four dramas, "See How They Run," "Cyrano de Bergerac," "Streetcar," and "A Funny Thing Happened on the Way to the Forum."

Many improvements have been made this year by the Thespians. The dressing room, known as the "green room" was redecorated and reorganized for the convenience of the actors. Many parents helped to build permanent risers for the Little Theater this year. A light booth was also added and greatly enhanced the performances in the Little Theater on campus.

Many Thespians were involved in this year's activities — including four seniors, 17 juniors and 16 sophomores. The club is advised by Mr. Allan Gildard (2).

Ski, Radio-TV Clubs Attract GHS Students

The goals of the **Ski Club** are, "To encourage students to participate in healthful outdoor activity, introduce skiing as leisure time, teach students about ski safety, teach courtesy, and acquaint members with various ski areas," commented **Mr. Larry Johnson, advisor.**

The ski club during the year prayed for snow but mother nature wouldn't permit it, so their Thanksgiving trip to Mammoth was canceled.

Compared to last year, the ski club has come a long way. They have become affiliated with the San Gabriel Valley Council of Explorers, which helps set up trips and provides insurance for the students.

1. The president of the Ski club is Debbie Patino. She organized the club's activities through the year.

This year GHS formed two clubs on campus into the **Radio and TV Club.** One of the many reasons the club was formed was to allow the students to learn how to operate a radio and TV station.

One of the club's goals was to rebuild the TV studio with the new equipment received at the beginning of the school year. Throughout the entire year, the students were under the supervision of **Mr. Harry Smith, advisor.**

During the year, the radio club was very busy with many vivid productions, such as, football games, and password (for the speech class); they also taped for the band and drill team.

Members said they enjoyed the club because they liked working with the sound equipment and enjoyed the thrill of seeing the results on television of a production that they directed.

NFL Students Attend Tournaments

"Forensics taught me how to relate better to other people," commented **Kim Futerman**, NFL member.

The National Forensics League provides students with the opportunity to participate in speech tournaments. While competing with students from other high schools, they learn different techniques in which speeches can be given.

NFL members totaled about 20, and the attendance at tournaments was usually about 10 members.

Invitations came to the NFL Club from as far away as Dallas, Texas. **Susan Mee**, senior, traveled to an invitational in Berkeley, California. League tournaments took place throughout the year at nearby high schools.

Announcements at the beginning of third period each day were presented over the public address system by members of NFL.

Mr. John Baldrige advised the NFL members. The officers of NFL were: **Bessie Duran**, president; **Sue Mee**, vice president; **Terri Perez** and **Kim Futerman**, co-treasurers.

1. Bessie Duran, Tony Robbins, and Kim Futerman rehearse for speech tournaments.
2. Mr. Baldrige worked many hours as NFL advisor.
3. Gail Nunn tries new speaking techniques.
4. Bessie Duran, NFL president, practices for tournaments.

Scotty's Inn Provides Lunches for Tartans

"Hungry? If so grab a bite to eat at the nearest GHS Scotty's Inn," commented **Robin Brown**, senior. The Scotty's Inn is a profitable organization on campus that sells hot foods to cold sandwiches at GHS. During the year, the Scotty's Inn was open during lunch, Tuesdays through Thursdays. Every afternoon they usually served a good number of students.

The purpose of Scotty's Inn is to train students to work in the food service industry and to provide a lunch service for the students here at GHS. Some 18 students were enrolled.

Mrs. Connie Howarth, the advisor commented on why she enjoyed being the Inn advisor, "Since we are a small group it is possible to work with students on an individual basis. As a result I can get to know my students and understand them.

This helps me to plan a program that will fit their needs." Two of the many goals of the Scotty's Inn is to train the students in preparing and serving foods in quantity. Also to teach them how to get a job in our society.

1. Anne Everson and Paul Gotch help out the Scotty's Inn by calculating and giving out change to the GHS students.
2. Mrs. McGhinity, aid at the Inn helps prepare a chili dish.
3. One of the Scotty's Inn best selling food item was the Chef Salad.
4. Mr. Dwyer, a frequent customer of the Inn, is persuaded by Laurie Stevens and Robin Brown to buy their sweet specialties.
5. Member of the Scotty's Inn, Wendy Wiebe, helps in following up an order just received by student.

Tiny Tartan Tots Taught by GHS Students

"That's fun! Let's play that again!" said an enthusiastic four year old during a session conducted at the Tartan Pre-School. Advised by **Mrs. Anita Hauger** (2), the course offers students an opportunity to observe and participate in group care of pre-school children. Students analyze nursery school curriculum and objectives and learn to apply principles and concepts of child growth and development.

The class meets daily during second and third period. The seven pre-schoolers attend classes Tuesday through Thursday (3). On the days the pre-schoolers are not present, GHS students plan activities and games for the students. "I learned more about children at this age and how to handle them,"

commented **Kristi Schouten**, one class member.

This year the high school students planned a Halloween party and the preschoolers attended class that day dressed in Halloween costumes (1). The group then "trick-or-treated" around campus. During a Christmas party, students helped the youngsters make gifts of papier mache wreaths stuffed with candy and drawings, for their parents.

The pre-schoolers are generally recruited by the junior and senior girls. "The children don't talk very much. They seem to be shy at times. This is probably due to the large amount of teenagers and small amount of children," commented **Gaye Smith**, class member.

Some 130 Students Participate in ROP

"Producing employable skills in high school students was the purpose of the Regional Occupations Program," stated **Mrs. Sami Lau**, ROP advisor. Students were provided with training sites for future jobs and received first hand knowledge of the vocation of their choice. The program was funded by the state according to the daily average attendance of the school.

Some 130 students from Glendora and Whitcomb High Schools, participated in the ROP program this year. Students trained in the vocational areas of interest to them. Many different occupations were available.

Transportation was available by bus to some of the jobs.

This year, students participated in unique classes such as

fire science, dental assisting, hospital related jobs, and landscaping. Each training class prepared students for future careers in these occupations.

Pam Mason, an ROP member stated, "It is a very worthwhile experience, and I learned a lot."

1. Michelle Beach took x-rays in training to be a dental assistant.
2. Karen Kruder worked at a clothing store for the Retail Sales class.
3. Cindy Evers looks up patient room numbers which was one of her jobs working in a hospital.
4. Steve Michelson and Diane Olson pot plants in their Landscaping and Horticulture class.

Brains, Brawn Added to GHS Clubs

The **California Scholarship Federation** was formed for students with a 3.5 grade average. The Club provided students with the opportunity to travel to Disneyland, organize car rallies, and take a day off from school.

Mrs. Linda Huetinck was the advisor for CSF. The officers of the club were **Tim Brooks, president; Curtis Ball, vice president; Kim Lawhon, secretary; and Dave Patting, treasurer** (1) not pictured.

Powder Puff football was a new addition to GHS this year. Campus Life organized the program which was the largest of its kind in the San Gabriel and Pomona Valleys. Some 325 girls met head on to compete for trophies and prizes.

The purpose of the league is to provide high school coeds the opportunity to participate in a significant athletic event (2).

The team was coached by high school football players and team members won two out of their first three games.

Yearbook Tries New Ideas

"The objective of this year's book is **People** and I think that we've accomplished that goal. It has been a hard working staff and I think they have covered all aspects of campus life," said **Mrs. Pat. Rasmussen, Bellendaine** advisor.

Dana Nusser, editor of the 1976-77 **Bellendaine** attended seminars at the University of Pepperdine at Malibu for one week to gain better knowledge of yearbook style. She returned with new and different ideas.

The staff added a music section and special section to this

year's book. The special section deals with people, fads and the nation. There are also over 48 color pages in the yearbook including a full color senior section.

This year, the staff sponsored a one day yearbook sale where seventy-three per cent of the student body purchased yearbooks.

Shield Strives to Keep Students Informed

"We have a hard working staff with a lot of talented people," remarked **Mrs. Pat Rasmussen**, advisor of the **Tartan Shield**.

Improved copy and coverage of school news were the goals of this **Tartan Shield** staff.

The staff published 15 issues at the **Claremont Courier**. Each issue cost about \$154. The students raised money through advertising to cover the cost. The staff also received a \$1000 budget from the administration.

This year the **Shield** published two special issues. The first

was an eight page Christmas issue and the second was a special issue which focused on the seniors.

Many of the staff members joined the California Scholastic Press Association which offered tours and press conferences for journalism students.

Kathy Barton, Senior, a third year journalism student was the editor.

"This is a student newspaper and we are striving to inform the students to the best of our ability," commented **Kathy**.

Pep Club Pulls Together

Fulfilling their jobs as Pep Club members, the girls began working long before the new school year. Meeting as a club under the advis-
ship of **Mrs. Deborah Haigh** (2) and Commis-
sioner of Pep, **Cheryl Westlake** (1), the group
went to work. Their first goal was to pay the debt
they had acquired after ASB purchased their
uniforms. During the summer school session,
working under the direction of Mrs. Anita Hau-
ger, the Pep Club cooked, cleaned and sold
baked goods and soft drinks from the Malt Shop
area. Through their efforts, the girls made a
profit of \$1001.25.

Their next event was camp. All the pep
groups attended the National Cheerleading Asso-
ciation Camp of Champs. The groups' results
were fantastic and the experience helped the
girls get ready for the new year.

Howdy Week activities kept the girls busy
until after the football game when Pep Club
sponsored the Howdy Hop featuring **Eulogy**
as the band. Their hard work helped them collect
\$545 in ticket sales.

Many new ideas and suggestions were tried,
including, super spirited pep rallies that
involved other clubs on campus, pom-pom shak-
ers for the crowds at the games and new spe-
cialty and novelty routines. The groups also per-
formed with the Tartan Band and attended band
competitions. Their activities included a per-
formance at "Meet Your Teacher Night." Pep
Club also gave year-round support for all athletic
teams.

 well what
 can I say
 at its near
 end of the year
 boy did it go fast
 I glad I had history with you
 around campus next year I see you crawling
 enjoyed knowing you this year I see you crawling
 made my down and out days a lot brighter
 what does that song say "you are the sunshine
 of my life" but I think you would have to
 change life to days, I hope we have some classes
 together next year. Don't get to dark so this summer
 I hope you are successful in everything you do
 I hope you have a great terrific summer and maybe
 I'll see the way you are. In other words don't get stuck up

Mime

You say you're not blind?
 You could have fooled me, for I know very well
 You're too blind to see.
 But go ahead and watch me with your innocent eyes
 As I unwillingly slip into my pantomime disguise.
 I'm hiding underneath it but you don't understand
 That I'm silently begging you, please lend me a hand.
 Sometimes at night when I'm all alone,
 I wash off the make-up and step down from the throne.
 I think of how heartless and cruel I've been,
 And I think that tomorrow I'll be the same way again.
 It isn't something that I enjoy, but it's much easier than being sweet and
 coy.
 If only one time you'd tell me you care,
 Then possibly the next morning I'd wake and the make-up wouldn't be
 there.
 For me that would be a wonderful thing.
 First I'd thank you, for the rest of my life I could laugh and sing.

Remember

Time
has escaped us
but we haven't noticed
yet
Someday
maybe tomorrow
we'll look back and try to borrow
the time that seeped away
I can remember
I can still hear you say
"don't cry it's only for the day"
Times like now
I get on my knees and pray
and ask
to feel the friendship and love
I felt from you that day
You see
we have this choice
to remember or to forget
I want to remember
from the day I came
till the day I went away
I went away . . .

Friends

A Friend
will sometimes do things that are hard to understand.
A Friend
will gladly be there when you need a helping hand.
A Friend
will always respect your wishes and never ask you why.
A Friend

Reaching

I felt your need of someone's hand,
The longing in your eyes,
You pierced my heart like a lonely child
When no one hears his cries.
I ached to reach out and touch your life
And take away some gloom,
But you seemed afraid and backed away,
As if for me you had no room.
How long has it been since you laughed aloud,
Since you've felt a sense of pride?
I'd love to laugh and talk with you
But you always run and hide.
Did someone deeply touch your heart?
Someone for whom you cared?
They left you not a whole, but part,
With only memories of what you shared.
Life seems cruel at times, unjust,
Sometimes too cruel to bare.
But you can make it, I know you must,
And I will help you there.

SCOTLAND '76

Glendora High School's Band and Drill Team became the first American High School group to march in the opening parade of the world renowned Edinburgh Festival and the Scottish Highland games. This was the crowning achievement of nine months of hard work and preparation.

Led by **Dr. Ken Caldwell** and **Mrs. Jean Bradley** (10) the group performed at eight different occasions in both England and Scotland.

The Band and Drill Team marched four miles down Princess St. and around the castle in the Festival Parade as more than one million people looked on. (6) and (7)

The next day a concert was given by the Band and Drill Team in the Princess St. Gardens. When the group began, the stands were almost empty, but by the time they were finished there was standing room only. (4)

The American bicentennial was the theme for the half time show (8) that was performed four times. The Drill Team carried 48 historic flags (3) at the end of the show.

It wasn't hard for the Scots to recognize the group. A sign was carried by **Diana Wilson** identifying the group as the representatives of the United States (11). After looking at one of the Banners (1), one Scot was heard saying, "It takes the Americans to show us how to wear the kilts."

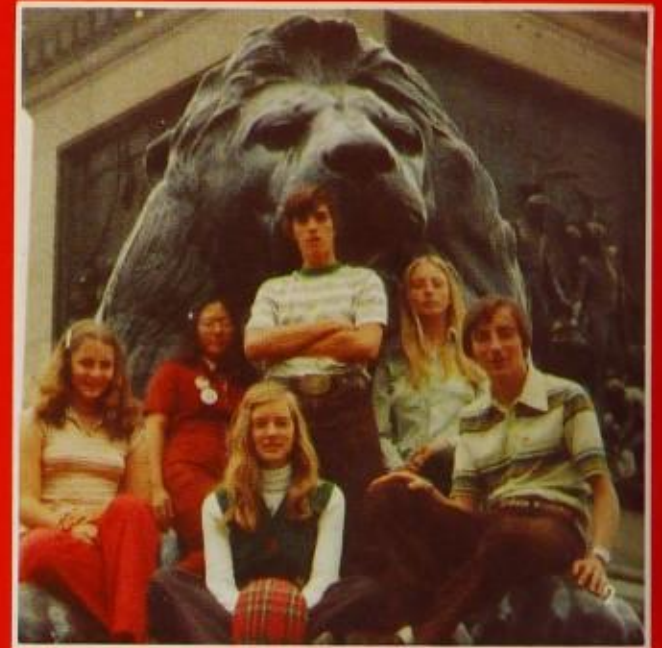

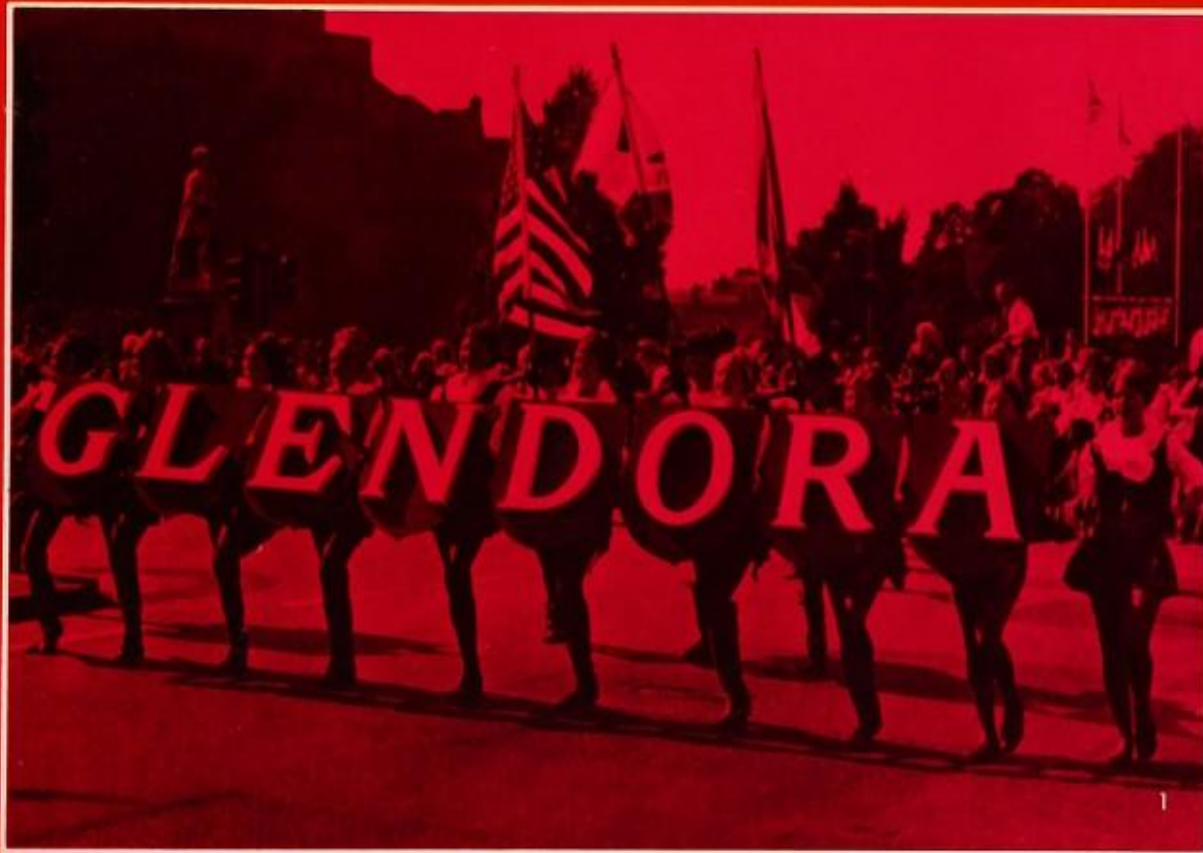

The Band and Drill Team carried with them spirit and enthusiasm as they toured Great Britain. Along with memories, many Scottish friends were made.

When the students returned to Glendora, a feeling of satisfaction and pride had been achieved. They had represented the United States in one of the oldest traditions in Europe with their *tunes of glory*. They had proven again that they truly do represent Glendora as the "Pride of the Foothills."

Drill Team Performs in Parades, Halftimes

The Plaid Piper Drill Team began their seventeenth competitive season this year with a returning friend, **Mrs. Jean Bradley**, their advisor. After a two year break Mrs. Bradley returned to help the drill team maintain the standards that have been set by tradition.

The Drill Team started a busy year by performing at the Azusa Golden Days Parade. That was followed by a trip to Long Beach where they placed second in their class at the Colton Review. The Drill Team also marched in the Chino and Santa Monica Parades where they received two First Place trophies.

Sue Cofield, head, proved to be an above average leader when she placed first in the Drill Team Head Competition at Santa Monica.

"I really like working with the girls. It's been a fun year,"

said Sue Cofield.

The Drill Team was invited for a special treat to perform with **Dr. Ken Caldwell's** band at El Camino College in Torrance on October 30.

Anyone who watched the Drill Team during a half time show this year noticed something different. At the end of each show the girls would carry 48 historic flags down field. These were the same flags donated to the Drill Team for their Scotland Show.

A very successful year was completed when the Drill Team performed in the Annual Band-O-Rama in January.

'76 — Year of Change for Tartan Band

The hiring of **Mr. John Briscoe**, as director, was the start of a year of change for the Tartan Marching Band. The first major change was in the marching and music styles. This year's music represented a larger variety of styles and tunes. This was welcomed greatly by students and spectators alike. The change in marching, however, turned out to be unsuccessful so, in October, the band returned to the traditional way of marching.

The band started their season this year by taking a first place at the Azusa Golden Days Parade. Before the season was over the band had marched in the Chino Review, the Santa Monica (1) and West Arcadia competitions, the All Western in Long Beach, Glendora's Homecoming parade and the West Covina and Glendora Christmas Parades. They also performed at the Colton and Los Altos Halftime Tournaments, not to mention four halftime shows. This was the first time in many years that the band performed a different show at each halftime.

On January 1, the band marched in the 88th Tournament of Roses parade. This was the first time since 1972 the group appeared in the Pasadena parade. A very busy year was concluded with the 8th Annual Band-O-Rama in Citrus Auditorium on January 7 and 8.

The drummers spent the year experimenting with new cadences and modifications on the traditional ones. They competed in the West Arcadia and West Covina Drum Field competitions and with the help of **Don Clarke**, a drum arranger from Long Beach, they took first place at the Santa Monica Parade. "We've had a good year, without any major problems," commented section leader **Bob Curtis**, senior.

Another change this year was drum major **Brad Schneider** (2). This was the first time in three years a junior has held such an honored position. Brad led the band in all parades and halftime shows this year. He took third place at Azusa and West Arcadia and first place at Santa Monica and West Covina.

"This has been a good year with a lot of mutual growth between the band and myself," exclaimed Mr. Briscoe. "There are a lot of good people in Glendora that I have enjoyed working with and I am glad I was able to come into a school with such a high emphasis on music and good standards."

Tall Flags Function as Color Accent Group, Pipes Perform in Scottish Uniforms

Starting at the beginning of the school year, each of the **Tall Flags** spent over 215 hours worth of after school practice to achieve the performing ability required for band performances and parades. Beginning in their sophomore year, almost all of the tall flags spend their three years at high school marching in the tall flags unit. According to **Mr. John Briscoe**, band director, the tall flags girls function as a color accent group to add more to the performance.

"The tall flags frame the band, also," Mr. Briscoe added. The tall flags enjoy much socializing together, going on outings and eating lunch at school. **Elizabeth Sain**, tall flag, expressed her enthusiasm for the flags when she commented, "I had the neatest time. Being in the flag's group was terrific, and I'll never forget it."

"It's fun playing an instrument that's different," remarked **Shelly Thompson**, piper. Led by **Darris Smith**, the Glendora High School **pipe band** had a successful year and also a rewarding experience. Darris, who in true GHS tradition holds the Glendora record for performing eight times in regimental uniform, is a truly devoted leader and a good piper.

Playing in authentic Scottish Caledonian uniforms in parades, the

four bagpipers marched behind the majorettes and put on impressive showings in all competitions. The uniforms cost approximately \$500 and were paid for some time ago by efforts of the boosters, who helped raise money for that cause.

All band uniforms are kept at the school and are handed down to successive classes through the years.

Bagpipes cost about \$400 and their origin goes back to the middle ages. The origin of the bagpipers uniforms go back even further.

Banners Carry Tartan Trademark "Go Red", Majorettes Add Pep to Halftime Shows

Head banner carrier **Cathy McDougall** exclaimed, "This is the best year in **banners** I've ever had! We had a great time, and I think most of the banners will agree." It seems that the banners enjoyed their job immensely. Out in front of the band in all parades, half time shows, and pep assemblies, the Glendora High School banner girls displayed great school spirit, as well as the "GLENDDORA" trademark and the famous Tartan yell, "Go Red."

The banners carry heavy, metal signs, specially equipped with operational lights in order to make the letters luminescent. To sum up the unceasing spirit of the girls, **Andy Pollman**, banner, said, "Being a banner was a challenging, but terrific experience. We had some rough times, but if I wasn't a senior this year, I'd go through it all over again. I loved it!"

Majorettes **Sandy Craft** and **Janet Tolosa**, head, added extra pep to half time shows as well as practices. Since the Southern California School Band and Orchestra Association rules provide for only three or more majorettes in competition,

the two GHS majorettes could not participate. Still, the opportunity of being able to take part in practices and half time shows proved both Sandy and Janet to be very competitive and responsible.

Aside from the lengthy demanding after school practices, parades and band competitions which Sandy and Janet both attended, they still found time for social activities and school work.

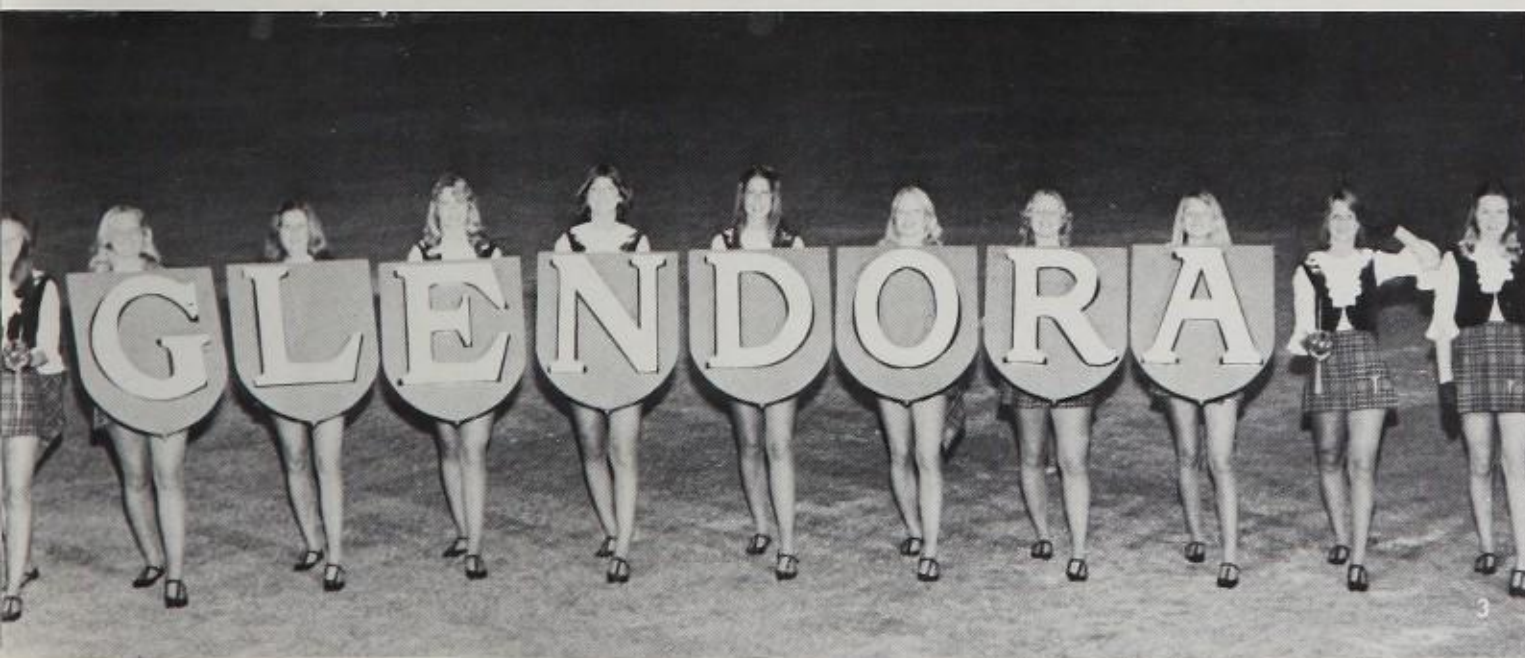

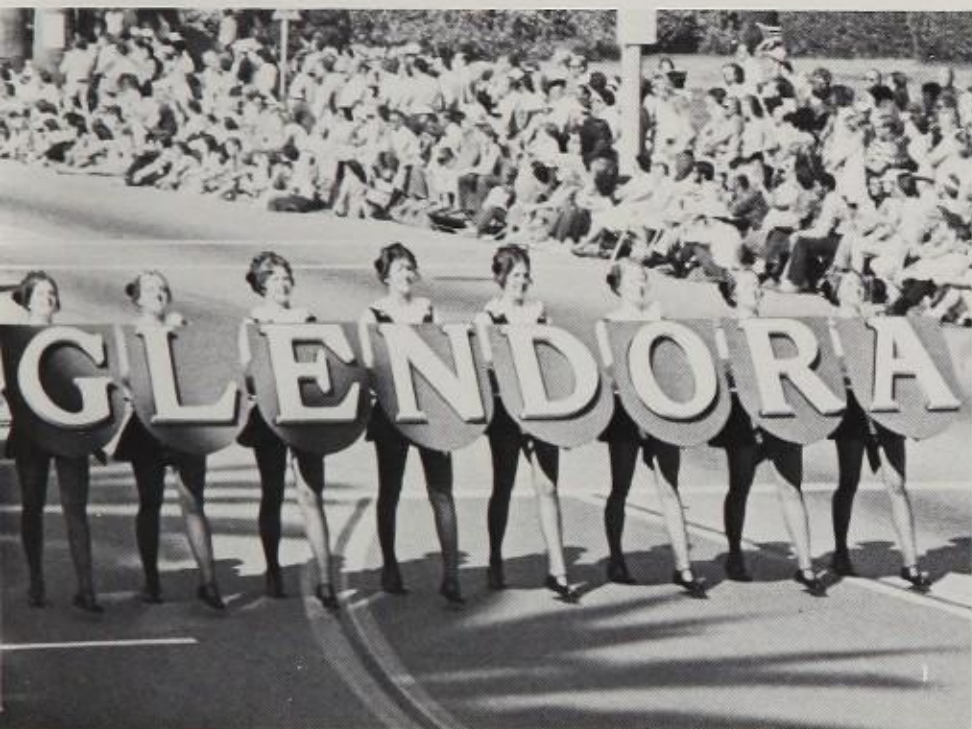

In Sandy's words, "Sometimes it was pretty hard, but in the end, everything was worth it."

Spring Music Groups Keep Active

Concert Band, Orchestra and Wind Ensemble provide a backing in technical and classical music that the students need to round out their knowledge of music," commented **Mr. Briscoe**. "Both groups begin second semester when marching band ends."

The season started on February 5 when the band, along with the drill team, performed their Band-O-Rama show for the telephone company. This was followed in March by the Gala Festival. The band and orchestra, along with the junior high bands and orchestras perform the music they will play at festival late in March. The band received a superior for the nineteenth consecutive season.

Two major events were planned for the late spring. The band and orchestra traditionally perform at a spring concert. Also planned were two concerts at the junior highs by the band. The band played at a convention at the Hotel

Bonaventure in April. They were invited to play at Disneyland.

Solo and ensemble festival was held in May. This gives students a chance to perform in front of judges then receive a rating.

This was the first year that orchestra was offered as a night class. This opened it up to adults and alumni who wished to participate. The orchestra didn't go to festival this year.

Also offered as night classes were wind ensemble and music theory. Music theory contains the written aspects of music, while wind ensemble involved mostly the band section leaders and more advanced musicians.

The year ended when the juniors and sophomores of the concert band took over to play "Pomp and Circumstance" at this year's graduation ceremonies.

Pep and Stage Band Keep Spirit Going

This year's **Stage Band** and **Pep Band** kept spirit going, long into the second semester. Consisting mainly of juniors and sophomores, the pep band played at all home (1) and away football games. The group played at home basketball games (2) and all pep assemblies. Whenever Tartans heard "Scotland the Brave," the fight song, the Alma Mater or "Bud-wiser" they could be sure it was the pep band playing.

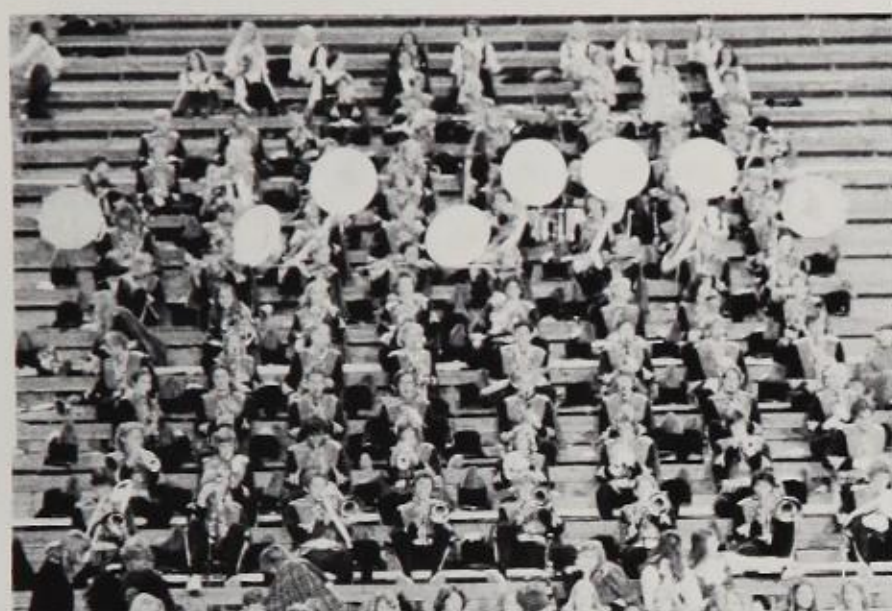

This was the first year in a long time that the pep band has really been active in school activities. Often more than 60 students would show up for a performance.

"It was great working with the band for a change,"

exclaimed **Kathy Kemby**, song leader. "It always gets people's spirit up to see them perform."

The stage band was one of the classes offered in the evenings during second semester. Rock music and old time jazz were their specialties. They performed a number of times in public, including the spring concert. **Mr. Briscoe** directed both these groups.

Glendora high was honored to have several of its students chosen for various California honor bands. These students included, **Andy Foster, Robert Joles, Maurice Storm** and **Lisa Cornwall**.

GHS Choirs Tour Eureka in April

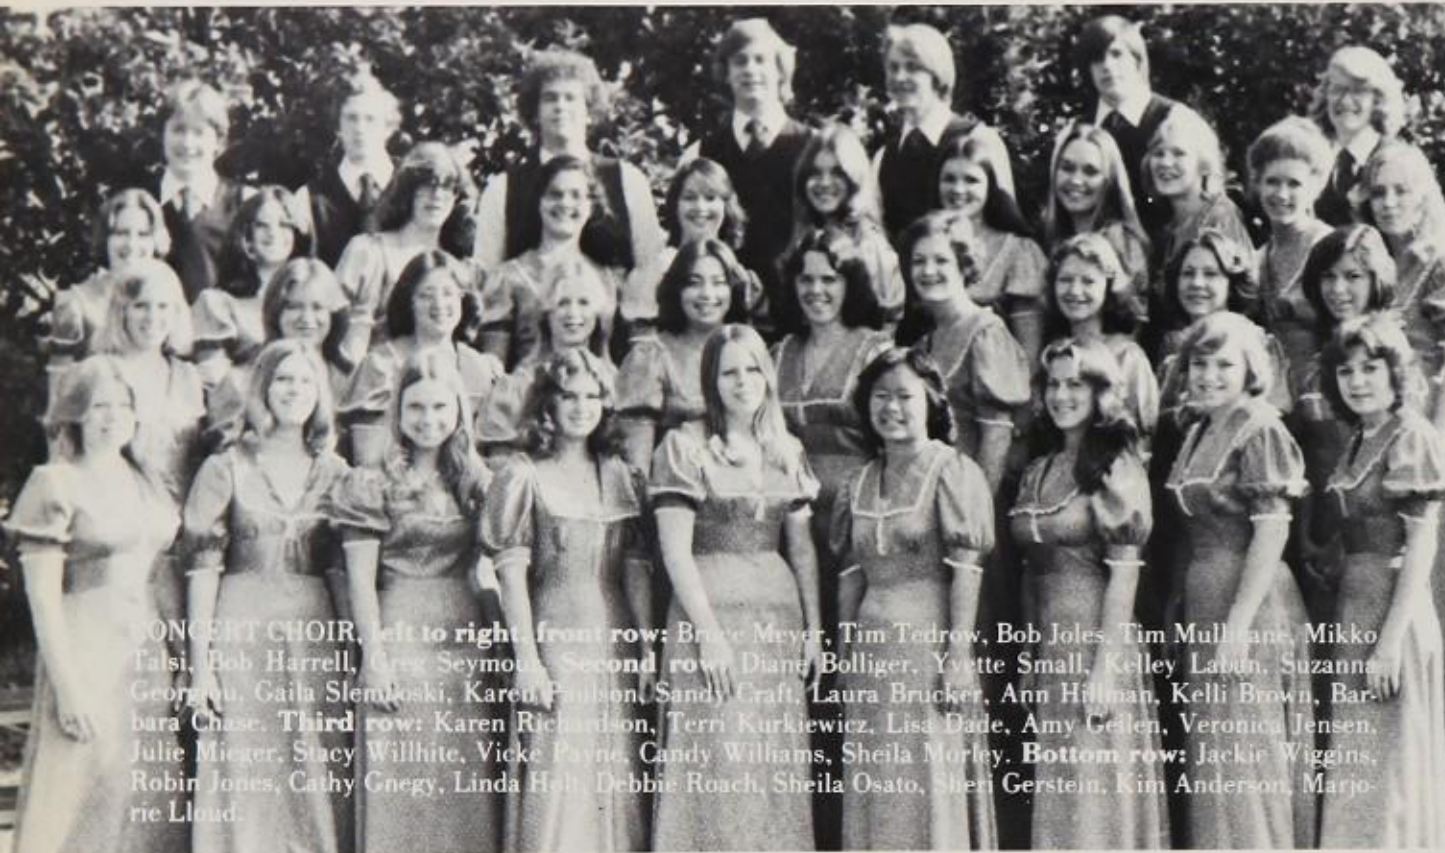

The **Concert** and **A Cappella** choirs proudly represented Glendora High School's music department this year under the direction of **Mr. Don Clarke** who has directed the groups for 10 years.

The choirs sponsored many fund raising drives this year to earn money for their trip to Eureka. In October the choir sponsored a successful money raiser by selling jewelry. During November, the choir cut a Christmas album in Hollywood. The record sold over 300 copies. In December, the choirs sold stationery made from recycled trash. The choirs also sponsored many dime-a-dip dinners.

A lot of time and devotion was spent throughout the year so the choirs could go on tour to Eureka, Calif. They stayed there for six days during April and had fun singing daily. A total of 40 people in choir went on the tour. They stayed in Fresno, Sacramento, Richmond, Eureka, San Francisco, and San Jose.

Concert choir is composed of juniors and seniors while sophomores made up the a cappella group. There were no requirements to join a cappella; however, concert choir members auditioned in front of Mr. Clarke.

"The choir seems to be growing together in closeness," said **Cathy Gnegy**, concert choir member.

CONCERT CHOIR, left to right, front row: Bruce Meyer, Tim Tedrow, Bob Joles, Tim Mulligan, Mikko Falsi, Bob Harrell, Greg Seymour. **Second row:** Diane Bolliger, Yvette Small, Kelley Labun, Suzanna Georgiou, Gaila Slemkoski, Karen Paulson, Sandy Craft, Laura Brucker, Ann Hillman, Kelli Brown, Barbara Chase. **Third row:** Karen Richardson, Terri Kurkiewicz, Lisa Dade, Amy Geilen, Veronica Jensen, Julie Mieger, Stacy Willhite, Vicki Payne, Candy Williams, Sheila Morley. **Bottom row:** Jackie Wiggins, Robin Jones, Cathy Gnegy, Linda Holt, Debbie Roach, Sheila Osato, Sheri Gerstein, Kim Anderson, Marjorie Lloyd.

A CAPPELLA CHOIR, left to right, front row: Judy Ulmer, Sally Hillman, Tim Norington, Michele Mercier, Lily Esgara, Kathy Lloyd, Monica Wittenauer. **Second row:** Jana Gillespie, Teresa Jameison, Judy Acevedo, Holly Wilberg, Lisa Meyers, Alan Wisinger, Lynn Frick, Sandy Bergman, Denise Lovell, Tonya Chastine. **Third row:** Vicki Blazauskas, Cindy Martin, Lynn Clark, Rene Shattuck, Bill Davis, Signe Stroner, Kathy Jones, Brenda Olson, Cita Fisher.

Stewarts Record Christmas Album

Glendora High School's **Royal Stewart Singers** experienced another successful year. Playing such important places as the Los Angeles County Fair, Glendora Women's Club and the Republican headquarters, the group also found time to record a Christmas album entitled, "Canticles for a Christmas Season." The Stewarts performed a Christmas concert in the GHS gym accompanied by **Mr. Don Clarke**, director who sang "White Christmas."

The semester class performed at the Royal Oaks manor, the second annual 24 hour sing-a-thing at GHS, the Madrigal Folk Song Concert and the GHS farewell concert on June 11.

Royal Stewarts is comprised of devoted music students. "Almost all of the time the group performs with a high degree of excellence and is received well by audiences wherever they go," remarked Mr. Clarke, choir director, who advises the Royal Stewarts.

To join the Royal Stewarts, a student must have one year's singing experi-

ence with Concert Choir and pass an audition in which Mr. Clarke tests the vocal range, the ability of music memory, sight reading, tune and rhythm.

The Royal Stewarts seem to have had an exciting school year. **Amy Gielen**, a member of the Stewarts said, "It was great. The Royal Stewarts are people who care about music, and I like that."

1. Mr. Clarke expresses his joy over the successful Christmas concert held in the gym December 11.

2. **ROYAL STEWART OFFICERS**, left to right: Michelle Spaun, secretary; Robin Jones, president; Kim Anderson, treasurer; and Bob Harrell, vice president.

English Comedy Well Received

Set in England in the 1940's, "See How They Run" premiered October 22, 23, and 29, 30. The play was a rather mixed-up comedy involving several cases of mistaken identity (1).

The play began with only one clergyman and ended with five. Each man thought that the other was Reverend Toop (2). Reverend Toop, on the other hand, could not understand why there were so many strange people in his home, and as the play progressed, his confusion grew worse yet.

"The play was well cast. The characters really seemed to fit their parts," said **Mike Martin**, director of publicity for the play. Talented **Kimm Nasser** portrayed the maid, Ida, so well, and was so convincingly English, that the audience soon forgot she was an American (3).

The play was interesting and its humor bordered on sheer hysteria. Mr. **Alan Gildard** directed the production.

"Sometimes we were afraid the cast of nine would outnumber the audience, but it was well received by those who saw it. In my eyes it was a success," commented **Kimm Nasser**.

Cast

Kathy Lawson — Mrs. Toop
Scott Kelly — Reverend Toop
Kimm Nasser — Ida, the maid
Beth Meyers — Miss Skillon
John Walker — Clive
Steve King — Bishop of Lax
Mike Klaus — Mr. Humphrey
Dave Grey — Russian Spy

France's Greatest Swordsman Portrayed in 'Cyrano'

"**Cyrano de Bergerac**" was presented by the Thespians on January 14, 15, 21 and 22 in the Little Theater on campus. The play was a romantic tragedy set in France in the 17th Century and dealt with the life of France's greatest swordsman, Cyrano de Bergerac.

The lead was played by senior **Joe Searcy** who has directed two shows on campus and helped with numerous stage and lighting designs. Cyrano was Joe's thirteenth role.

Kimm Nasser portrayed Roxane. Kim will continue her acting career at Citrus College in the field of theater arts.

Christian de Neuville played by **Wes Huggins** who will work for a degree in Theater arts and his teaching credential after graduation.

The three hour performance was directed by **Al Gildard** who said, "I feel that we have once again gone beyond the grounds of the usual high school theatrical fare in producing this play."

1. Cyrano shuns Montfleury, Mike Martin while Carrie Bjorklund and Kathy Lawson lend assistance.

2. Backstage, before curtain time, Vern Payne and Sherry Spoerl wait for their cues.

3. Thespians apply their makeup before the play begins.

4. Montfleury, Mike Martin, and his co-actors Carrie Bjorklund and Kathy Lawson, give a rather monotonous performance before the French royalty.

Intense Drama Portrayed in 'Streetcar'

"A Streetcar Named Desire" sponsored by the Thespians, premiered on March 4, 5, 11 and 12 at 8 p.m. in the little theater. The play, written by Tennessee Williams, is considered a modern American Classic. "Streetcar" is about a woman who becomes emotionally destroyed.

The main roles were portrayed by senior **Beth Myers** as Blanche Du Bois, junior **Wes Huggins** as Stanley Kowalski, senior **Kathy Lawson** as Stella Kowalski, and junior **David Gray** as Harold Mitchell (Mitch).

The plot was very intense and focused on interpersonal relation-

ship between Stella and Stanley Kowalski, Blanche Du Bois and Harold Mitchell. "The play is very dramatic and takes a lot out of you," commented **Georgia Hawthorne**, a Thespian. Sets for the play were designed by junior **Gale Papish**.

"The play is not only the story of a woman who becomes emotionally destroyed, it is also the story of change in the South," stated Mr. **Al Gildard**, director. The four minor roles were held by **Bruce Myer**, **Melodie Hanchett**, **Pete Viera**, **Debbie Patino**, **Kathy Szczuka**.

1. Debbie Patino as a Cajun woman and Cathy MacDougall as Eunice Kowalski the landlady, tell Stella that Blanche is in town.
2. Cathy MacDougall as Eunice the landlady lets Blanche into Stella's and Stanley's apartment and makes herself at home.
3. Beth Myers portraying Blanche looks over the neighborhood where Stella and Stanley live.
4. Kathy Lawson as Stella greets Blanche played by Beth Myers.
5. Throughout the year murals have been done to promote the plays. This one was done by senior **Gina Matlock**.

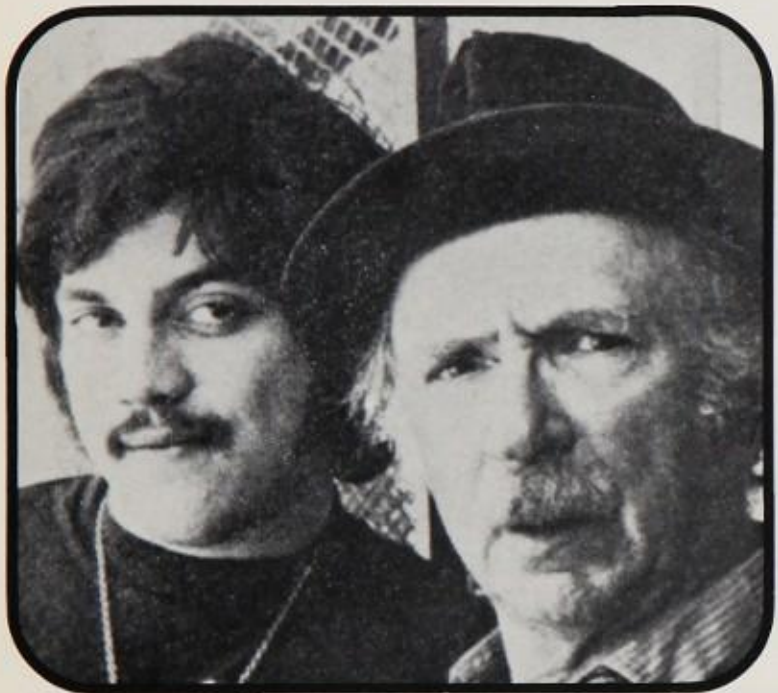

1. Wizard sculpture done by senior Corine Poignet was displayed during the Art Fair held on April 27.
2. The Tartan Band participated in the Santa Monica El Primero competition in early November.
3. Glendora's choirs took part in Disneyland's Festival of Lights. Rock Hudson was the master of ceremonies.
4. Thespians rehearse for "A Streetcar Named Desire."
5. This painting, done by Mrs. Julianne Hodjera, was on display during the month of December in the faculty art show.
6. The band spent many long hours practicing their music for the 1977 Rose Parade.

➤ "Bird" is the simple name **Mike Cofield** has named his two and a half pound and two ounce hawk. Mike trapped Bird, who has a five foot wing span, in the desert just one year ago. Hawks are wild animals and never will become domesticated. Mike himself has been attacked twice by his hawk. "Bird is a really mean hawk," Mike commented. Mike won't be trapped working in a building, for he loves the outdoors and plans to be a game warden.

✓ Coming from a musical family, **Robin Jones** senior, has been singing nearly all her life. Not only has Robin entered GHS crowds by singing solos at assemblies, but she also sings at various group programs. Professionally she has provided background accompaniment for Bob Summers, director of the Mike Curb Congregation.

Robin is extremely active at GHS by being involved in many musical groups. Robin's feelings about her singing can be summed up when she said, "I enjoy singing because it makes me happy and it is exciting."

^ "I've been riding motorcycles since I was seven years old," said **June Elias**, junior who belongs to an all girl motorcycle club called the Desert Daisies. June was recently elected president of the ten year old club.

Membership in the club is obtained by finishing three out of six, 90 mile races. June enjoys riding motorcycles every weekend and considers riding just another sport.

^ "My utmost goal is to be number one in the world," commented **Lea Antonopolis**, senior who is ranked one nationally in 16-18 year olds in the tennis scene.

Practicing two to three hours daily and jogging two miles has paid off for Lea. She has challenged such tennis professionals as Chris Evert, Renee Richards and Evonne Goolagong.

A devout vegetarian, Lea watches her weight and is always on a diet. Although tennis is her life, Lea finds time for senior class activities and student court sessions.

◀ Ballet lessons two days, jazz two days, and tap dancing one day, fills a busy week for **Jill McDaniel**. During Christmas vacation, Jill received a chance to dance as a court dancer in the fabulous "Disneyland on Parade." During an all day audition for the parade, Jill's practicing seemed to pay off, as she was chosen first from hundreds of others. Already with six years of dancing behind her, Jill expressed that "Every little girl wants to be a dancer and I liked it so much I stuck with it." Jill's ultimate goal is to someday be a professional dancer.

◀ Seven years of Oriental dancing has been an exciting part of **David Pating's** life. The San Gabriel Valley Chinese Cultural Association, of which David belongs, has performed the dragon dance, the lion dance, and the art of Kung Fu.

A Chinese school has taught David all about his history, language and superstitions. "Everybody has two cultures and I wanted to learn more about mine," David remarks. David has performed with his Chinese cultural group at banquets, parades and on the TV show "That's Cat".

◀ "Like father like daughter." This backwards cliché seems to fit **Kathy Kemby**, who has followed in her father's footsteps and received her pilot's license. Although Mr. Kemby received his license some time ago, Kathy began flying last summer. Three hours of daily practice paid off, as she received her license in October. Kathy now enjoys flying every weekend that she possibly can and when asked if flying was hard she answered, "There is a lot you have to know but I like it."

PEOPLE in 1977 created new styles, fads, hit TV shows and movies.

Hair styles took a shorter look (3) modeled after Olympic ice skating champion Dorothy Hamill (6). Fashion hems lowered and the dress styles included boots, gauchos and vests (4). CB radios (7), along with skateboarding (2) were the rage of the day.

Rock star Peter Frampton (8) made his debut in 1976-77. Charlie's Angels (1) featuring Farah Fawcett, Majors, Jaclyn Smith and Kate Jackson was the hit TV show of the season. TV serials were enormously popular and many Tartans tuned into "Roots" (10) every night for eight consecutive days. Many also followed the continuing saga of "Mary Hartman, Mary Hartman" (5). Movie greats of the year included "Marathon Man," "Rocky," "A Star Is Born," "Network," and an occult film called "Carrie" (9). The remake of "King Kong" also drew record crowds to the box office (9).

Movies, fads, fashions and people made the scene at GHS during 1976-77.

STUDENT GOVERNMENT

Glendora Tartans! — the name that will remain in our minds forever. As ASB President, I would like to thank you for the opportunity to serve all of you in the 1976-77 year.

Class of '77, you have started a positive trend at GHS that will be carried on in the following years. Classes of '78 and '79, you have contributed to this new trend, and now it is your responsibility to improve upon it.

Thanks to you, the students' pride is once again recognized at GHS. Thanks to you, the administration and student body are close and can now strive for goals together. And, thanks to you, the memories of Glendora High School will be pleasant and plentiful.

Seniors, it is now time for us to move on. We must use all the knowledge and experience we have gathered and make the best out of our lives.

Once again, I would like to thank all of you for making my years at GHS very rewarding. Good luck to all of you.

Elected Officers Accomplish Major Goals

Advisor
Mr. Richard Farland

"The elected officers this year are great! They have been doing a super job and they are very hard workers. In the past, people have gone out for an office looking for the glory the office holds. However, these people do not realize the responsibility and the work involved to hold an elected position usually volunteers and gets the work done," commented **Mr. Richard Farland, student council advisor.**

This year the officers were very busy trying to fight apathy within our student body with the help of Mr. Farland. One of their major goals was to unite students and faculty for better understanding and cooperation in the control and directions of school activities.

Vice President **Eric Mensing** presided over council meetings in the absence of President **Greg Johnson**. He also acted as the chairman of assemblies and election committees.

Kathy Smith planned special extra-curricular activities for the ASB.

Lisa Martin, this year planned all the assemblies throughout the year. She also planned all the lunch time activities.

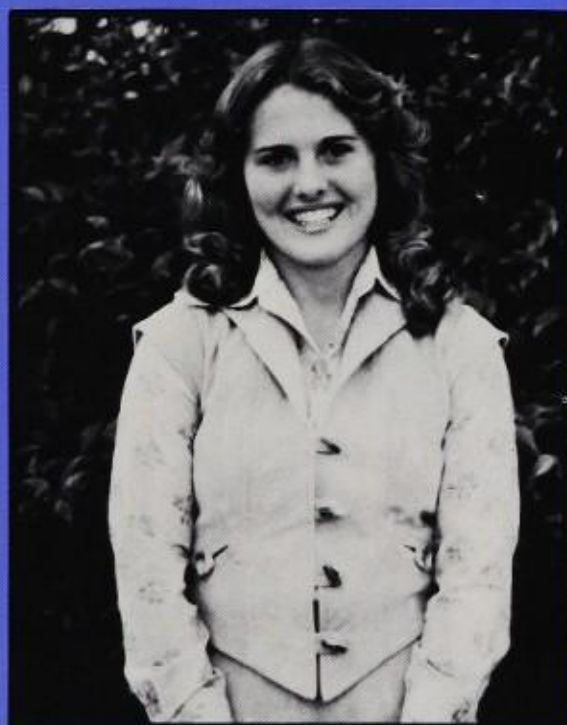

Cheryl Westlake's job consisted of planning the pep rallies to promote school spirit in any way which will benefit the ASB.

John Riccio planned banquets throughout the year, and saw to it that people received letters and trophies.

Debbie Miller's goal as a Commissioner of Girls' Athletics was to seek more activities for the entire student body.

Appointed Officers' Duties Vary

"In Presidential elections the President is elected and he chooses his own cabinet, people he feels are the most qualified and who he feels will work effectively and efficiently with him," said **Mr. Richard Farland**, director of activities about why GHS has appointed officers.

There are eight appointed officers who met daily with the leadership class. Each officer's duties vary from changing the letters on the marque to balancing the ASB budget.

"Appointed officers are basically the same as elected officers," said Treasurer **Lori Martyns**.

The main duties of the appointed officers were to provide activities for the campus.

This year for the first time, two commissioners of publicity were appointed.

Student Court Enforces Senate Laws

The student court's main goals were to interpret and enforce the laws of the student senate. Offenders are brought before the court, evidence is introduced and the justices decide the verdict (1). One trial this year involved four suspects who were convicted of painting over signs used for the CSF car rally. The four were sentenced to litter detail. With administrative approval, the court may recommend suspension for some offenses. "People don't take us seriously and are afraid to be informers," said **Mark Robbins** about the problems the court faced.

Friends From Afar

This year Glendora High School was host to three foreign exchange students. The American Field Service sponsored two students **Suzanna Georgiou** from Cyprus and **Mikko Talsi** from Finland. International Cultural Exchange brought to GHS **Maria Placencia** from Ecuador.

Our friends from afar express differences in many situations, including school spirit and boy-girl relationships.

HOW DO YOU COMPARE GHS' SCHOOL SPIRIT TO YOUR HOME SCHOOL?

Suzanna: "In Cyprus the school keeps students so busy with their classes that they don't have time for anything else. The clubs are run by teachers and they don't organize activities out of school. The students concentrate mostly on classes and don't have time for fun. The students in Europe seem more intelligent and serious than students in America."

Mikko: "In Finland the schools academically are perhaps somewhat harder. We concentrate more to science, math and language more than you do here. The school spirit of GHS is a lot better than in Finland."

Maria: "I am really excited about the school spirit of GHS. I enjoy so much the pep assemblies where everybody gets excited about winning the games. In Ecuador, my school is really a lot harder academically. We have to take about 16 subjects a year!"

Serious boy-girl relationships are few because of the group dating in Cyprus, Finland and Ecuador.

HOW DO YOU COMPARE THE DATING SITUATION IN YOUR COUNTRY TO THAT OF AMERICA?

Suzanna: "The dating situation in my country is quite different. Most of the boys and girls go out in groups. This is because the people in Cyprus have limited perceptions and they misunderstand if they see a boy and girl kiss each other on the street or at school."

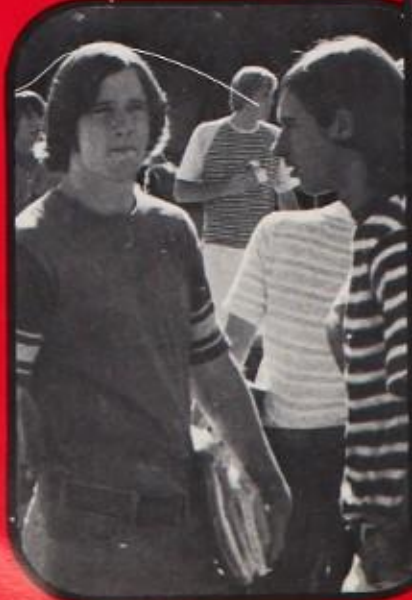

Mikko: "Teenagers don't date as much as you do here. They usually meet each other at parties, which are held on the weekends."

Maria: "Since there are only about 30 students in each grade, most of the activities, the parties, the dinners, and the dances usually include the whole class."

All three students expressed how happy they were to be attending GHS and the Tartans are just as happy to be their hosts.

Forty-Nine Students Become CSF Life Members

The California Scholarship Federation (CSF) is a nationwide academic honor society. Students may become members if they have held membership in the club for a total of four semesters, with one semester being in his senior year. Acceptance into this club is based on a system of points awarded for classes and grades received. During a member's senior year the student must have a grade point average of 'B' to become a life member.

Glendora's 49 life members will be recognized by many colleges for their achievements. When members apply to colleges they also become eligible for a sealbearer scholarship. Seniors receive a gold seal on their diploma and wear an honorary gold stole at graduation. These seniors also receive a gold pin for their scholastic efforts and achievements at the Senior Awards Banquet.

Seniors Experience a Memorable Three Years

As sophomores, the Class of 1977 came to Glendora High School uncertain and inexperienced, not knowing what to expect of high school life. So awed were they by the class traditions and customs, that at the first assembly, they were too scared to stand up for their own alma mater. The Class of '77 watched Class President Dick Coleman dress up as a pregnant cheerleader, and witnessed the "bee" cheerleaders bobbing for noodles in tomato sauce to symbolize the class's initiation into the school.

As the class officers, Dick Coleman, Susie Keiser, Dorah Kennedy and Kristi King led the class through the year, they began to make their presence felt. Two sophomores, Steve Hunt and Scott Pederson, made the varsity football team. Donna Ulbrich was the only girl on the cross country team. Joe Searcy starred in "Comedy of Errors," and Kathy Kemby and Janet Favero were the Howdy Court Representatives. The class of '77 was unique in many ways. Who, but Julie Settle could have managed to get stuck in a gym locker and bring the Fire Department to her rescue?

As juniors, a more self-assured group of students, under the leadership of Laurie Levin, Dick Coleman, Mary Ann Grant and Lisa Martin began the 1975-76 school year. With the responsibility of arranging the Prom, the junior class held a pancake breakfast and sponsored "Hollywood Days," to raise money. The prom was held at the Hollywood Palladium and was a great success.

Many juniors received honors in different areas of achievement. David Patong and Laurie Levin, represented the school in Boys' and Girls' State and learned a great deal about the government. Lisa Martin and Sue Stewart were chosen as the Americans Abroad and went to Tasmania and Switzerland respectively. Janet Favero won top honors as the divisional Key Club Sweetheart and Lea Antonopolis met Chris Evert in tennis competition. The Howdy Court for the 1975-76 school year included Kathy Kemby, Jorin Turner, John Adams and Steve Hunt.

As seniors, the Class of 1977 elected Patty Dixon, Mary Ann Grant, Susan Mee, Cindy Deans to lead the class. Greg (Boo) Johnson, Eric Mensing, were elected ASB officers. Kathy Peters was chosen as the 1976 Homecoming Queen.

As seniors, the Class of 1977 is about to embark on a new road in life. The students have studied, filled out scholarship and admission applications and have done their best to decide in which direction to plan their lives. They will change and go separate ways but no one will ever forget the Class of 1977. It will live on forever in the hearts and minds of all Tartans.

Daughter,

I'm sure am happy that your my sister. I know we've had a few misunderstandings but all of that is in the past forever. You always telling me to lose weight and I'm finally doing it. Maybe when we go to Disney Land the cute guys will notice us. Next year is right around the corner and I'm happy that your going to be there. I know its your last year and my first so we had better have a blast. Don't forget all the stuff we said we were going to do so we had better do it. Who knows you might even have your car by then (that would be totally great). You know and I know that sophmores aren't allowed off campus but whose going to notice that I'm gone. Some time in this coming year we are going to have to throw a party for all of our friends so we can have plenty of fun. At the football games I know were going to have fun because the way we are when we get together, people better watch out. Why don't we drive some of the stuck-up people crazy. You know what I mean? But since this is just June we have all summer long to plan for next year. Well this is getting a bit to long and I hope you don't mind. But as they say "sisters are the best of friends", I hope we can make that saying be true for us. Wow! My hand feels as though it's going to fall off but it won't. Well Rock I better stop before it does. I really just want to wish you all the luck and great success in any career you take in the future.

Love Always
Darlene

"We have had more spirit and enthusiasm than ever before," commented **Carlene Clay**, junior class president.

The class of '78 consisted of 719 members this year. Members worked together and constructed the second place Homecoming float "Shoot for the Moon."

In November, the class sponsored an "All You Can Eat" pancake breakfast to help raise money for the prom. Although the turnout for the breakfast was small, the class made \$100.

The junior class decided upon the Disneyland Hotel as the site for the prom held in June. Earning enough money to have a successful prom was one of the class' main goals this year.

The junior class was advised this year by **Mr. Tom Birmingham**.

Class of '79

The sophomore class was composed of 734 students. The class advisor was Mrs. Judy Tefft.

The main goal for the sophomore class was to earn enough money to have a good start for next year. Another ambition for the Class of '79 was to help raise money to repaint the big 'G' on the hill in Glendora.

Throughout the year the class had many activities including a bake and candy apple sale to help raise money for these goals.

Rachel, I'm
 glad that we became
 such good friends. I'm
 also glad that I finally
 did it. I quit Drill Team. We
 had a great deal of fun. I'll
 see ya this summer and I can go and
 suck next year. Now we can go and
 watch the Drill Team. Your friend always

FACULTY

Who Would Guess That Teacher Was a Student.

Since the theme of the 1977 yearbook is "People," the **Bellendaine Staff** thought it would be interesting to look at the faculty and what they did as people in high school.

Some of the teachers who were active in high school activities and sports are now active as coaches and advisors to those same activities at Glendora High School. For instance, **Miss Billie Oglesby**, who coaches some of the girls' athletic teams at GHS, received the Outstanding Athletic Award at Charter Oak High School.

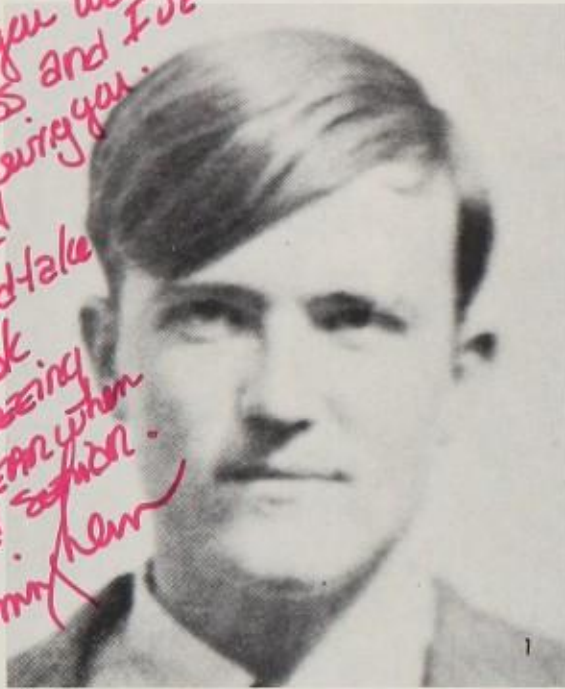

Who would ever guess that **Mr. Gary Riley** was nick named the "Dobbie Gillis" of Bonita High School? The "Rough Rider" of Roosevelt High was Glendora's **Mr. Frank Chong**. "Crooner," alias **Mr. Richard Cobb**, played the lead part in a Citrus Union High School play, "Skin of Our Teeth."

Many teachers were active in athletic competition while attending high school. Faculty jocks included **Mr. Dennis Minder** from El Monte High School, **Mr. Dave Bedell**, captain of Cider Falls, Iowa's track team and **Mr. Alan "Slink" Thompson** was Hudson Bay High School's Most Valuable Basketball Player.

Bullard High School's **Jerilyn Chuman** was active in Pep Club while attending school in Fresno. And lastly, the Michigan math test finalist was **Mrs. Debby Lelewer** who teaches math at GHS.

The following four pages are photographs of faculty members in their senior year in high school. See how many teachers you can recognize. Answers appear on pages 209 and 211.

*Rachel -
I'm glad you were
in my class and I've
enjoyed knowing you.
Have a good
summer and take
care. I'll look
forward to seeing
you next year when
you're a good senior.

ADMINISTRATION

As we turn the pages of the 1976-77 school year, we can recall our many accomplishments. Tartans achieved success in all aspects of campus life. Our successful Scotland '76 trip was balanced by a strong return to basics in the classroom.

We can look back with joy and sadness while reflecting that we were "The Pride of the Foothills."

To such a
sweet, cute girl. And
you're so polite. Biology

Rachel! I'm sorry
I didn't get to talk
to you much in English
but I hope you have a
great summer.
Love Joe

Rachel,
you're a real nice person.
Hope to see you around next
year. Good luck next year and
in all you do. Have a real nice sum-
mer. Be good and try to stay out of
trouble.
your friend always
Brenda

Rachel, well
it's been real nice
knowing you. You
a nice girl to know.
I hope you had a
nice school year. Have
a nice summer and
good luck to you
always in your future
years to come.
Always,
Mary
Gonzales

Rachel,
 I don't know you
 that well, but
 we have had some good
 times in school & P.E.
 and I hope we can
 become better friends in
 the future. Have a
 great summer, and all
 see you next year.
 Love Valerie

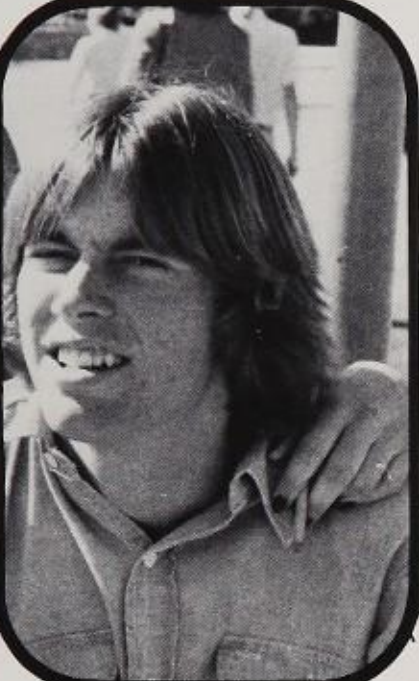

Rachel, English has been a big joke and I was glad we could make a boring class half fun. Maybe we will both get good grades (Ha-Ha).

Good-luck this summer and don't get any tanner.

Love Ellen

As yearbook editor I wish to thank the following PEOPLE for their help with the production of this book:

Mrs. Pat Rasmussen, the advisor of the Bellendaine, for her patience, extra time, and understanding for all unusual and surprising happenings this year.

Ms. Nelda Townsend, our representative from Taylor Publishing, for her help and guidance.

Mr. James Polk and **Mr. Neil Chapman**, professional photographers from PJ Studios for their time and patience with me and my staff, and **Brian Weekly**, Tartan Shield photographer, for helping us print our photos the day before our deadline.

Mr. Richard Farland, activities director, for helping with yearbook sales and distribution.

Ms. Duffy Hall, ASB finance clerk, for her help with Bellendaine finance.

My teachers, for accepting my excuses for missing and being late to class, and for letting me do my yearbook work in their class.

Faculty, administration, and coaches, for their cooperation with the special sections.

My staff and photographers, for meeting their deadlines on time and tolerating my devilish acts.

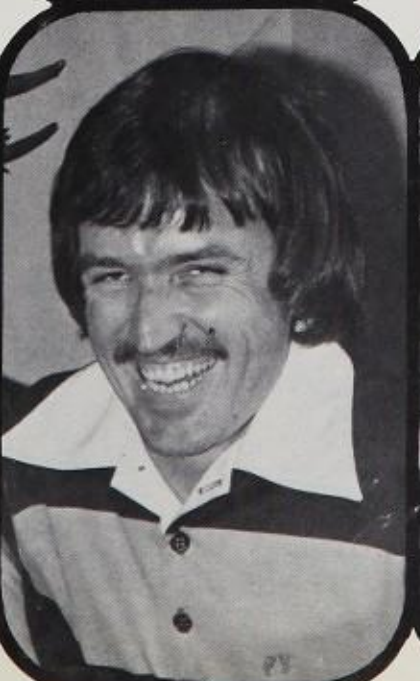

Glendora merchants, for their patronage.

Friends and family, for tolerating my disappearance during deadline times.

Dana Nusser

1976-77 Bellendaine Editor

IN MEMORIAM

Two Tartans died during the school year, **Terese Romero**, a senior, and **Tim Marriner**, a junior.

Terri, a friendly, outgoing girl died of Leukemia December 26 in the City of Hope Hospital. She learned that she had Leukemia in June of 1976.

Terri showed no signs of her illness even though she knew her disease was terminal. She loved to travel and drive her Fiat sports car. "She just liked having fun," commented a friend of Terri's.

Tim Marriner's accidental death occurred November 16, the day after his birthday. His death was caused when Santa Ana winds blew down his CB antenna, and the antenna fell against a telephone power line which started his CB unit on fire. Tim was electrocuted while trying to put out the fire.

Tim was a happy Tartan, creative in silk screening, enjoyed working his CB radio, and playing hockey.

Kelly Algeo, a close friend of Tim's for seven years, commented about Tim, "He was the best friend you could ask for."

Plaques for both students will be placed on the memorial torch.

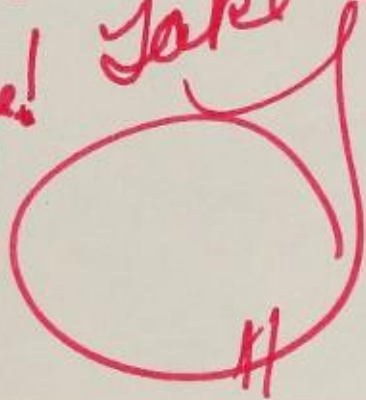

Rachel,

I hope you have a beautiful summer, and I wish you the best of luck next year and in D.T. maybe I'll see you around this summer, but if I don't, I'll see you next year.

Love,
Debbie Sutter

Rachel,
It has been
a lot of fun
in History &
Math. Remember,
my wise words!
Dion

Rachel, it's been great
knowing you. You're really
a sweet person to talk to,
and we around with. You
have a great personality
don't ever change. Good luck
to you in everything you do
in life! Take care of yourself!

Love Your Friend
Michelle Dominguez

P.S. Don't
forget to
keep in
touch this
summer!

Rachel,
I had a lot of fun with
you in Drivers Training
last summer. I wish
we had some classes
together this year. Well,
there's always next year.
I hope we get to know
each other better next
year. Have a great summer.
Good luck always.

Rachel,
it was fun having
you & Brian both in English
and History. Without you
guys it would have
been even more of
a drag. You are really
nice guy & I'm happy
I got the chance to meet
you! Have a good summer &
fun next year. Love,
